# *ECLIPSE*

*All that you touch*
*All that you see*
*All that you taste*
*All that you feel*
*All that you love*
*All that you hate*
*All you distrust*
*All that you save*
*All that you give*
*All that you deal*
*All that you buy*
*beg, borrow or steal*
*All you create*
*All you destroy*
*All that you do*
*All that you say*
*All that you eat*
*everyone you meet*
*All that you slight*
*everyone you fight*
*All that is now*
*All that is gone*
*All that's to come*
*and everything under the sun is in tune*
*but the sun is eclipsed by the moon.**

*Lyrics by Roger Waters*
*Performed by Pink Floyd*

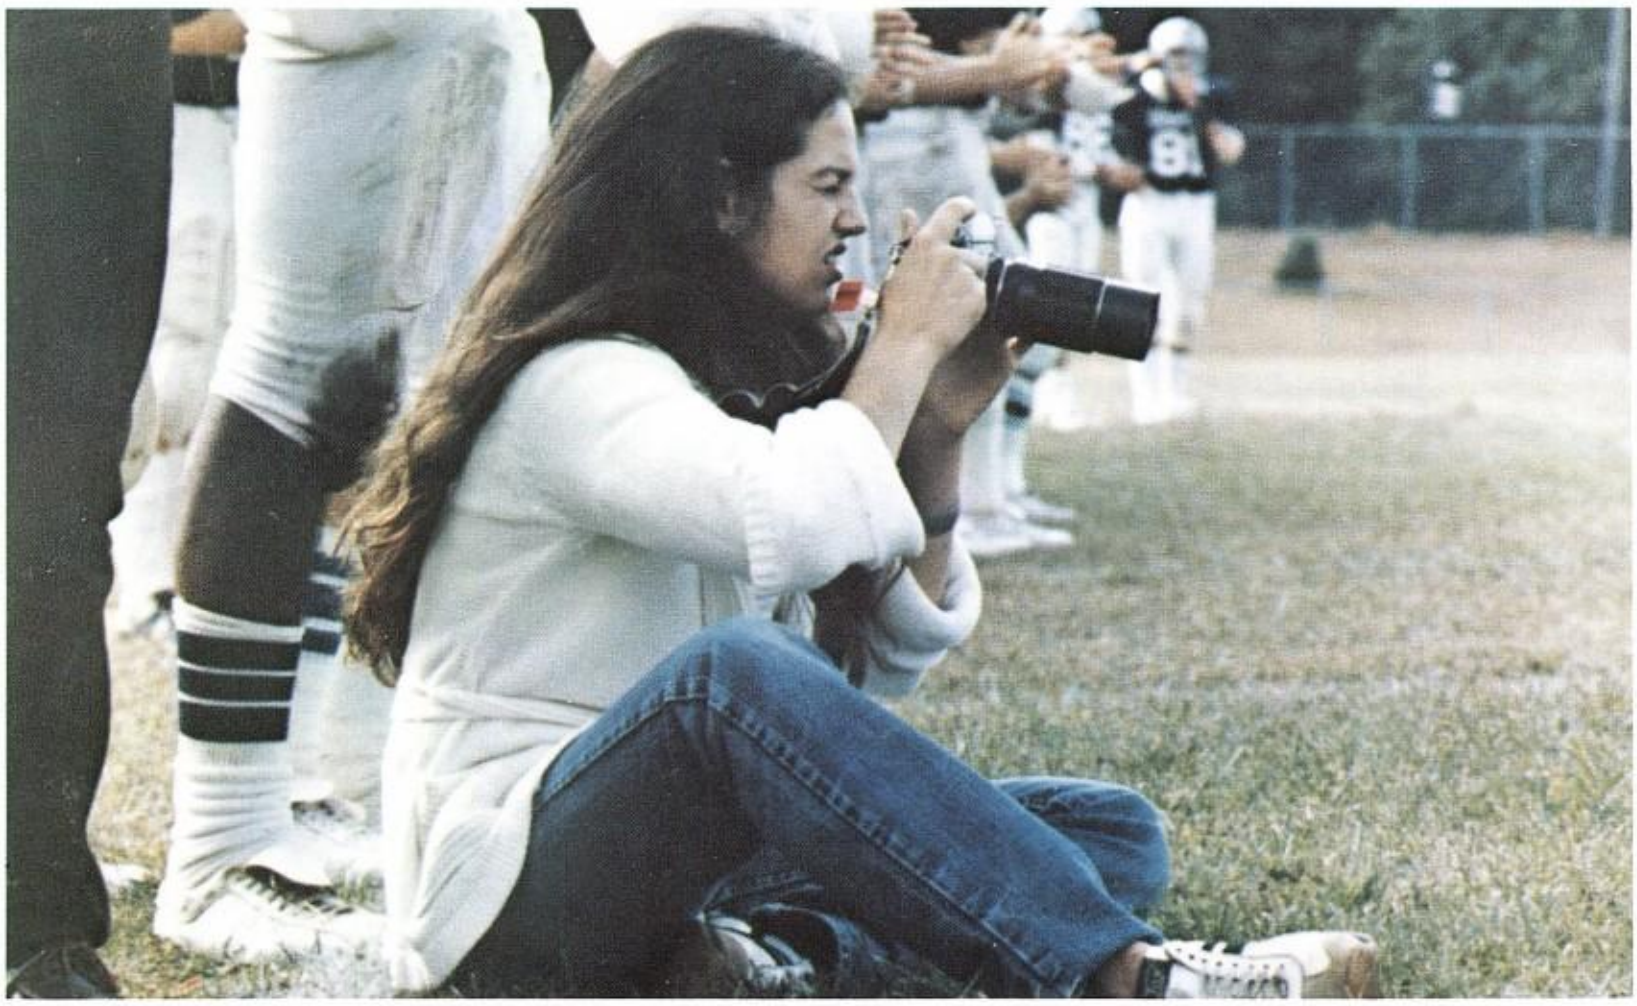
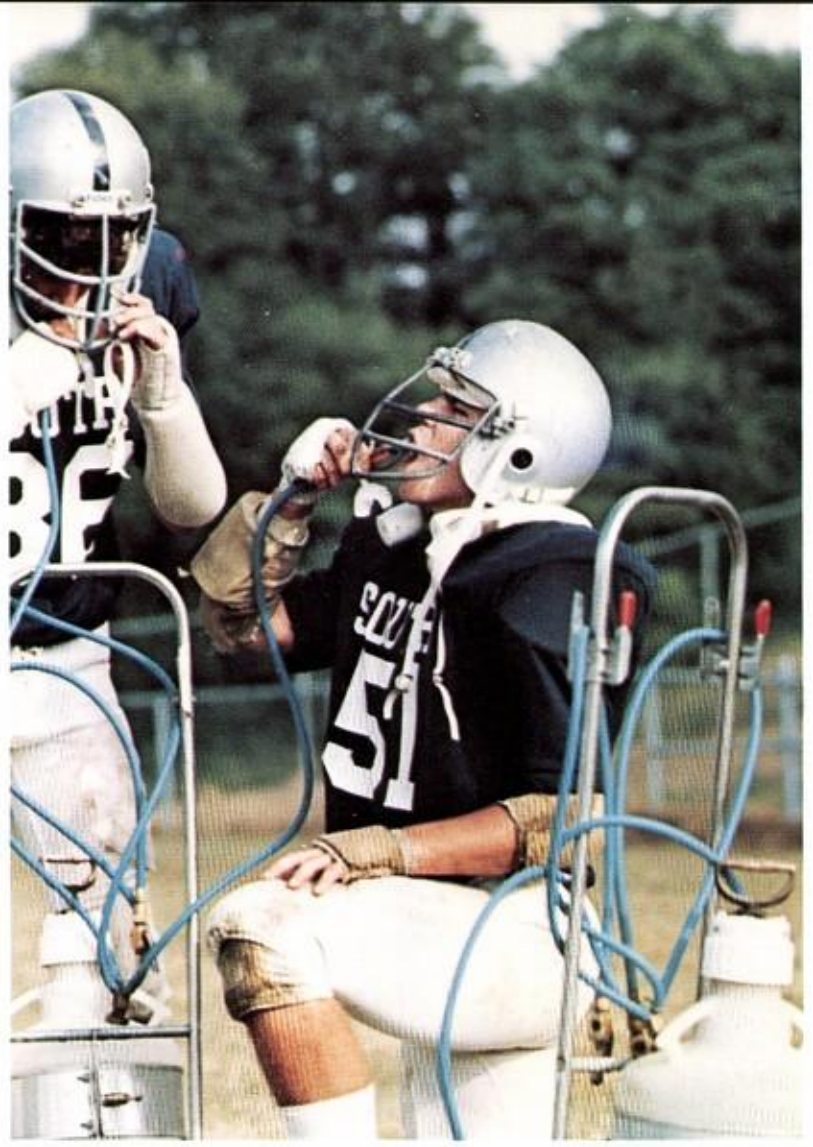
All that you

touch



All that you see

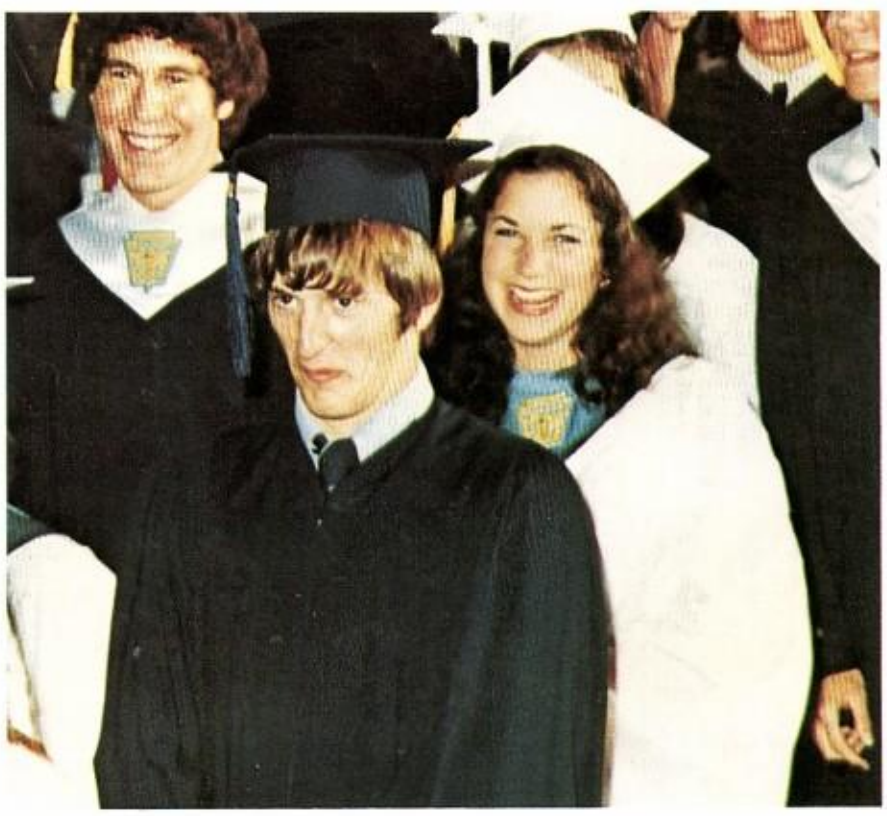
All

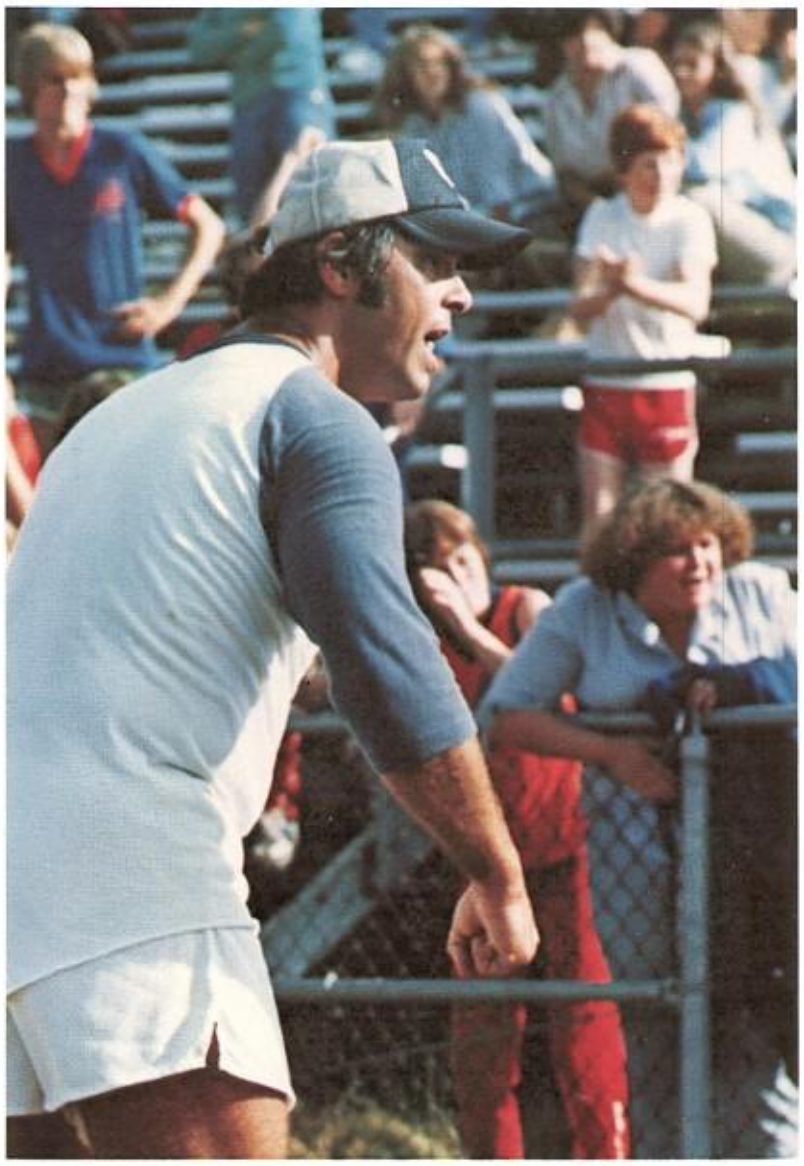


that

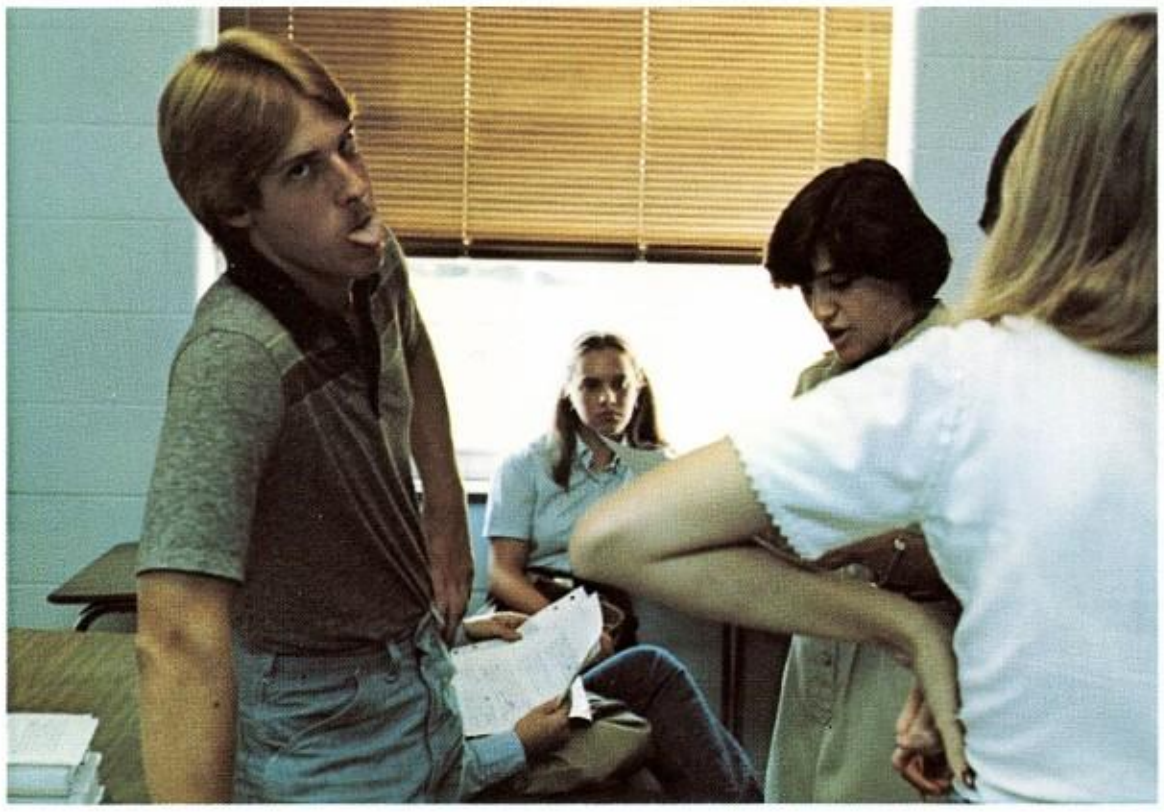
you taste

All that



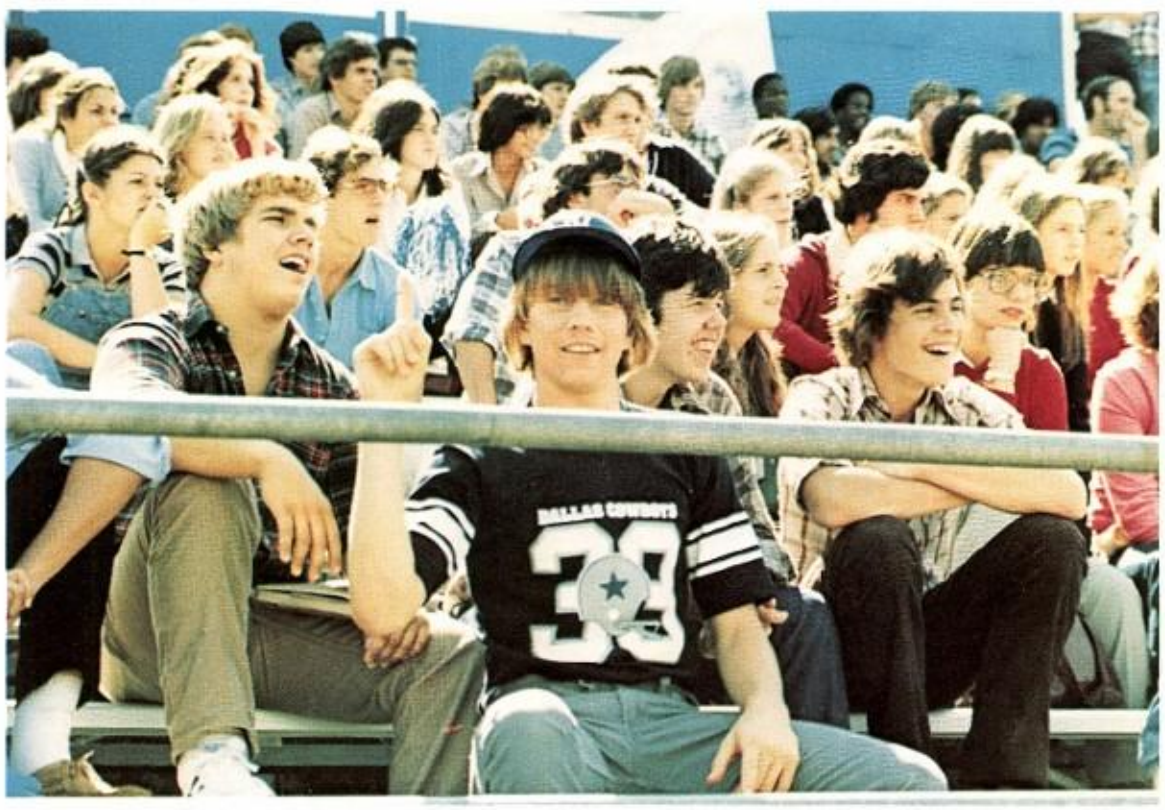


you feel



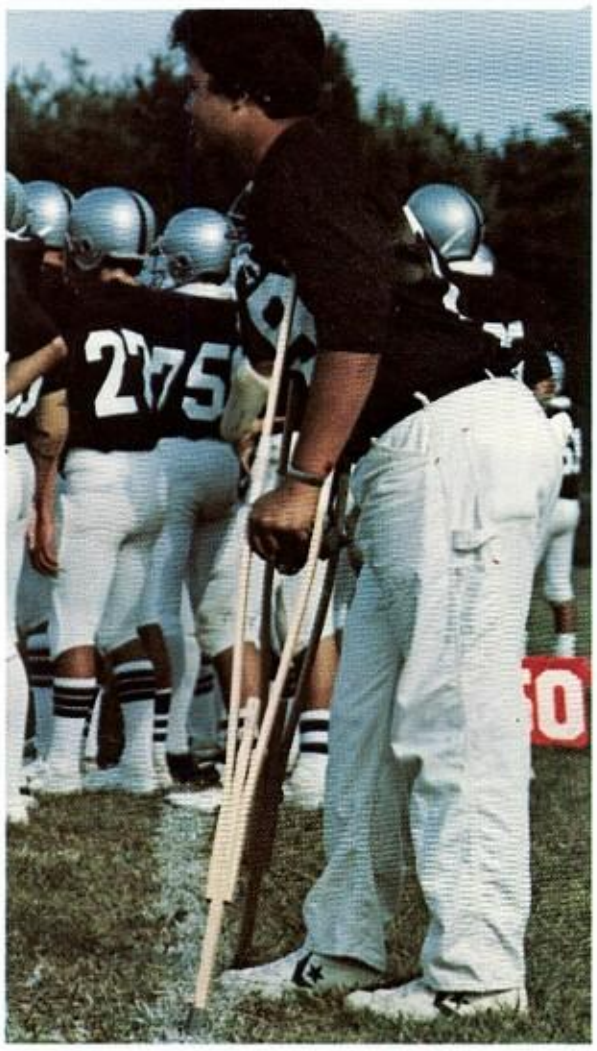
# All that you

# Love

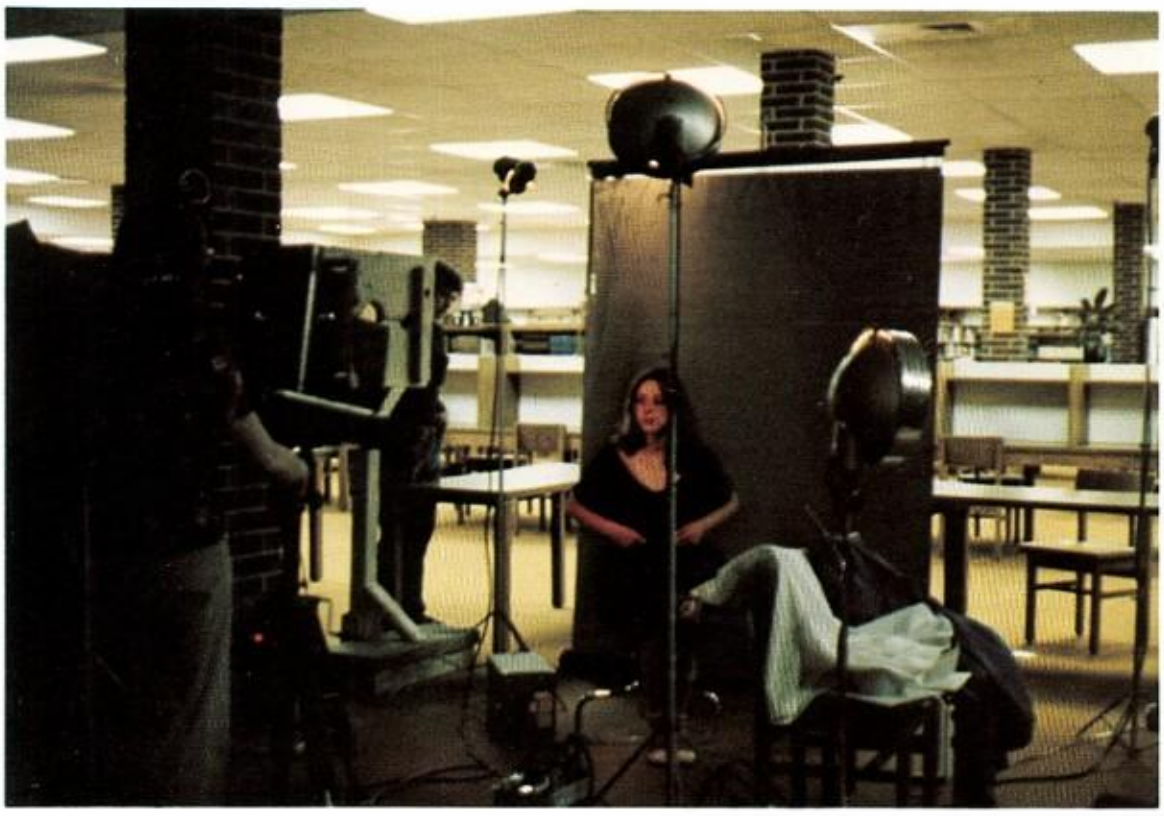


All that you hate

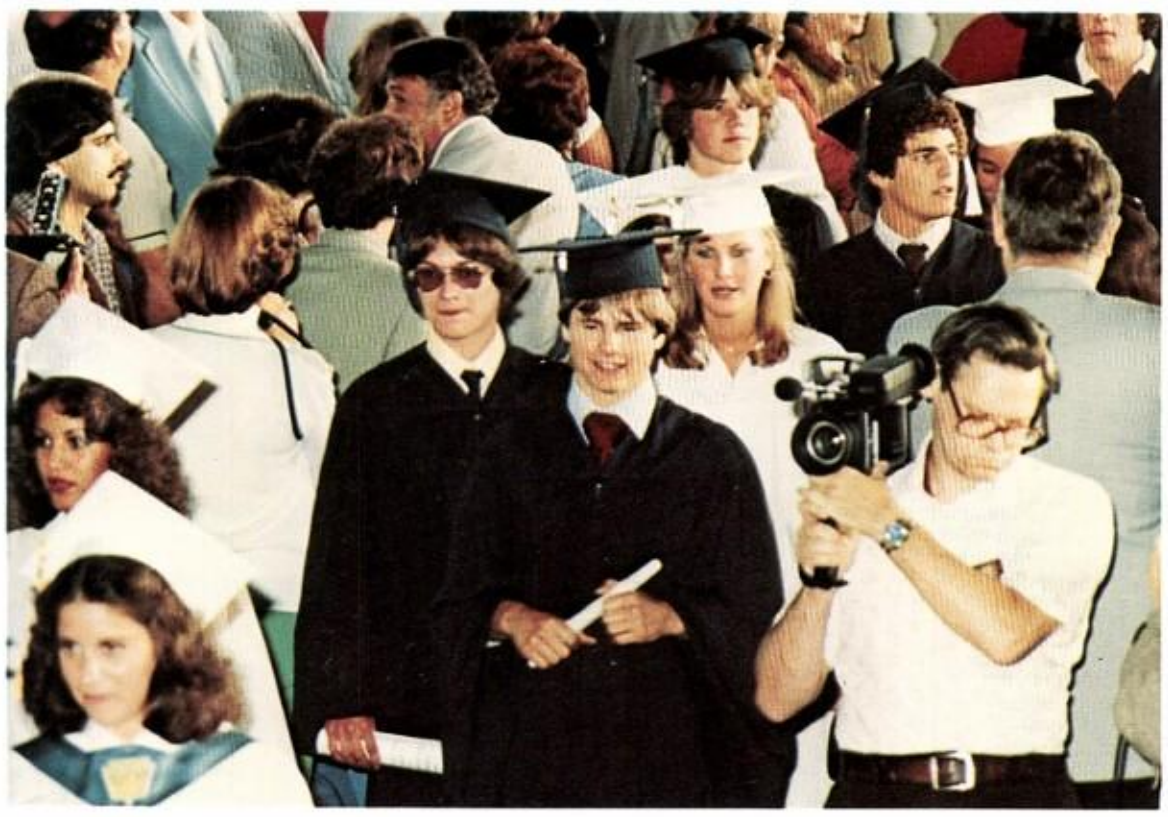
All that you distrust

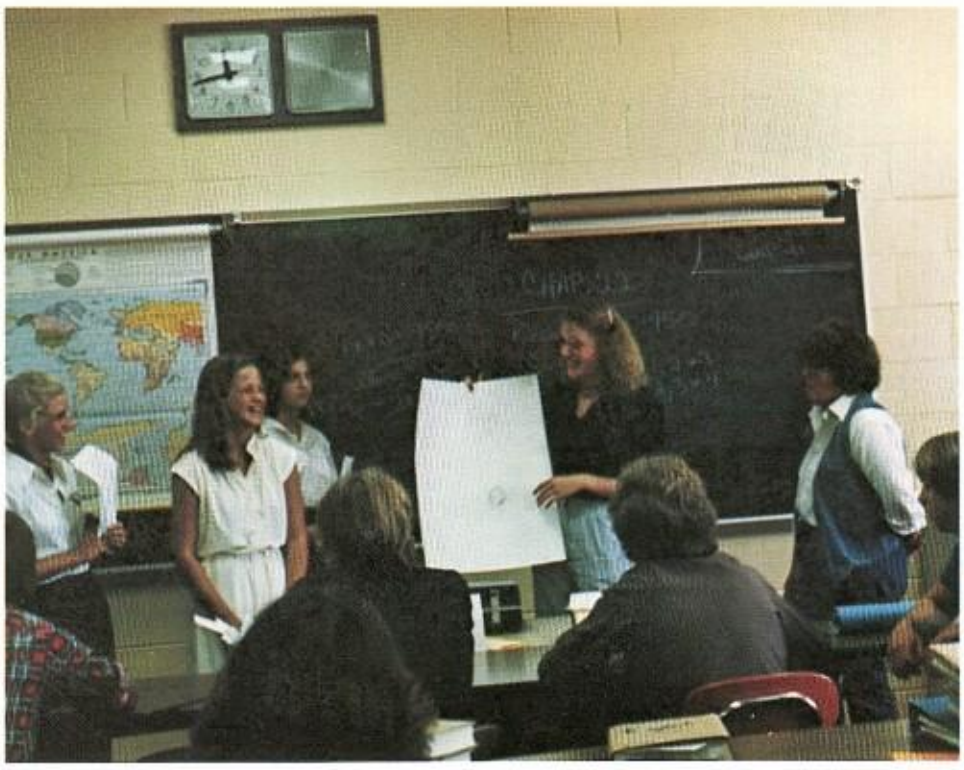


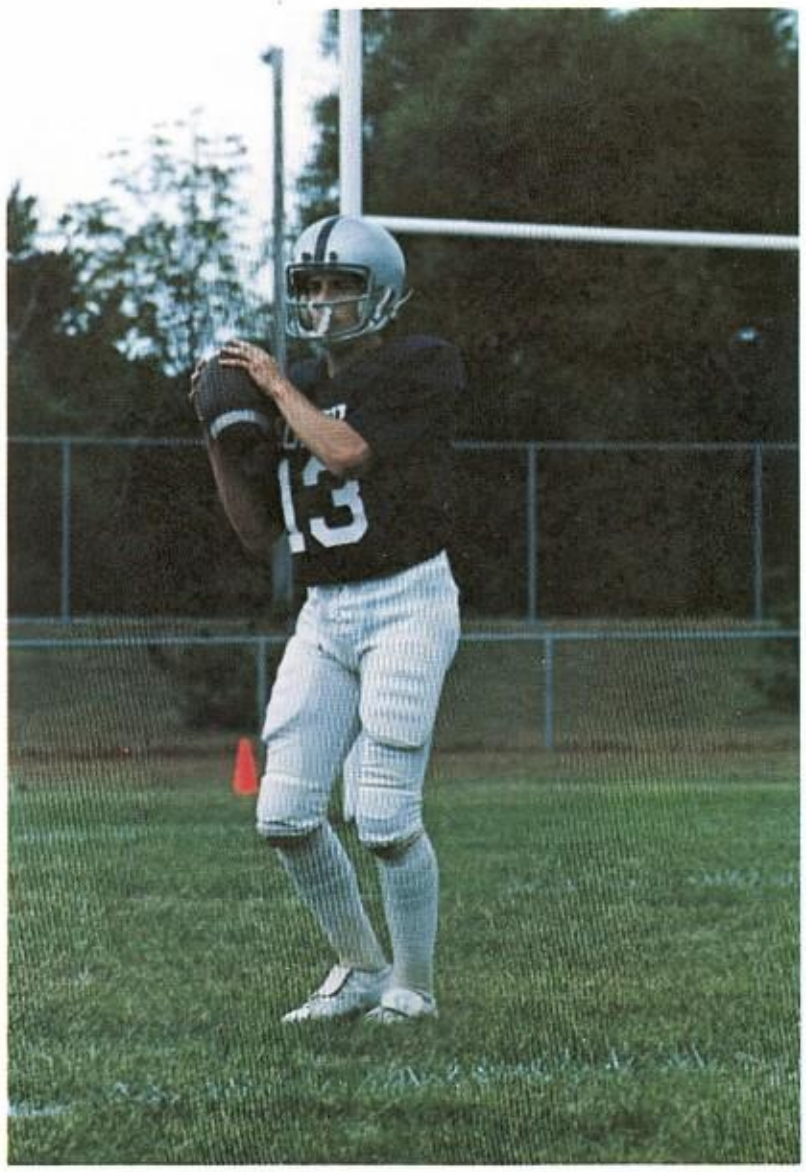
All that you



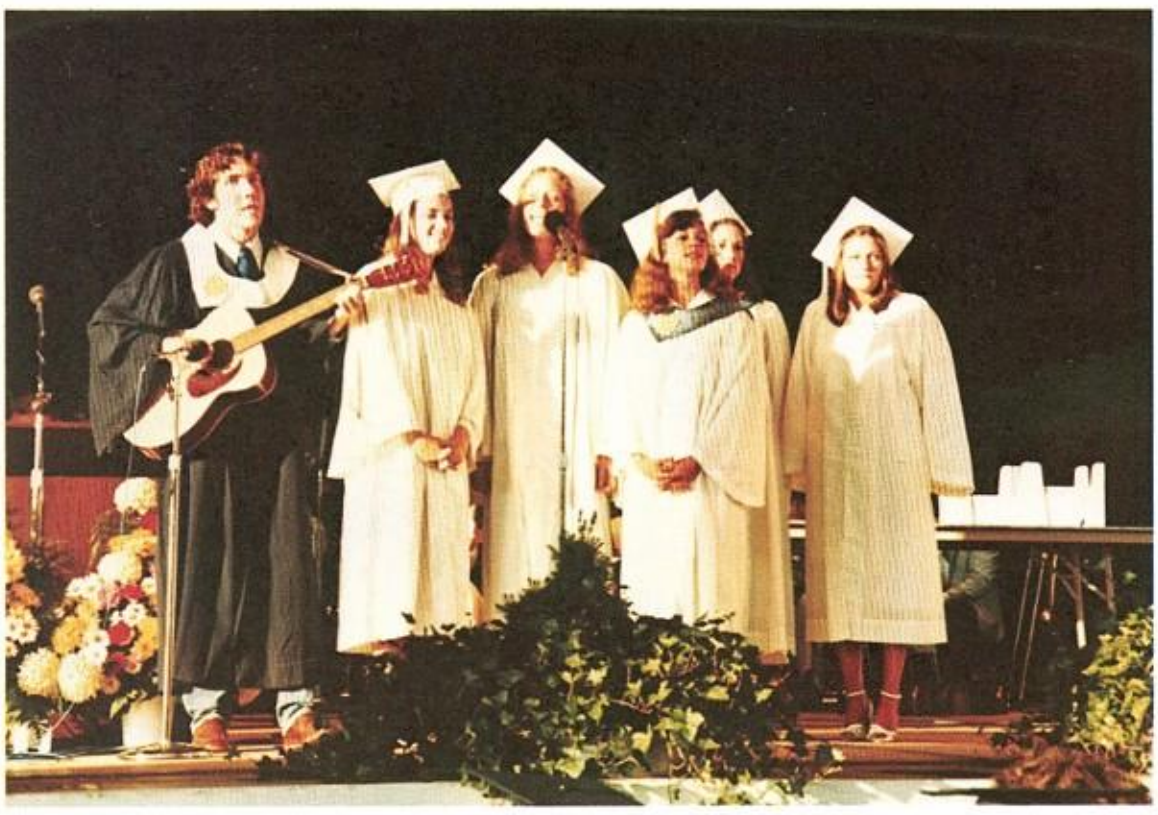
Save







All that

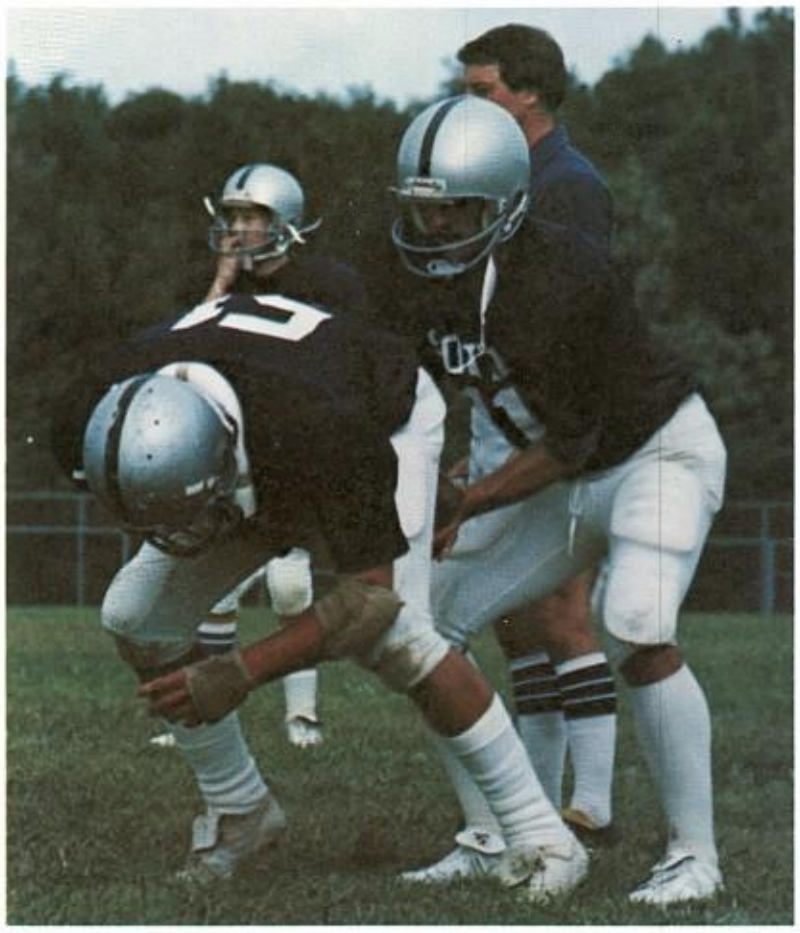


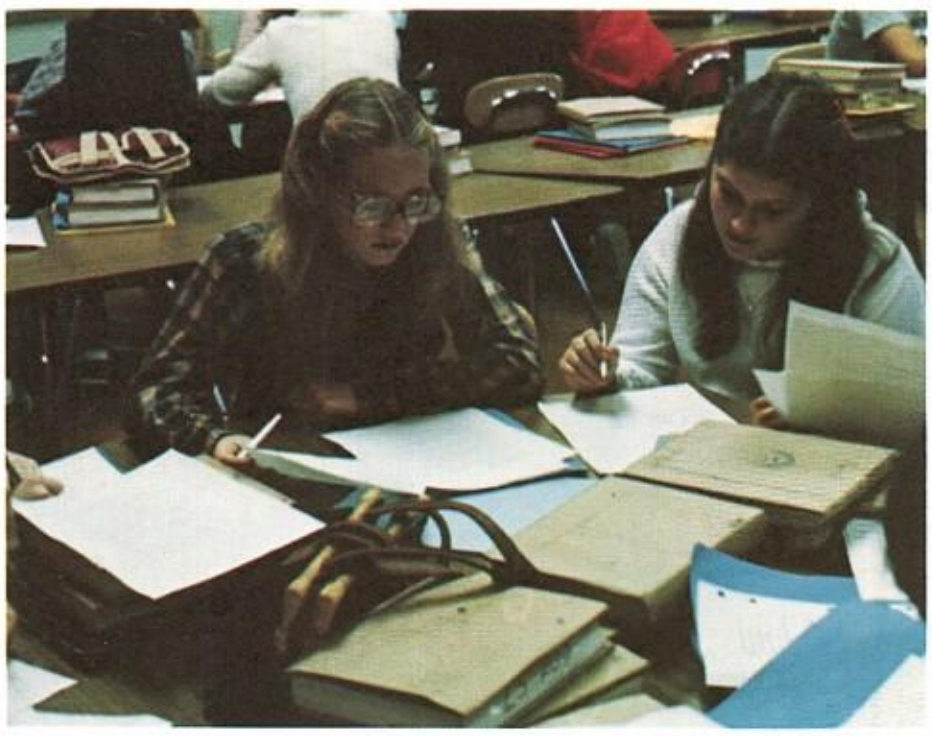
you

give

All

that





you

deal

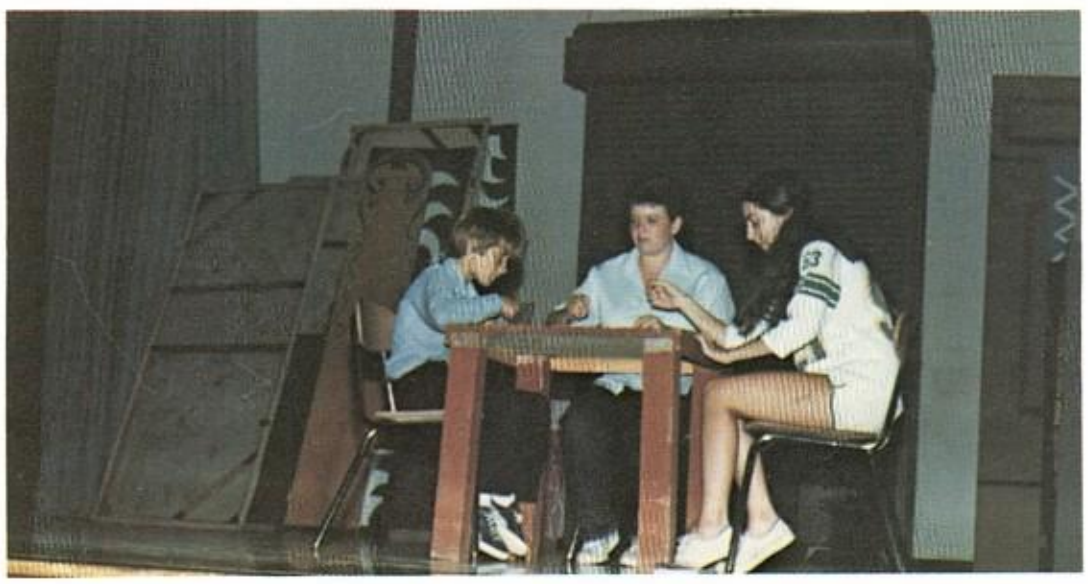
# All that you buy

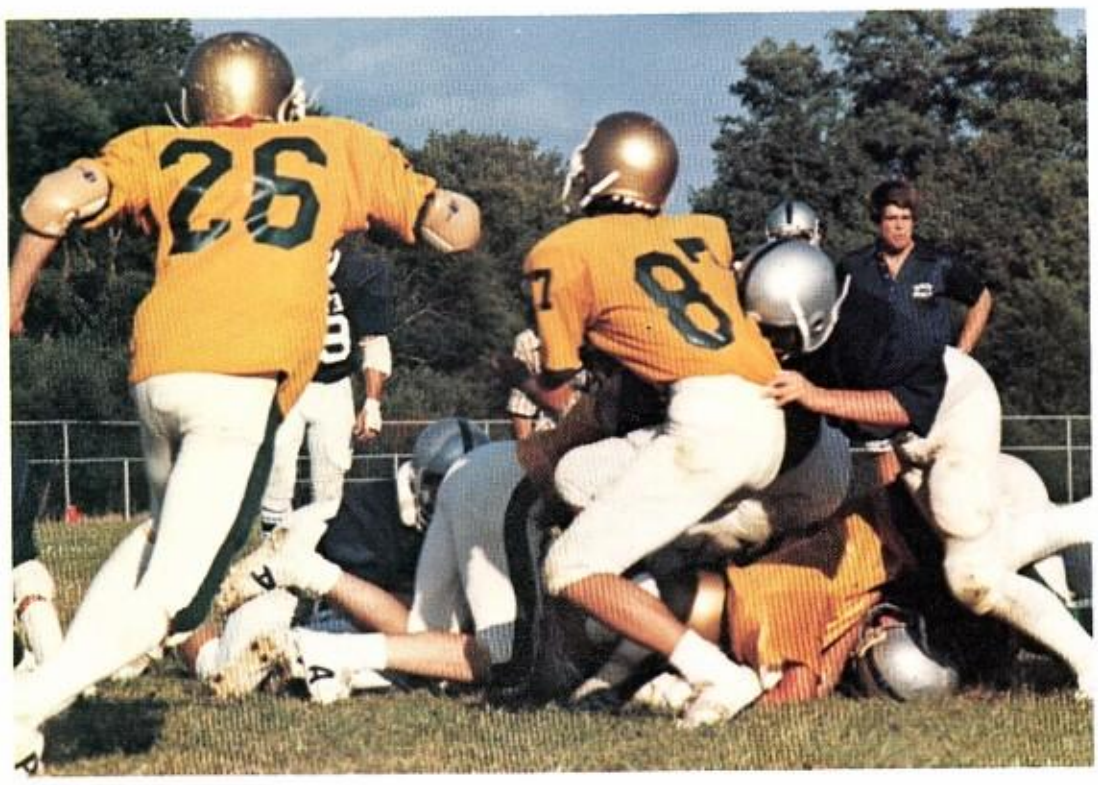
beg

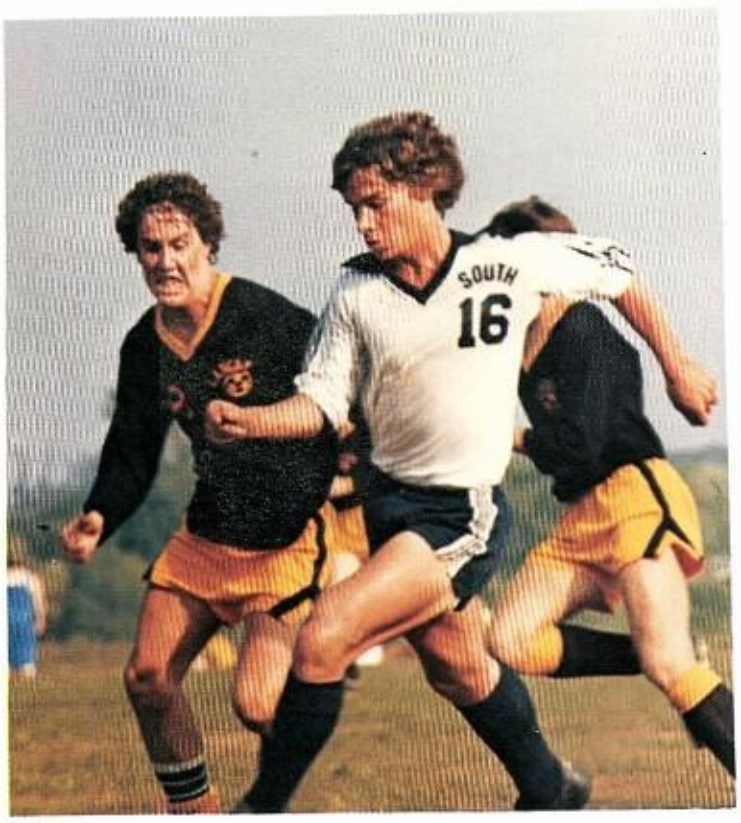
borrow

or steal

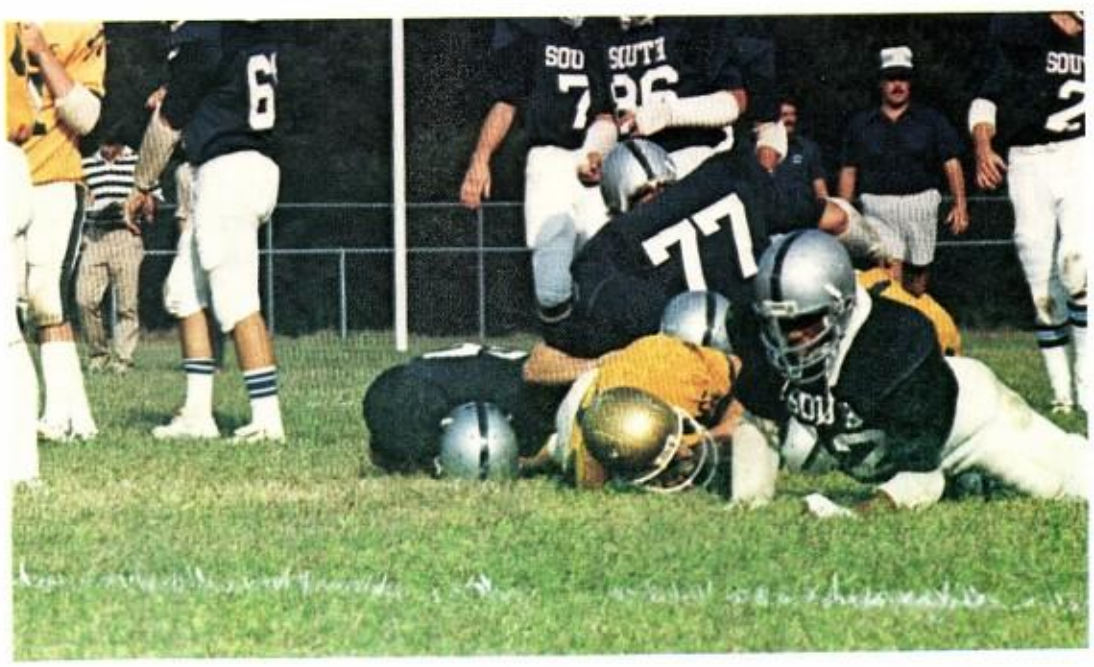
# All You Create







All
You
Destroy



All

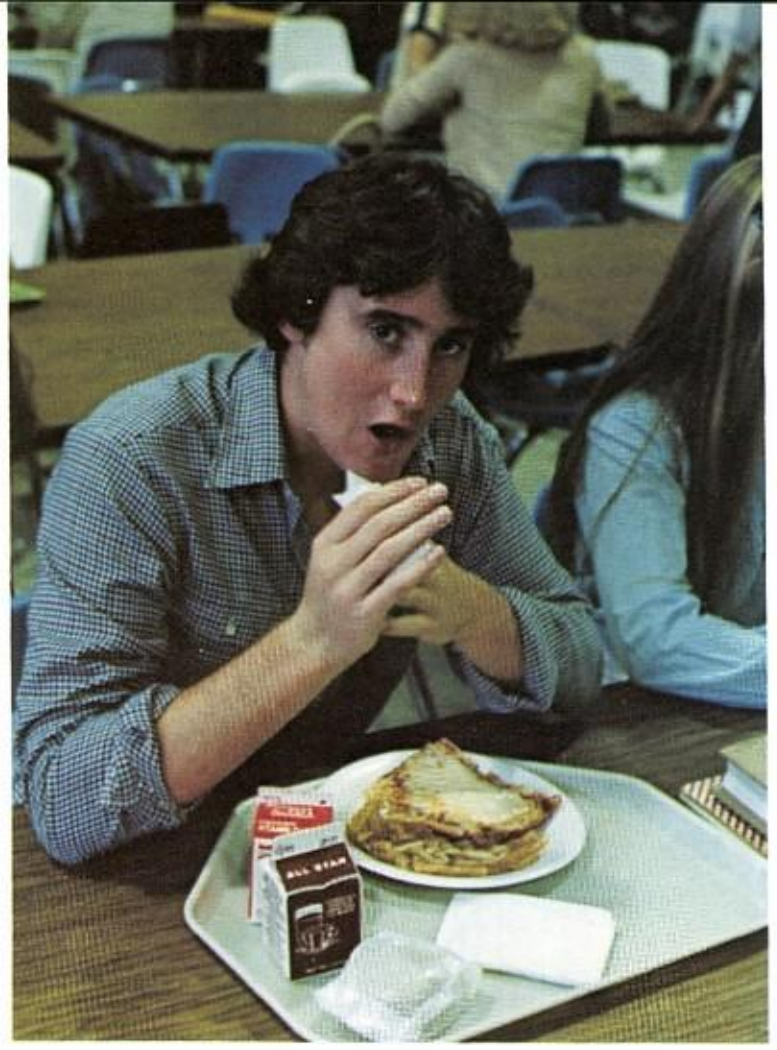
That

You Do

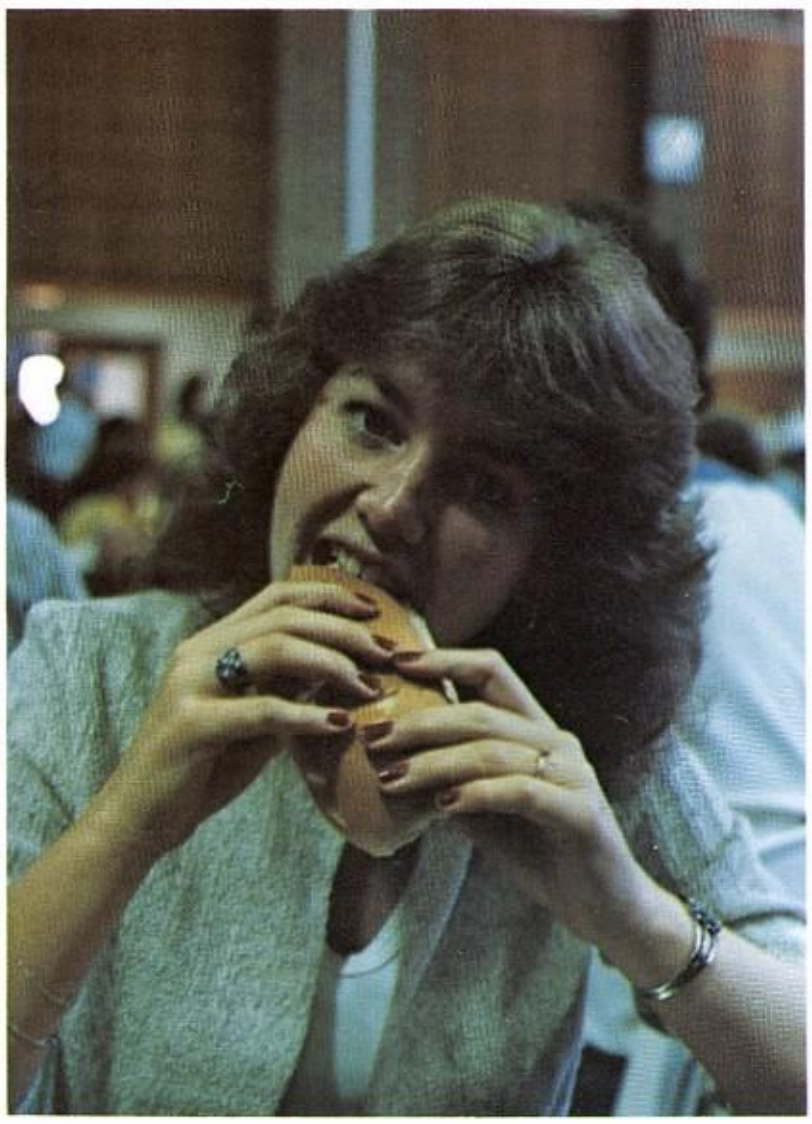
# All That

# You Say

All



That



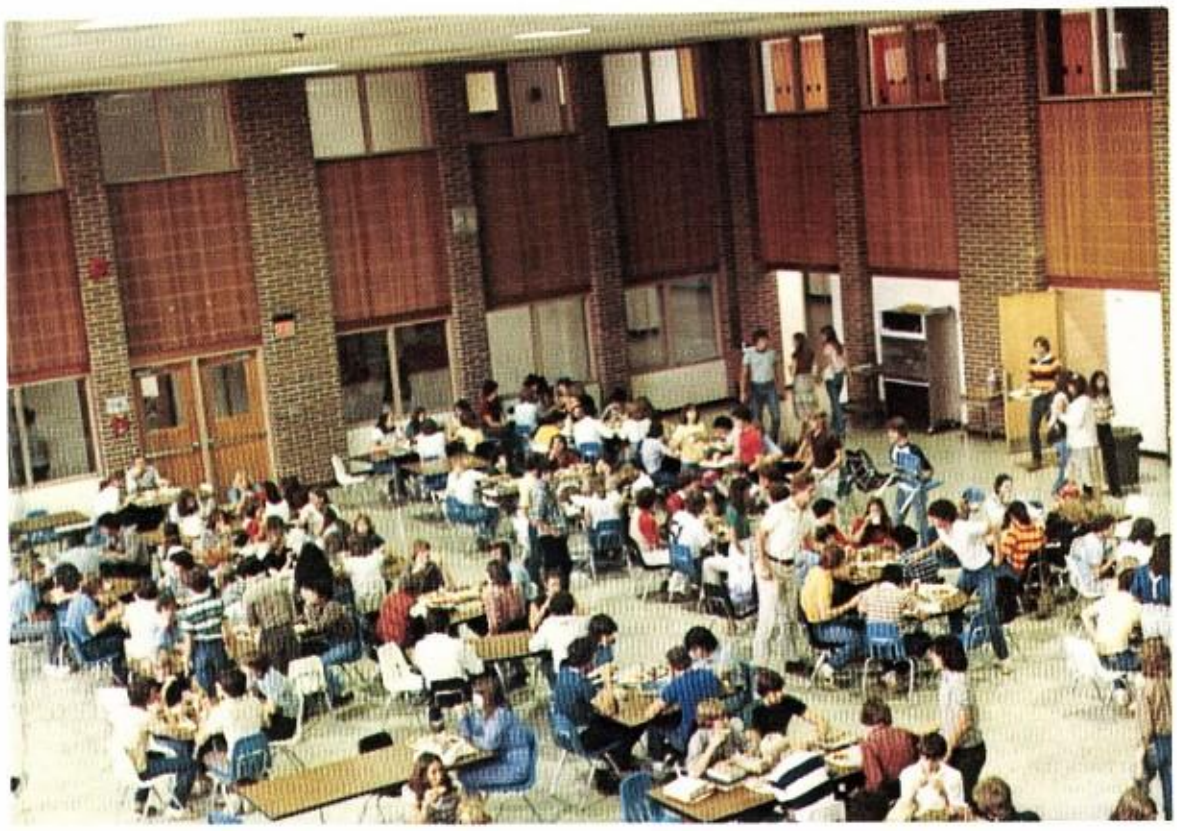
You Eat

# Everyone You Meet

All That You Slight

# Everyone You Fight

# All That Is Now



# All That Is Gone

# All That's To Come

# And Everything Under The Sun Is In Tune

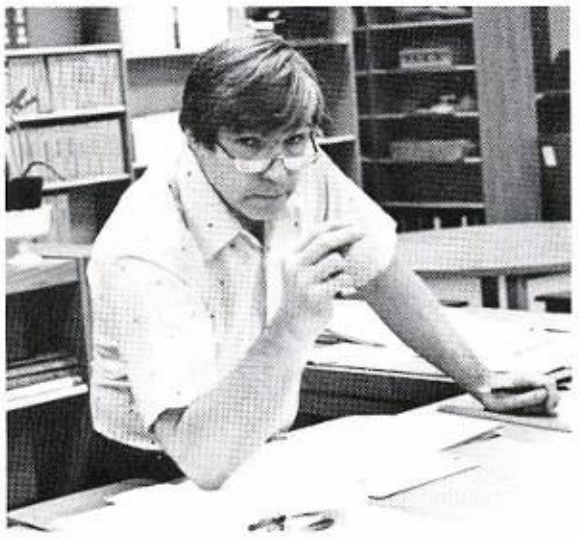
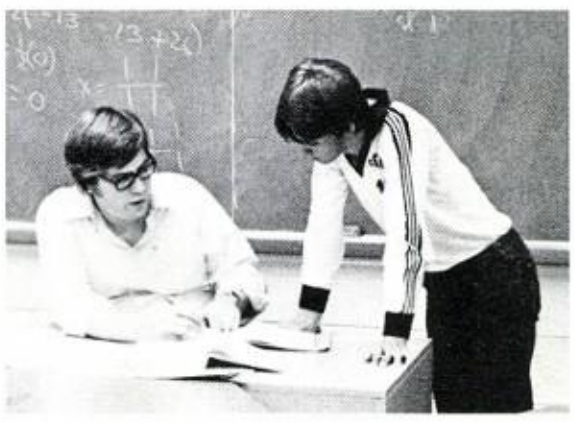
# ADMINISTRATION



# FACULTY & STAFF



# ADMINISTRATION

To educators throughout the state of New Jersey, the Thorough and Efficient Program incepted in 1976, the Graduation Committee Report of 1977, and the Adolescent Education paper of 1978 have meant "a return to the basics" for most high schools.

The state board of education received 2 sets of recommendations from the task forces that produced these papers; the establishment of stronger requirements for graduation and for basic skills testing as a prerequisite for grade promotion.

According to the graduation guidelines proposed by the task force, students are asked to share in the responsibility of their own education while being soundly advised as to graduation requirements. Recommended courses of study include four years English, 2 years of computational mathematics, 2 years of social studies and history, 1 year of science, 4 years of physical education and health, and 1 year of fine, practical, or performing arts. In order to graduate, a student must successfully pass a basic skills test, in minimal reading writing and computational skills. If a student fails the tests, remediation programs are available.

Except for the basic skills test, local school districts are encouraged to determine learning standards for their area secondary schools. These needs may vary with environment and individual circumstances. This implies that a tightly-knit set of decision-makers should function at the local level in township boards of educations and school administrations. This is one of the prime functions of Mr. Jackson, our principal, Mrs. Moreman and Mr. Dowling, our assistant administrators. They also are responsible for disciplinary action within the school. The administrative sector of MHSS is dedicated to providing a quality education and a secure productive learning opportunity for each individual student.

# FINE ARTS UNLEASHES STUDENTS' CREATIVITY

The supreme goal of the members of the Fine Arts department is to treat each student as an individual, and to know his particular needs. These teachers feel that they must show faith in their students in order for them to succeed. The excellent facilities of the department make the student feel free to experiment and learn on his own and enhance his own creativity.

Students are able to enter any of the many contest offered in this department. Middletown H.S. South won third place in the Huffman Koos contest, in which students were asked to use principles of interior decoration. Also, they may enter annual art shows and exhibit their works at the Teen Arts festival, in which there were 17 winners last year. The results of these contests show that the students of our school enjoy the useful techniques that they are learning in the Fine Arts program.

Band director Mr. Lawlor uses time tests while practicing with the band.

# FOREIGN LANGUAGE

Training in the languages of Spanish, French, Latin, German, and Russian is offered by the Foreign Language department. The members of this department try to impress upon the students the importance of self-motivation in their studies. Daily application on the part of the student is necessary in any of these courses, and fluency cannot be realized after just a few years of study.

Foreign languages are cumulative because each year of study builds upon what already has been learned. As the levels of study increase, the student develops a "feel" for the language. For this reason, levels five and six of Spanish, French, anGerman have become Honors in the course of this year. Students are able to better their writing ability through essay contests offered by surrounding universities. They may also enjoy an international atmosphere at the Foreign Language Festival each year at our school.

# ENGLISH: A BASIC FOR LIFE

The students of our school have an opportunity to chronologically develop their writing styles while they get a feel for both English and American Literature by means of the English department.

A new course offered this year is Honors English for Seniors. This, along with the other English courses, strengthens the skills and mechanics used in the writing process.

Although each teacher makes an effort to take a personal interest in his or her members of his class the English department members use different enthusiastic approaches to convey the curriculum.

These teachers feel that English is basic to any career or occupation. They are constantly processing students for a strong use of the language before graduation.

# "Learning Civic Duty"

A college-bound student may find that his background in Social Studies will be the most valuable thing he has gained in his three years at MHSS. Although the main concern of many of the courses has been the presentation of historical events, the accompanying concepts are also important influences. Information about political systems, economics, geography, map-reading and social forces help students to better understand how historical events occur, and what specific factors can trigger them.

After completion of the two years of U.S. History required for a high school graduation the student should be familiar with the U.S. Constitution, and the structure and function of our government, major points in U.S. foreign policy, the free enterprise system, and major civic matters.

The faculty of the history department also helps to train students in the art of good citizenship by staging debating sessions in class. These enable students to weigh functual evidence when making any decision, particularly in voting for political offices. The department offers information on college studies and careers in law, politics, economics and social studies.

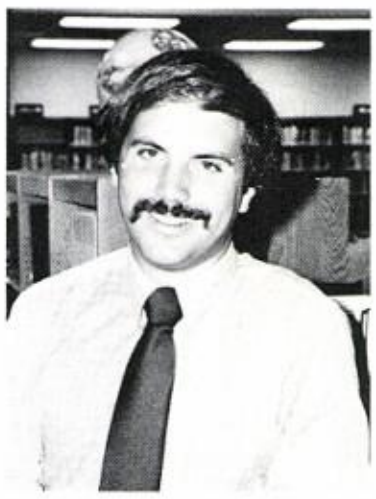
# "Co-op Program Successful"

Tamra Kirkup



Evan Chesler

Melinda Shafran

Gerald McEneny

The business department and co-op program work hand in hand to give students part-time experience in the business field before they are employed permanently. This is an advantage both for the student and his employer because of the experiences gained by the student and for the part-time work done for the employer.

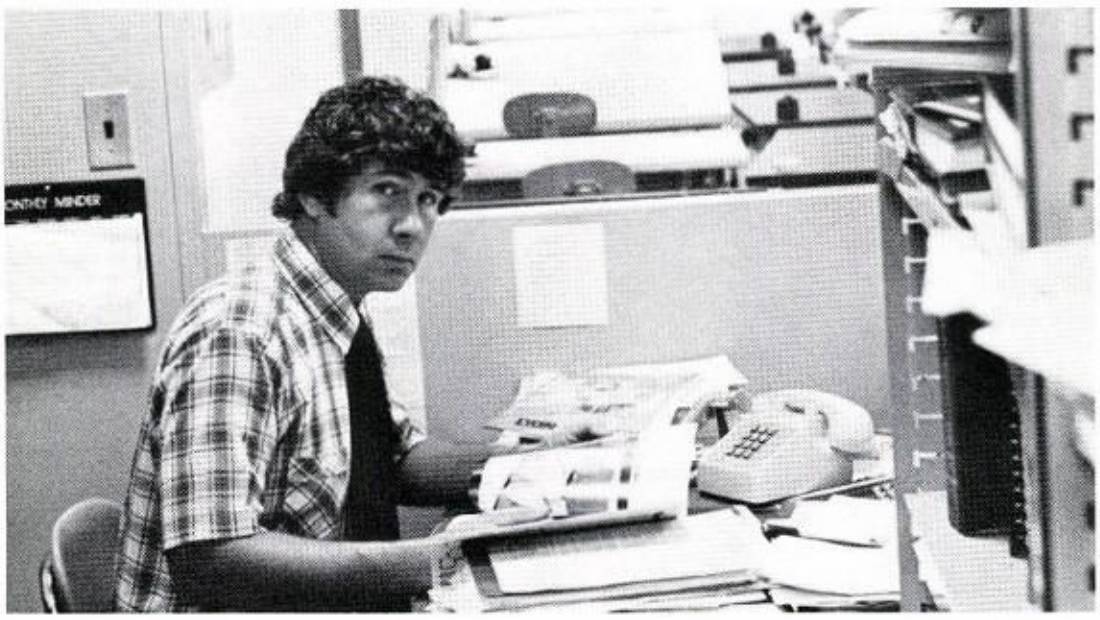
The business department also gives its students tests to determine interest in job areas as an aid in finding the right college. The department aids in the awarding of the Osborn Scholarship offered each year at graduation in this district. Other services performed for students include the securing of loans with low interest rates for car payments and other expenses.

The co-op program helps Ann Nelson (above) and Mike Morrisey (below) find happiness in today's retail businesses.

# Industrial Arts opens Future Doors

The Industrial Arts department under the direction of Carl Antisell helps give students a basic understanding of the working world. Through a balance of project assignments and personal communication students are able to learn basic skills that can be applied to future vocational and advocational employment.

Mr. Birdsell opens the world of printing and type setting to his students. Along with his paid student aids he operates Graphico, which has become an intricate part of M.H.S.S. Without the assistance of Graphico most publications, like the newapaper and literary magazine along with printed materials would become harder to complete.



Department-head Carl Antisell supplements his mechanical drawing class with new techniques.

Graphic Arts teacher William Birdsall introduces his students to the field of commercial design.

# Home Economics Helps Students to realize their potential.

Marylin McBath

Florence Stein

Also under the care of Carl Antisell are Ms. MacBeth and Mrs. Stein who teach Home Economics. Through the courses entitled Foods and Sewing students begin to realize that each person is an individual in their own right. Through guidance from Ms. MacBeth and Mrs. Stein and help from their fellow students each student is able to achieve his or her best. Ms. MacBeth feels the main thing she hopes her students will learn are responsibility and pride.

Mrs. Stein's Food Course is a favorite of the school. The good smells that come from that area of the school along with the memorable Middle States Luncheons and the Annual December Holiday Teacher's Luncheon cause most Students and Staff members to salivate.

Careful classroom instruction is essential even in a class teaching culinary arts.

Marylin McBath reflects the seriousness of Home Economics studies.

# Science Solves the $\Delta$ H = mc$\Delta$t Connection

William McCormack

The Science Curriculum this year offers solid foundation courses in biology, chemistry, physics, as well as advanced studies of these subjects. In addition to classical scientific courses, a new and innovative course, Marine Science is offered. In this course, students learn about the marine environment through such concepts as the food chain, bioconcentration, and estuary studies. The class content has been expanded, but still has far to go. Several boating trips have been planned to investigate land use near Sandy Hook and Atlantic City.

The faculty members of the department have been concerned with their fields of science as well as teaching. Lida Phillips has published several articles, plus William McCormack and William Harding have served on committees for environmental protection.

William Harding

Mr. Harding faces every class with a new outlook.

# "Opportunities to Advance"

The mathematics department at South is one of the few in which students can take very advanced courses without necessarily taking all of the preceeding courses. For example, with special permission, a student may "double" up on his math course load in order to get as many as 6 years of math during his high school. This is a great opportunity for students pursuing a technical career.

The course contents have been restructured to focus on solving real life problems, such as word problems dealing with investments, profits, and motion. A computer program business course, has been added, to introduce students to computer technology.

The faculty members of the math department showed a tremendous amount of school spirit, especially for "the almost anything goes" marathon in the spring. Three teachers coach school sports and five others advise school clubs. They believe in advising students in a social as well as scholastic manner by participating in extracurricular activities.

# Sound in Mind and Body

Fitness and health are the concerns of the physical education department. Since mental well-being depends on one's physical health, a regular daily activity is needed for a productive and enjoyable life. New Jersey law requires students to take physical education and health throughout their years in high school for this reason.

Physical education does not only condition the body but prepares the student for future life experiences. Students learn the value of team work, self motivation, and to push their limitation farther and farther. They also learn the playing skills to enjoy a sport as a pastime for the rest of their lives.

For students planning a professional career in sports, the department contacts colleges to secure full athletic scholarship for promising athletes in all sports. Many faculty members are familiar with a student's performance on school teams they have coached as well as in class. They can guide students to a field best suited to their individual talents and ambitions.

The offensive team takes a seat on the bench.

# Planning Futures

Students may seek help in developing their college or career goals by consulting the guidance departments. The facilities available in the Resource Center for student research include College and Business School catalogues, financial aid information, and descriptions of different professions. Several speakers from local businesses, industries, and universities regularly visit MHSS throughout the year. In the Spring, Career Day and College Night is held where exhibits instruct Juniors and their parents on how to choose a college, and apply for admission.

Mr. Bailey and the other counselors have set up college seminars held during school hours for seniors. Helping students to complete high school successfully, and be well-prepared for their chosen goals is one of the main functions of the Guidance Department.

To graduate a Senior must have taken two years of U.S. History, four years of English, two years of Mathematics, four years of Physical Education and several other courses of his own choosing. College-bound students usually take those courses in the sciences or foreign languages. If a vocational career is a student's goal, the guidance department may direct the student to more practical courses, such as drafting or graphics. Regardless of the student's career choice, the guidance department can serve his needs.

Clair Bailey

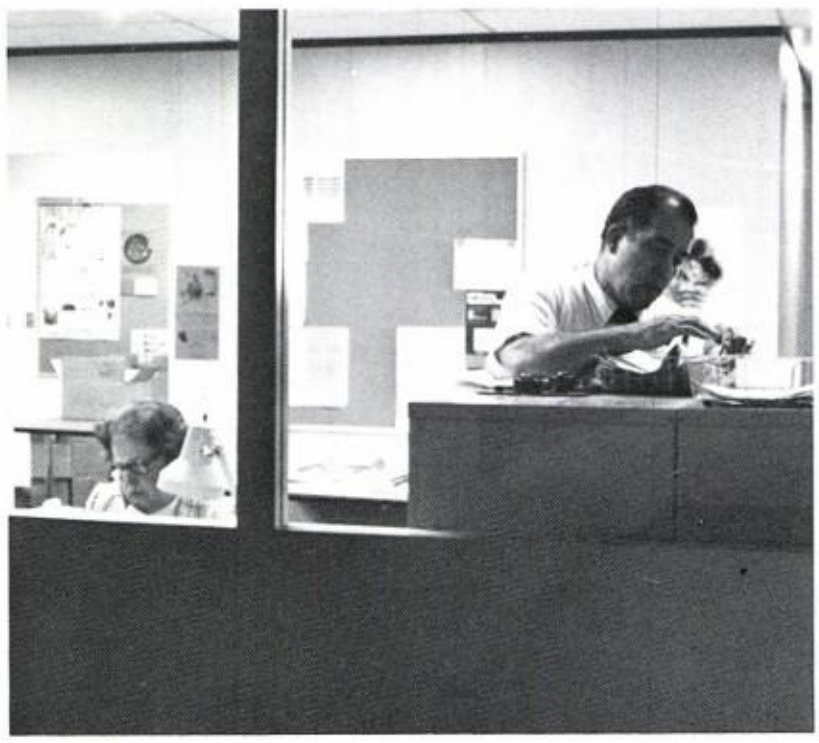
Mr. Bailey can usually be found counseling a student about scheduling or college during his hectic day.

Mr. Houston announces the "play by play" from the observation box on the football field.



Mr. Serenska and Mrs. White prepare the guidance office for students use by updating files.

# OUR INDISPENSABLE STAFF

The secretaries sponsor a secretarial field class of semi-skilled students in a secretarial curriculum. Through part-time work, candidates can get clerical and office practice experience, learn office routines, and get a valuable insight into the secretarial field. Eligible students are interviewed by guidance counselors from the local high schools and vocational schools. It is undoubtedly valuable to have actual working experience as a secretary when applying for a full-time job. The program is an excellent way for a student to attain this.

The secretaries are also involved in the school activities of M.H.S.S. their help is evident in the typed programs for school plays, and their attendance at school functions. Without their help things just wouldn't get done.

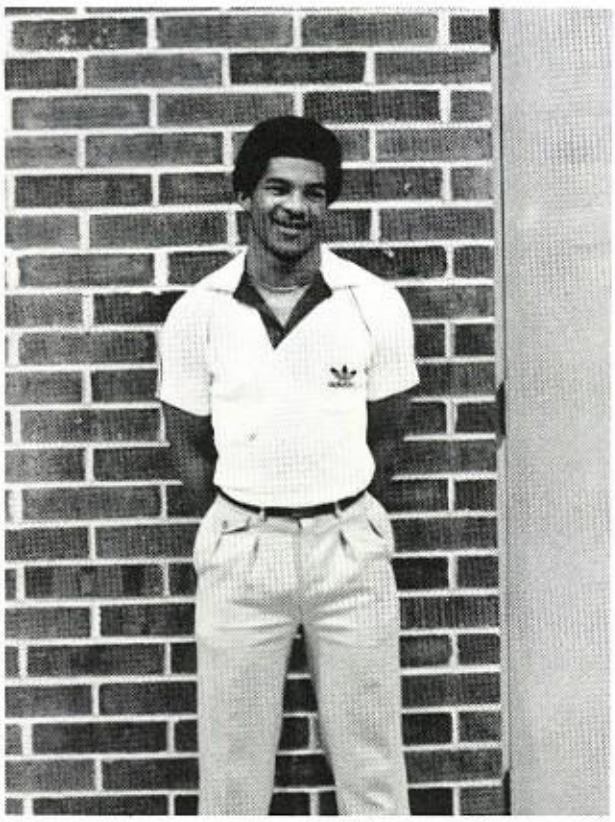
# STUDENT COUNCIL



Steve Brown

This year's Student Council officers are President — Steve Brown, Vice Presidents — David Kelly and Kevin O'Brien, Recording Secretary — Joanne Sachs, Treasurer — Caroll Severinsen and the Representatives to the Board of Education — Sue Murdock and Hal Lescinsky. These people unite to provide as many varied activities for the entire school population and to voice student opinion to the administration when needed. The job of an officer is a hard one that requires many hours of work after school.

Our officers are active all year long. Their activities this year include Halloween Costume Parade, working with Seniors on the Homecoming Float, the Bonfire before the Turkey Day game, Homecoming Dance featuring Bystander, a Racquetball Party, Card Party and Fashion Show, and Student Hosts for the Middle States Evaluation. Mr. Matson working with Miss Halpin would like to see a Senior Class Trip co-sponsored by Student Council and the senior class.

Mr. Matson enjoyed working with such a fine group of officers and hopes next year will be just as productive. His goals for next year include more activities, and greater student involvement and floats representing ALL classes for The Homecoming. It's a hard job but this year's Student Council is on the right road.

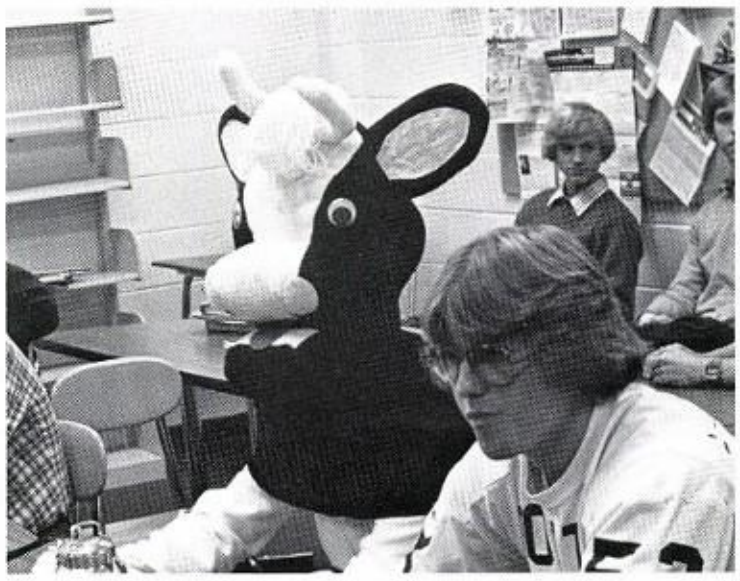
# DRESS DOWN DAY?

Most people wonder "Why we dress up on Dress Down Day?" — but at M.H.S.S. that's the way we celebrate Halloween! This day has become part of a tradition shared by faculty and students to let their hair down and show their hidden selves. It's with the combined support of both that helped to make this year's Dress Down Day a tremendous success!

Organized by the Student Council and helped by the Senior and Junior Class Officers, students paraded through the halls during period 7 and finally met in the Southside Theatre where the judging took place. This year's 3 judges were Ms. Halpin, Mr. Havet, and Mrs. Skolnick. After conferring with each other they, with much difficulty, picked winners in 7 categories. Most Original — Lauren Bruckner; Scariest — Wally Hertenstein; Funniest — Cherie Hall; Best Couple — Joe Flanagan and Jim Murray; Ugliest — Mary Kelley; Truest to Character — Ray Betances and Faculty — Mrs. Coffey, Mrs. Evans and Mrs. Taglietta.

We're cardboard and don't melt at all!

Where's the poddy?



Moooo is the wrong answer!

Full of Snap! Crackle! and Pop!

# FASHION SHOW/CARD PARTY 1980

The annual Fashion Show/Card Party 1980 was a lot of fun for all who attended and participated. Vincent Brand, president of the '80 Student Council, was the M.C. for the evening. Many students helped make the evening enjoyable by modeling clothes from local stores.

Following the show parents enjoyed many different card games as they waited eagerly to find out if they had won any of the door prizes, which were donated by local merchants. They were also able to taste many delicious desserts throughout the evening, which were prepared by the Student Council Officers and active members.

The behind-the-scene planning of the fashion show must be exacting and complete.

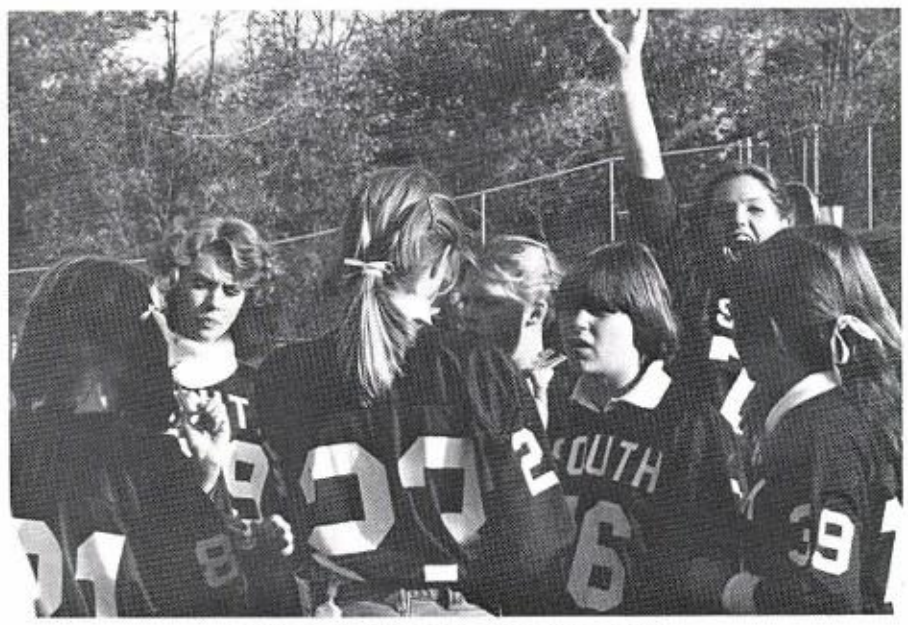
Anne Bower, Mary Hunt and Sharyce Persson model the season's newest spring looks.

Formal wear is shown off.

Vinnie Brand enjoys the view as M.C.

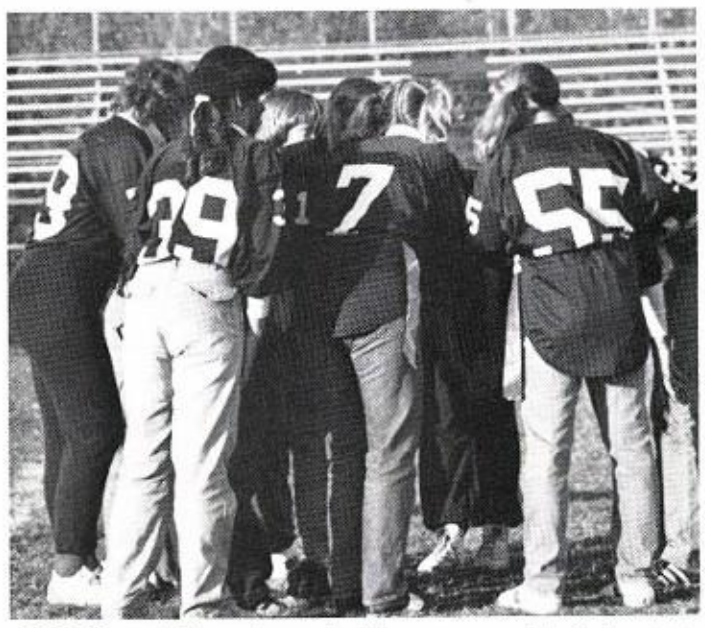
# ARE JUNIORS AND SENIORS EQUAL?

This year's 5th Annual Powderpuff Game took place on Thursday, October 30. The rivalry between our Seniors, under the leadership of Mr. Kusik and Paul Haliotis, and our Juniors, led by Mr. Walker and Chuck Wickley, was strong. Both teams practiced hard to prepare themselves for the game. The teams were evenly matched which was evident in the final score . . . **8-8**



Senior excitement before the game.

Mandy Markly looks for a hole as the Seniors try to fight their way through the Juniors tough defense.



O.K. Guys, let's pull our double, wammy, laterial sweep.

Oú la la sasson.

Simon says, oops #5 you're out.

The Seniors get tough as #23 Sheila Walk fades back to pass.

The Juniors await an important decision.

The Juniors became intense as the passing game opened up.

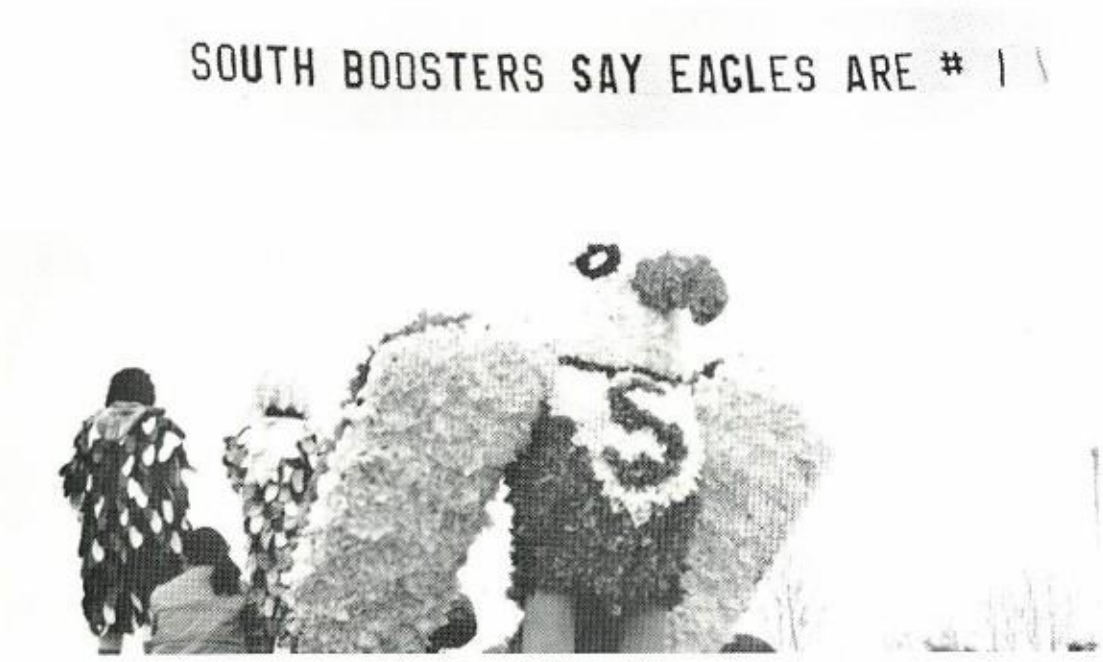
Umph!

#11 strives to make a touchdown.

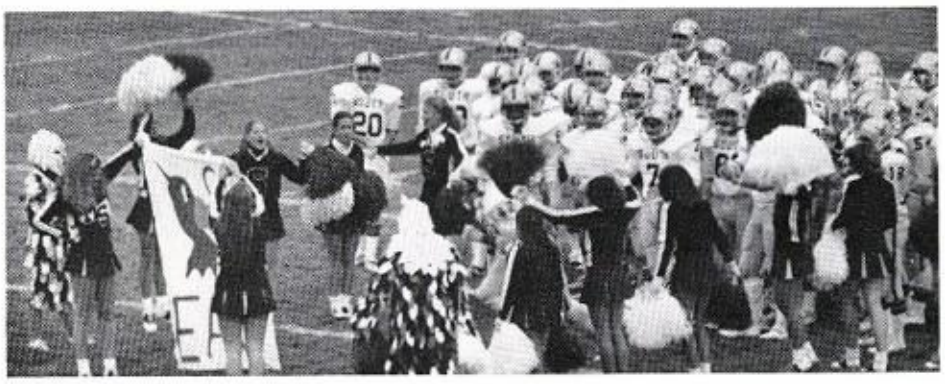
A strong point of the Seniors was their ability to handle the ball.

The Juniors are not satisfied with just one tag.

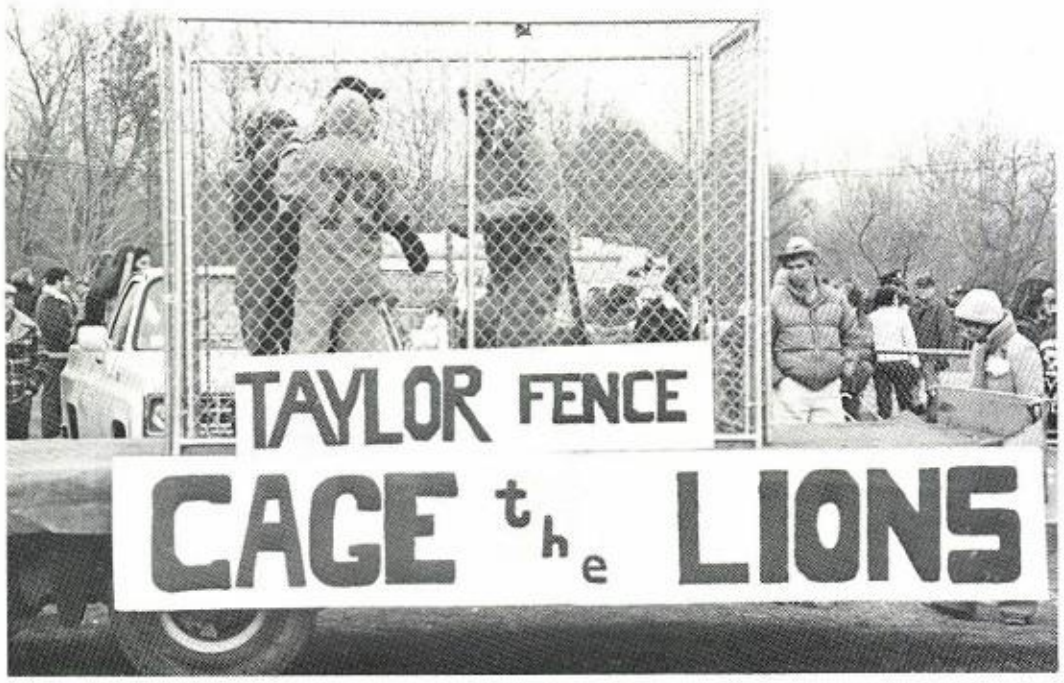
# HOME



Our mighty Eagle



Go Eagles!



Can we really do it?

Cold!

The game's not over yet!

# COMING

Bystander

Homecoming at M.H.S.S. isn't just one event — it is a combination of events that involve many clubs and groups in our school. Starting on Wednesday the Juniors were delivering and selling corsages while the Cheerleaders prepared for their Pep Rally after period 7. On Thursday we all went to the big game between the Eagles and Lions that ended in a tie. Half time floats were enjoyed by all. The floats showed the hard work the Student Council, Seniors, Juniors and Sophomores put into it. The culmination of the Homecoming Celebration was Friday night a dance was held in the Commons sponsored by the Student Council. Everyone enjoyed dancing to the music of Bystander. The evening was a complete success.

You want me to talk?

Nice going Danielle

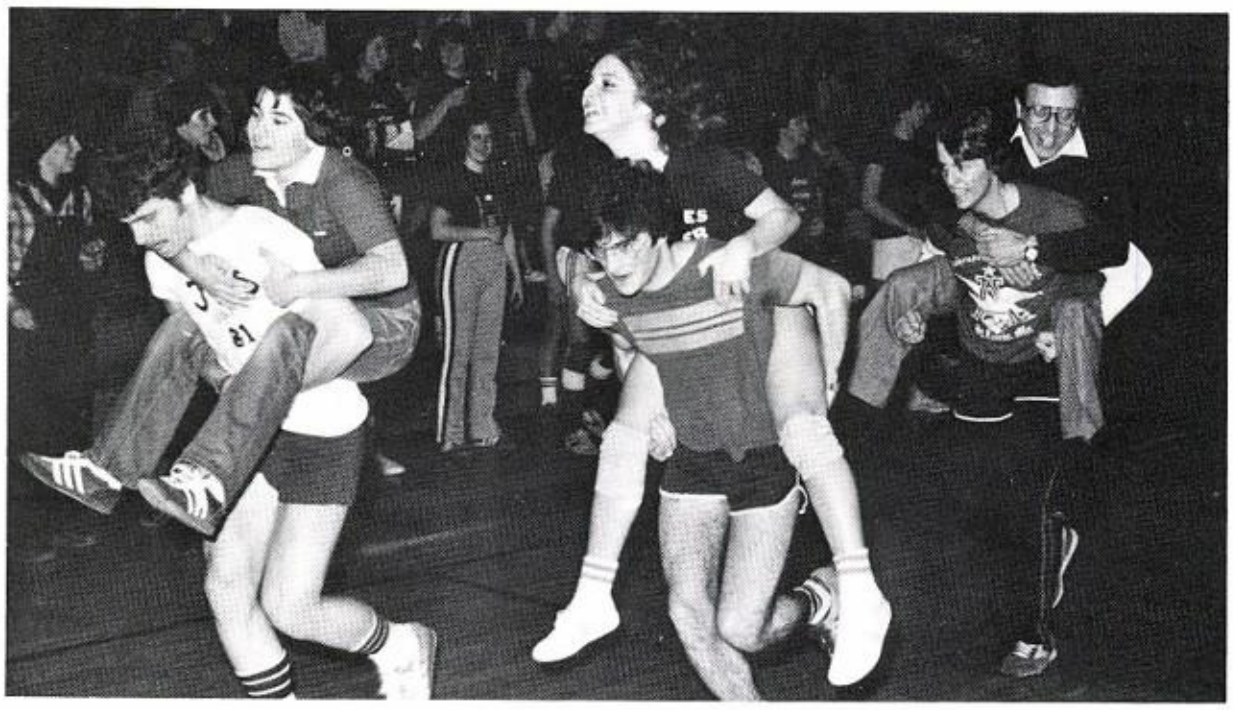
King Brown, Queen Furey

Everyone danced the night away.

# NIGHT OF ANTICS AT ALMOST ANYTHING GOES

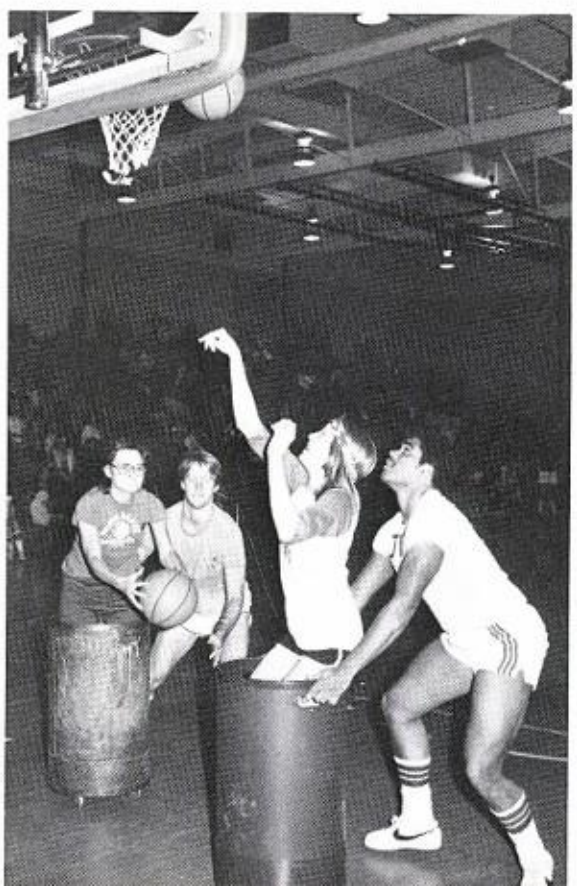
On Friday night, February 15, the annual Almost Anything Goes was staged in the gymnasium. This activity, sponsored by the Junior Class, was as successful as it was the previous year. Faculty members and the student participants seemed to enjoy performing their own antics even more than the spectators enjoyed watching them. Teams were composed of seniors, junior, sophomore, and faculty groups. Once again the seniors placed first, with the juniors following closely, the faculty taking third, and the sophomores falling in last. Team members participated in these events: the pie eating contest, the dolly pull, the obstacle race, the human pyramid, and others. This enjoyable evening was the result of much planning on the part of the Junior Exec. and the spirit exhibited by both the teams and the spectators.

A pre-game rally takes place in the hall.



Mr. Jackson's "mount" jockeys for position in the piggyback race.

The Olympic torch is triumphantly carried by senior Sam Andreades.

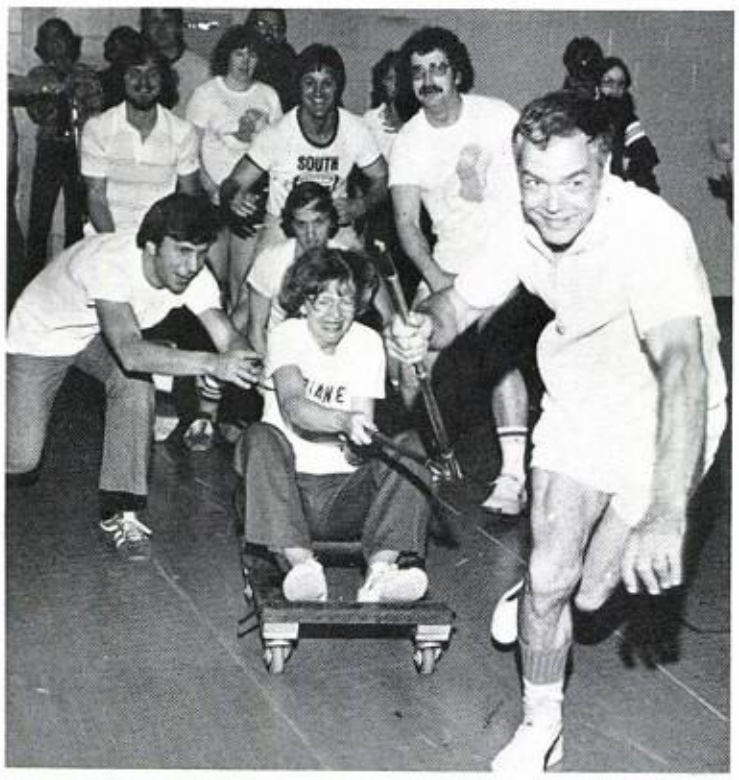


A one-on-one basket shoot is won by the student team of Sheila Walk and John Smack.

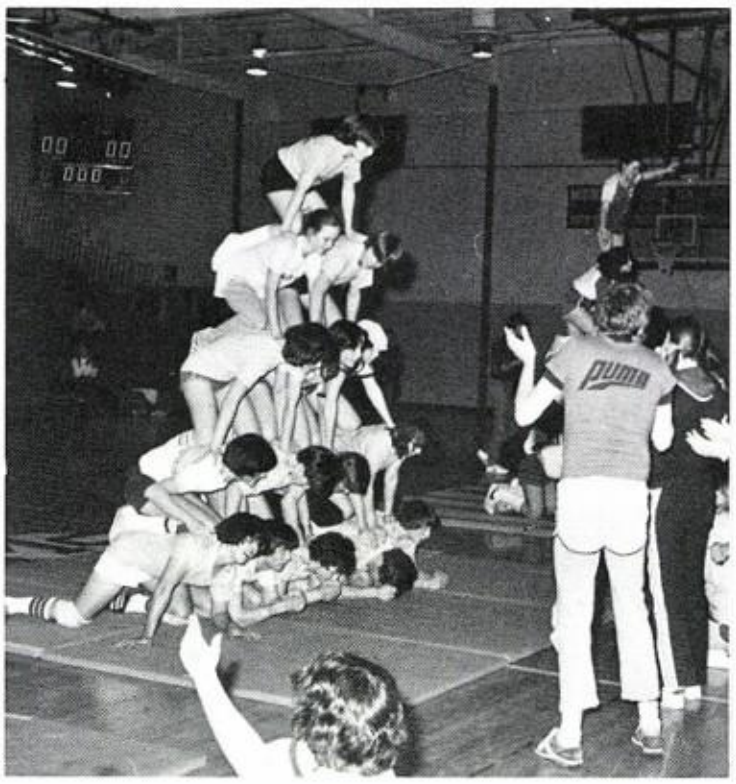
Anxious relay racers are delayed by the bodies of two exhausted students.

Mr. Jackson holds on as his "mount" strives for the finish line.

James Grampp casts a threatening look at his competitors in the sack race.



The faculty team shoots encouragement to the first competitors in the sack race.



The pyramid-building race resulted in a near tie between the juniors and the sophomore.

# AQUILINE

This year's staff put out the best yearbook ever. Through the hard work of the major editors Katy McGuire, Jack Kingsland, Noreen Endemann, Dawn Matichuk, Ken Preziosi, Scott Zeigler, Jan Cummins, Tammy Fey, and Lisa Didia the book was completed almost a month before the deadline. With many late hours and numerous panic times the sketchy ideas started taking form. The finish product is something every staff member is proud of.

Our photography staff seemed to be everywhere this year covering every event possible. Headed by Tom Buenaga, Mark Steigelman, and Ken Preziosi the photography staff supplied almost all shots used in the yearbook. The additional staff photographers Chris Silva, Chris Meahan, Jack Kingsland, and Bridget Glendenning helped out in many emergencies. A special thanks is extended to Gerry Rouvrais for getting up at 5:30 in the morning and taking the beautiful sun rise over MHSS on page 29.

Additional staff members have been added during the year. Kathy Magrino working on copy, Carla Seifert working on the faculty section, and Arlene Nardiello working on layouts.

The Editorial staff listed on page 30 is just the skeleton. Each group was helped by many other students and faculty. To these people we extend our thanks. We especially want to thank Sue Price and Greg for all of their typing.

1980-81 Yearbook Staff

Tracy, Jenny, Chris and Rose hard at work

No, I don't want my picture taken!

Beth and Bonnie editing pictures and copy.

Now which one guys?

Will you look at this picture!

Carla, Mrs. L-C, and Arlene make decisions

Deadline can be hectic

Isn't it 3:15 yet?

Check this one out!

# EAGLE EYE

| | |
|---|---|
| Editor-in-Chief | Jane Zarouni |
| Photography Editor | Stacey Elman |
| Sports Editor | Brian Cousin |
| Feature Editor | Lisa Didia |
| News Editor | Brenda Miner |
| Advisors | Ms. Nancy Ramsberger |
| | Mr. Hank Snyder |

The Eagle Eye is the name given to the MHSS Newspaper. Over the past 5 years the newspaper has undergone numerous changes. Under the direction of the editors of each section come a steady supply of ideas for articles. Jane and the Advisors then go over suggested topics and help to choose the ones that students will enjoy the most. The staff and the journalism class then spend time researching and writing the articles. With the help of typists, and proofreaders the staff puts out 8 issues a year. The money raised by the sale of the newspaper can be used for equipment or special supplies.

The newspaper is always grateful for any help offered and is searching for new ideas. Under Miss Ramsberger the staff grew and more people than ever became interested in this publication.

The Eagle Eye Staff.

Work can be fun.

Lisa and Mr. Snyder confer on the next issue.

Take my picture.

# CREATIVITY AT MHSS

Subterranean Staff

This year's co-editors of the Subterranean working under Mrs. Jailer's direction are Linda Pisicchio and Brenda Miner. Working with them are students who show an interest in literature and art. These people meet on a weekly basis to read and discuss poetry, essays, short stories submitted by the general student body. Art work and photography are also reviewed for inclusion in the magazine.

This year the hard working staff is planning to put out 2 issues, one in the Winter and one in the Spring. Anyone may submit items to the Subterranean. Creative writing classes are encouraged to submit work as well as English classes.

# "Scholarship, Leadership, Service and Character"

The Honor Society

Jane Zarouni, Brenda Miner, Lorene Policelliand, Mrs. Jones

"Scholarship, leadership, service and character" are the 4 major qualities Honor Society likes to stress in their members. Besides Juniors needing a B+ average and Seniors needing a B average student names are also submitted to faculty members for their recommendations. Honor Society members are well rounded students not only excelling academically but who are active in extra-curricular activities.

Honor Society enjoys helping the community, this is evident in their November Food Drive and their December Toy Drive. These items are collected in school and then distributed to needy families.

The culmination of the Honor Society year is in May when new members work with existing members to display their talents in their Induction Ceremony. It is at this time Honor Society members receive their pins and card. Last year's Induction Ceremony was beautifully organized and we anticipate another great ceremony on May 21.

# MATHLETES

The Math Team's goal, as told by Mrs. Coffey, is "to get students interested in challenging math problems." This is accomplished through competition in various meets. This year our mathletes participated in 7 Shore Math Team Meets, 6 New Jersey League Contests, 1 AMTNJ Math Contest, 1 MAA Math Contest, and 1 Stockton College Math Contest.

Our team held their own in these stiff competitions. We achieved honorable mention in the AMTNJ Math Contest and Jane Zarouni finished in 3rd place at the same, AMTNJ, meet.

The team is growing and always looking for new members.

Vanita Kamath, Mrs. Coffey, Jane Zarouni, David Fernee

# THE FELLOWSHIP CLUB

The Fellowship Club is an organization that helps to supply students with spiritual guidance. Under the direction of Mr. Walker this group meets and discusses passages from the Bible. They then try to relate these incidents to their individual lives. This group is a completely voluntary organization. Mr. Walker donates his time and patience to helping interested students.

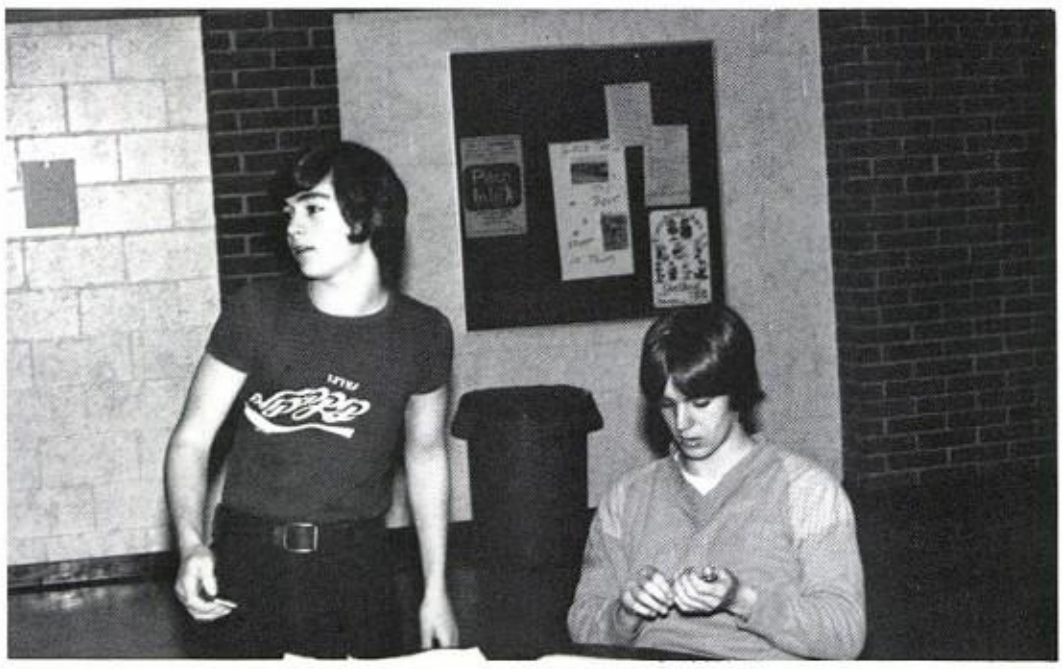
# A.F.S.

Members of A.F.S.

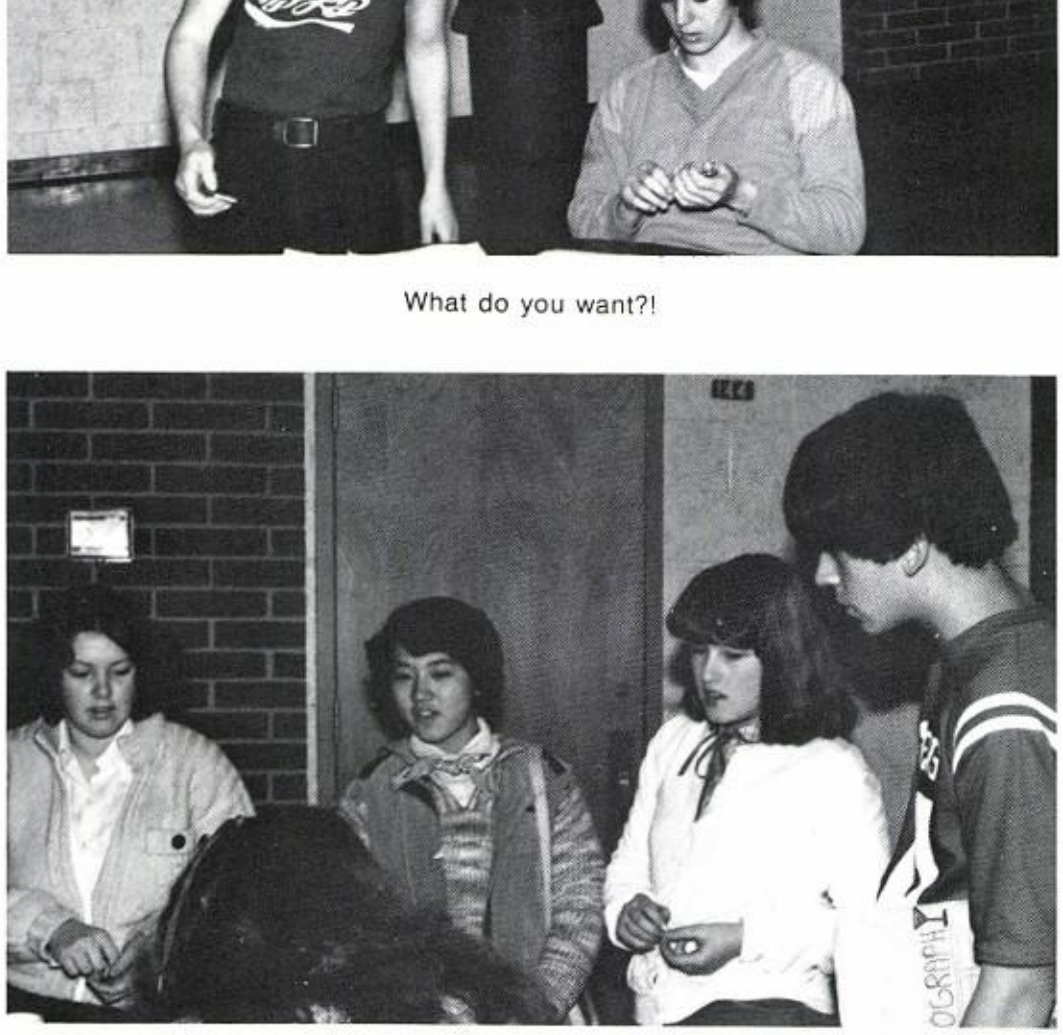
The goal of the A.F.S. club is to attract people who are interested in other countries and try to channel this interest in a positive way. Through the efforts of people in the group that invite exchange students to their homes much is learned about these different countries.

The bake sales held by the A.F.S. are to make money to hold A.F.S. convention parties. It is at this time club members can meet exchange students from other schools. Also the A.F.S. would like to plan a weekend trip.

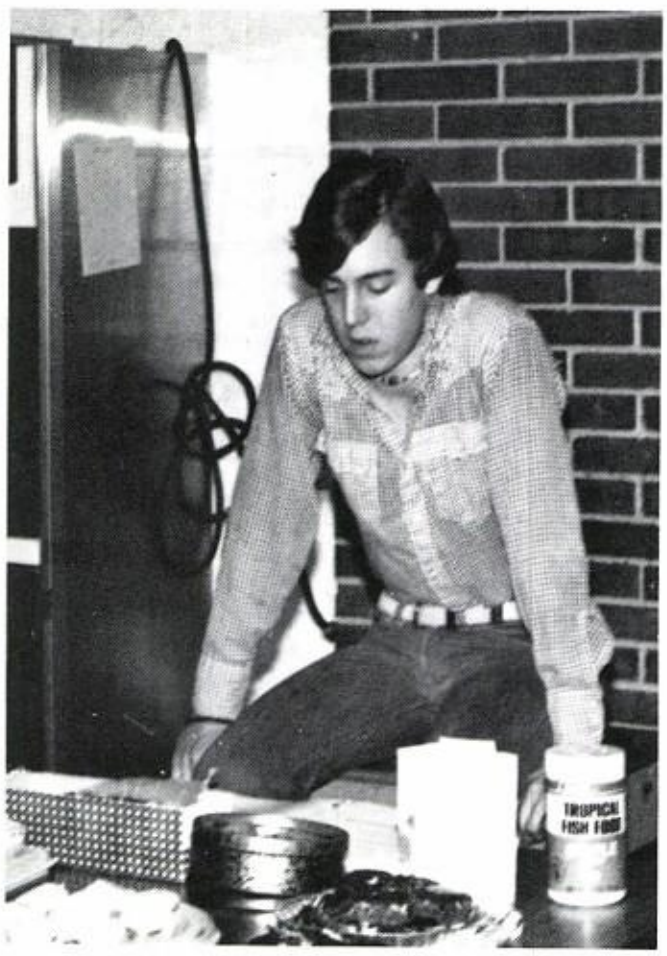
Mrs. Black and President Steve McGowan hope to expand the club membership. They also hope that someday one of their members will be able to go abroad and return with stories of their own.



What do you want?!



Doesn't anyone want to buy my cookies?



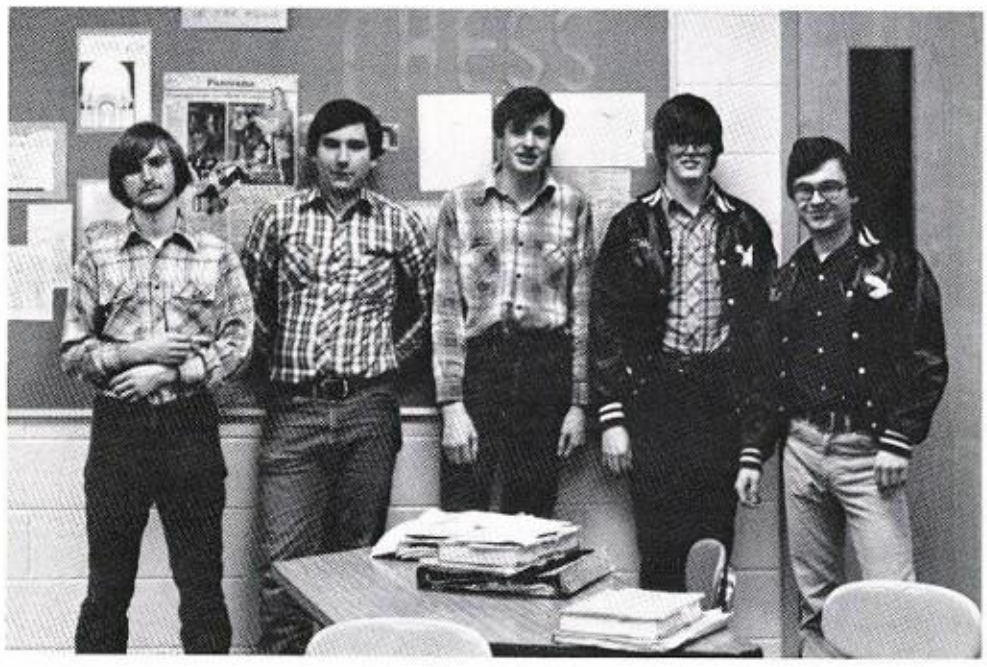
Deciding on next meeting

# CHESS TEAM

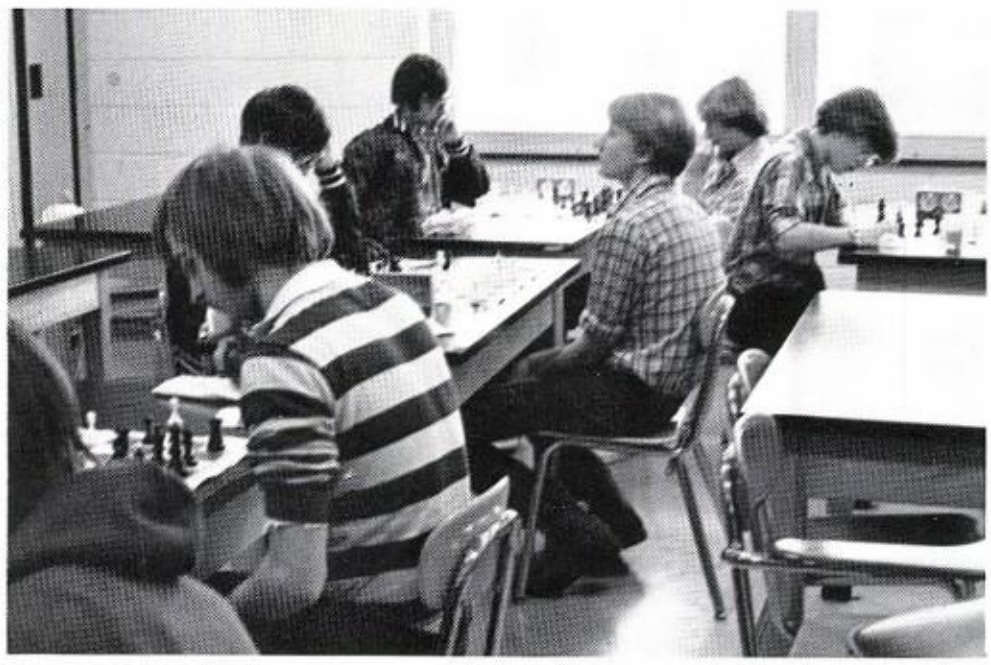
Chess is an extremely competitive game. The purpose of the Chess Club is to teach the basics of chess, to improve the level of play and to increase power of concentration. Through chess students learn to exercise their minds.

Under the direction of Mr. Pincus the team consisting of Bob Sammond, Erik Graham, Nelson Aydin, Ciaran Hickson, Anthony Hussey, alternates Mike Glantsberg and Matt Watkins have toppled many opponents. Our mighty chess team has achieved 2nd place in the Northern division with a record of 8-3-1, 2nd place in the Toms River Elks Club Tournament 3-1 and in the 1st round of league play offs they won 1-0.

Mr. Pincus would welcome many new members. Just be ready to CONCENTRATE ON WINNING.

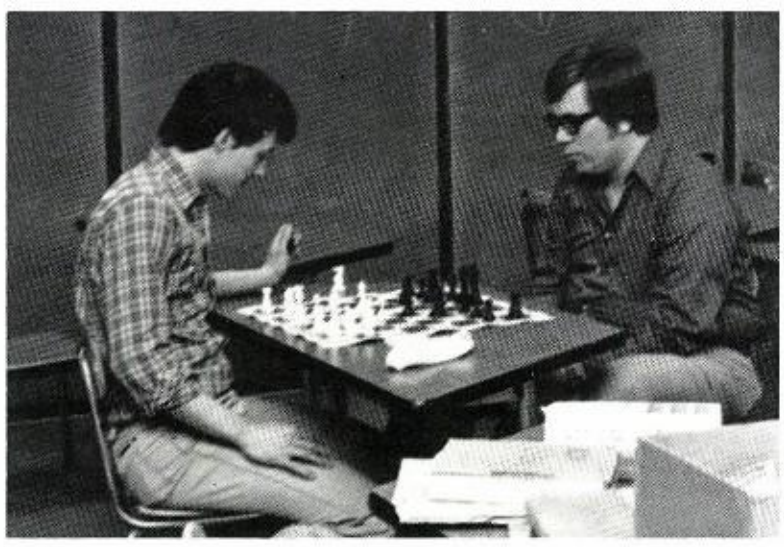


Chess team



Concentration is a must.

What's my next move?



Mr. Pincus baffles opponent.

This one goes here.

# FORENSICS

Forensics Club

President — Sue Klimeck
Treasurer — Brian Sussman
Secretary — Erica Pietler

In the morning announcements when Forensics meetings or meets are announced most students have no idea what Forensics is. Forensics is a speech and debate organization. Participants compete by delivering various types of speeches such as: extemporaneous, dramatic monologue, original oratory, humorous poetry or prose readings and impromptu. All of this involves much work on the part of the students to research and prepare speeches.

Competitions are held on Saturdays at schools throughout the state. At Matawan High School, Brian Sissman received 5th place in the humorous catagory.

Forensics is a relatively new organization and welcomes new members at any time during the year. Mrs. Stine, the club advisor, feels that the club members are an extremely involved group that would always welcome new voices.

Preparing a speech

# "THINK SNOW"

This year's Ski Club has done what they set out to do. They planned more trips. With the guidance of Ms. Hughes and Mr. Antisell the officers; President — Sharyce Pierson, Vice President — Michelle Spendio, Secretary — Cathy Shenko, and Treasurer — Brad Peterson, planned 5 great trips. The trips were to Elk Mt., Penn., Camelback, Penn., Hunter Mt., N.Y., Belaire, N.Y. and to culminate the year a weekend at Sugarbush, Vermont. These trips are a tremendous success and sold out weeks in advance.

The motto of the Ski Club is "Think Snow."

"Help! Call the ski patrol!"

"I can do it! I can do it!"

"What expertise!"

# "MIDNIGHT BLUE AN OUTSTANDING SUCCESS"

The class of 1981 happily presented "Midnight Blue" on Saturday, May 17, 1980. Months of preparation by the Junior Executive Board Committee, which consisted of 31 members and 5 officers, transformed the gymnasium into a dining hall where memories were made.

Couples arriving in formal tuxedos and gowns were pleased with the serene looking decor of blue and white, along with the mountainous murals and the summer house.

Music provided by the Anderson Brothers created an aura in which the Juniors anxiously awaited the theme song.

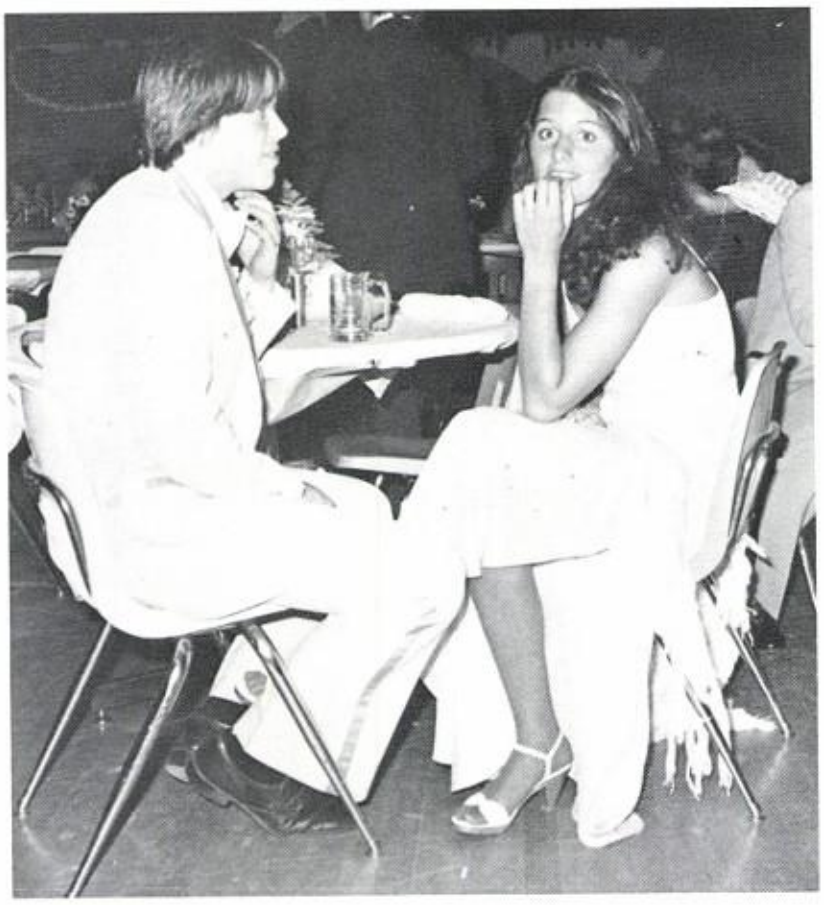
After partaking of the rich desserts offered by the Juniors contentedly left thinking about the memorable evening that they would not soon forget.

Waiting for the fun to begin.

Neal Fiore and Laurie Jarius anticipate a fun evening.

All dressed up . . .

but where are your dates?



Enjoying light conversation.

John Smack and Sharon Craddock try to get back to their table.

A quiet, romantic song is played and appreciated.

Queen Sheila Walk and King Steve Brown smile for the photographer.

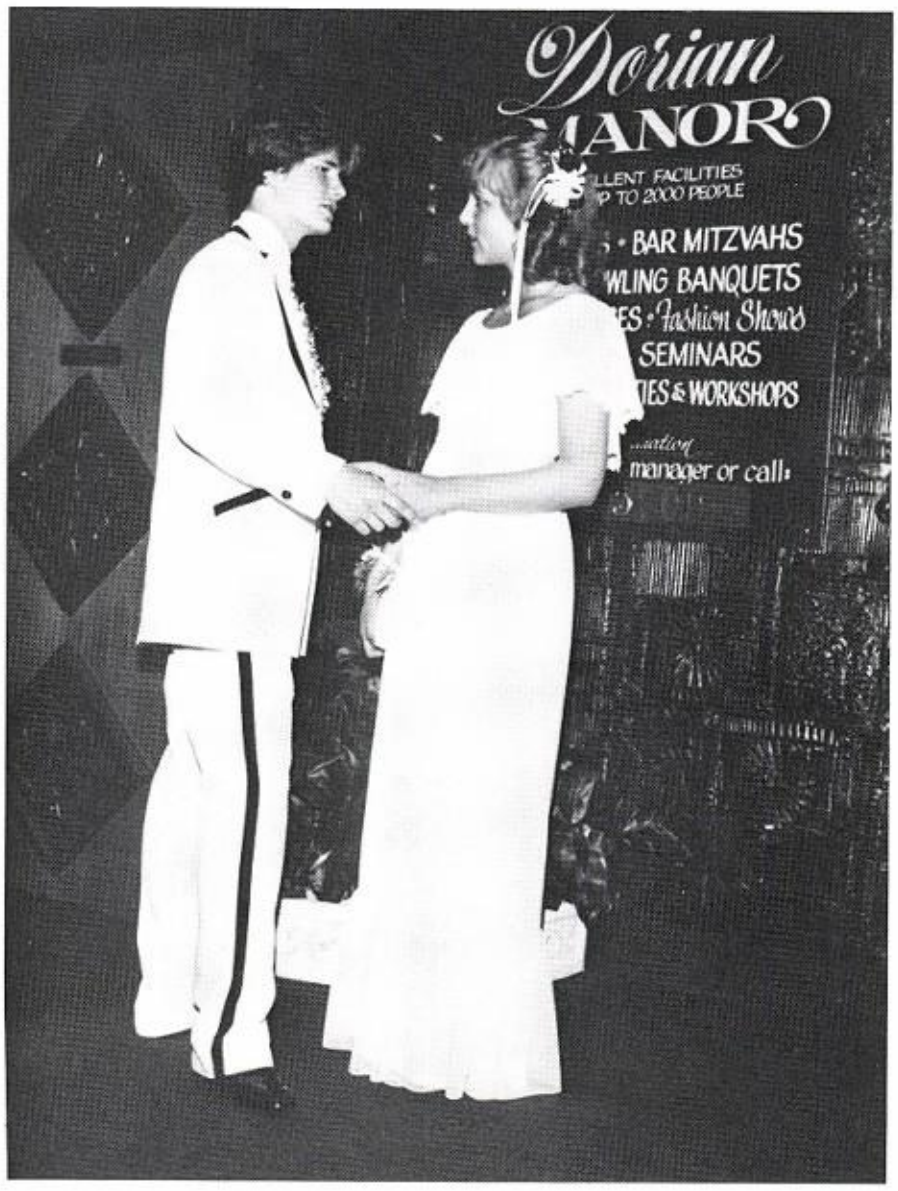
The Prom Court is presented.

# "LONGER THAN WAS TOO SHORT"

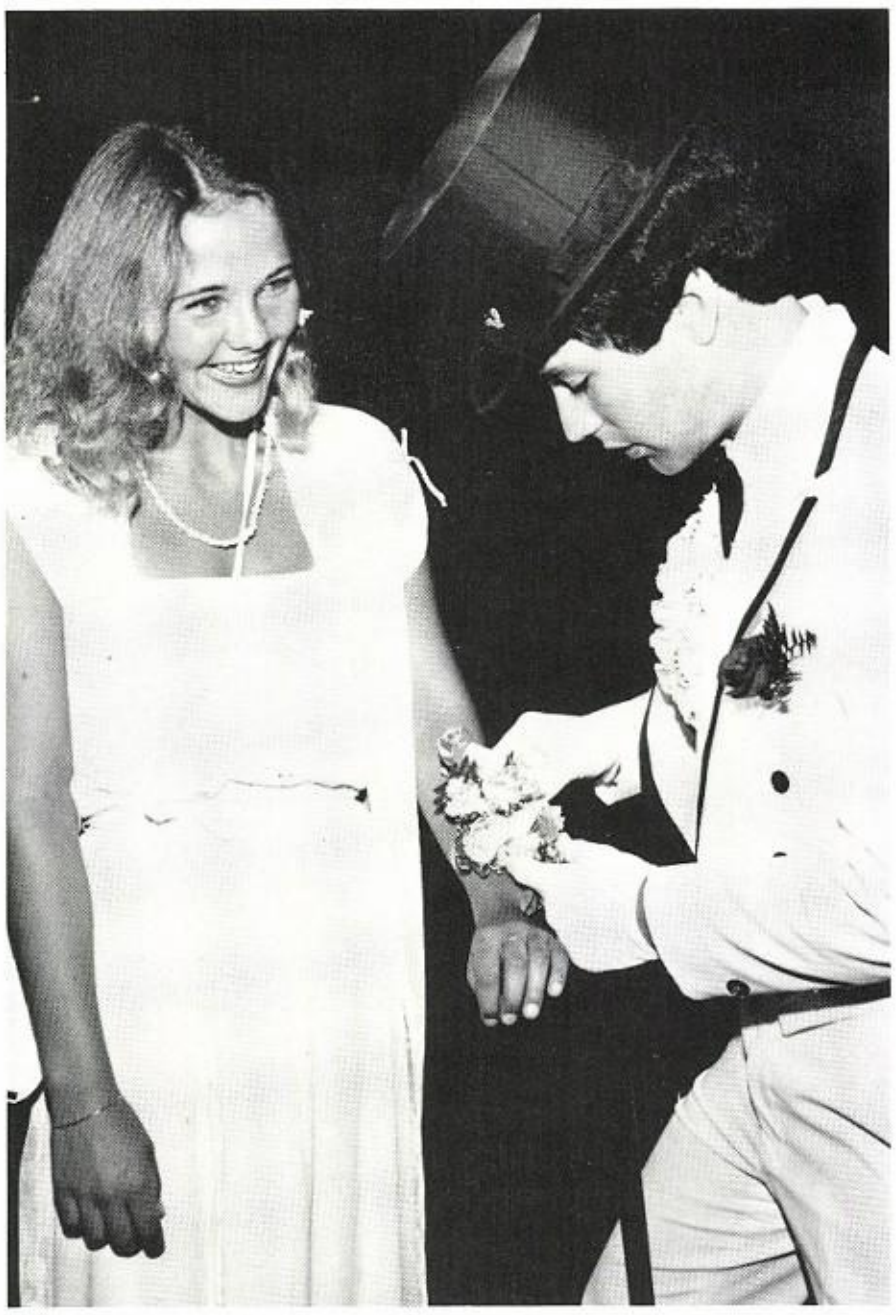
It was on Saturday, May 24, that the seniors of Middletown South arrived at the elegant Dorian Manor at 8:00 PM. They and their guests anxiously awaited a festive evening as they chatted in the lounge with friends.

Entertained by the music of two bands, Nightfall and Streetcats, the couples enjoyed and danced to the various songs, including the Dan Fogelberg theme, "Longer Than". Shortly afterwards the seniors wined and dined, feasting on the succulent prime ribs and the delicacies offered by the Dorian Manor.

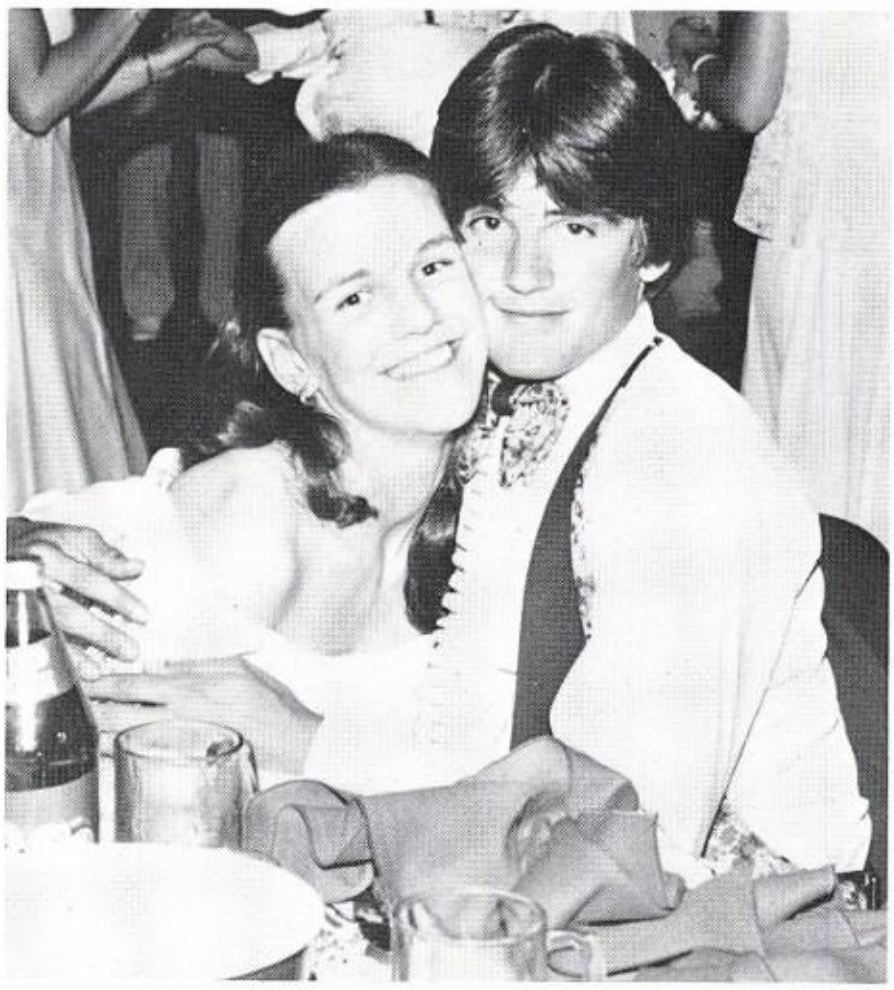
For each couple, the evening seemed to end all too quickly at 1:00 AM. While the seniors left their prom they held their souveniers of brandy snifters and beer mugs and clutched the memories of the evening that they would not readily forget.



A senior couple prepares to enter the Dorian Manor's ballroom.



"Dressed to Kill"



This couple "sit's one out" to refresh themselves.

Dancing "cheek to cheek" to a romantic number.

Opening night jitters.

The cast makes up.

# Sing A Song

The choir is a very versatile group. Not only does their musical selections range from classical to contemporary to popular music, but they perform in a variety of types of concerts. Most students are only aware of the two concerts that the choir performs a year, winter and spring musical festivals, but the choir is a group that performs all year long. They sing at High School North, community concerts, the Garden State Arts Center, graduation, churches and last year members of the choir sang during the wedding ceremony of Mrs. Larkin-Chamra.

Individual members of the choir have made some outstanding accomplishments. This year 6 members after strenuous competition were admitted to the All-Shore Chorus: Lisa Travis, Sue Hamm, Carol O'Neil, Dan Cunningham, Brent Hoar, and Carol Baker.

Most students who are interested in singing with the choir join for the 3 years they are at M.H.S.S. Everyone is welcome — Mr. Ludlum enjoys hearing new voices added to the existing ones.

Mr. Ludlum and last minute preparations.

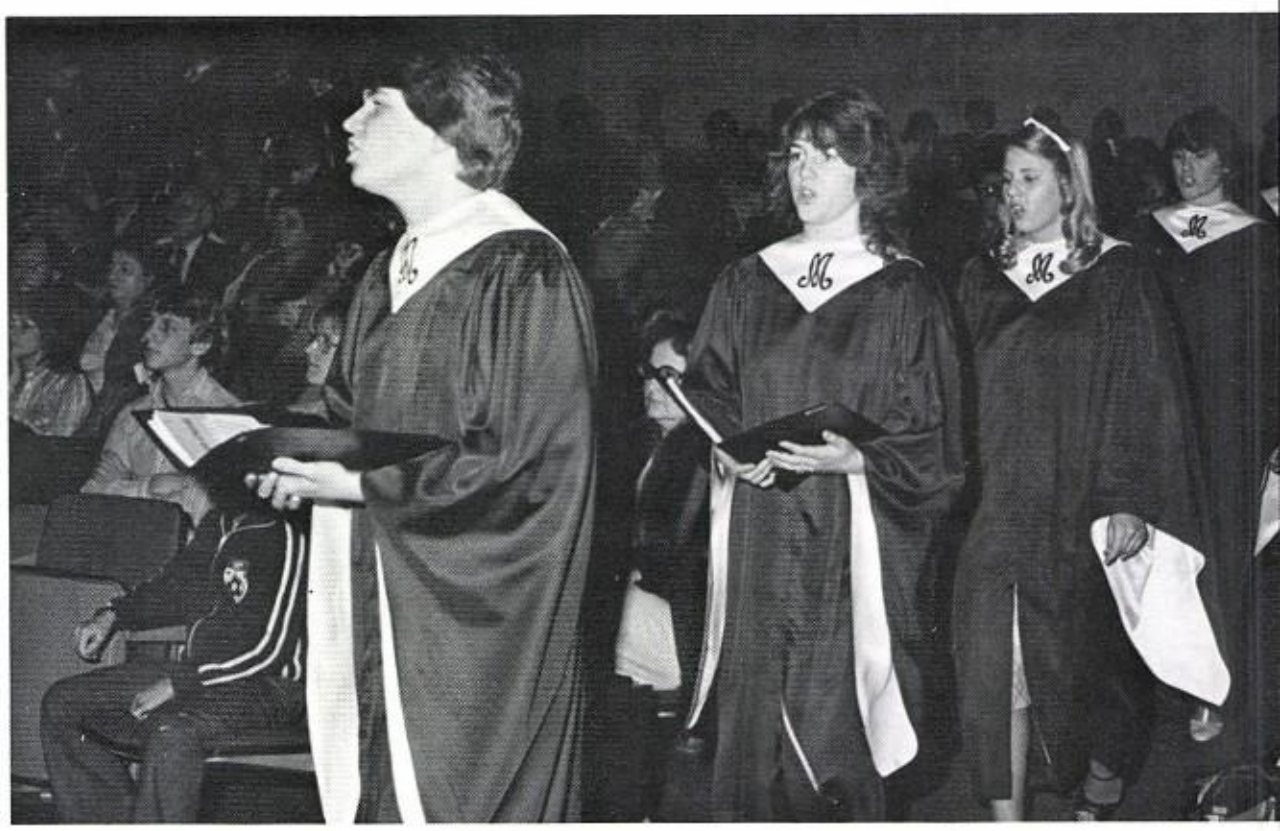
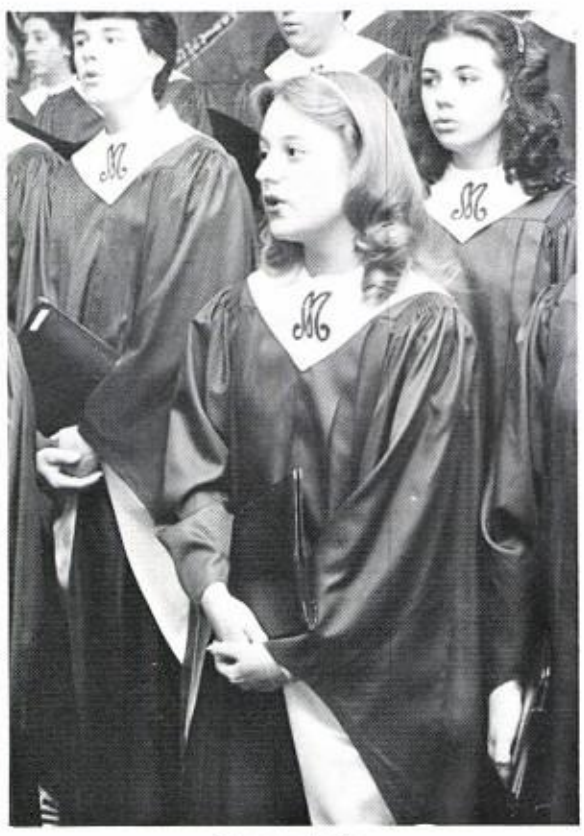
Karin Mullane warming up.

Try those scales again, ladies!



"O Come All Ye Faithful"

Performance tonight!



Concentrate.

# "BAND MAKES MUSIC AT THE FALLS"

Last year the Middletown South Marching Band, under the direction of Joseph Lawlor, held fund-raisers for their trip to Niagara Falls in the spring. It was in May that the members boarded buses with the common destination of Niagara Falls. There the band competed in the annual parade and toured the city for two days. The ninety members who were accompanied by Mr. Lawlor and Mrs. Grossi, were even able to enjoy a trip to Ripley's Believe It Or Not.

The trip to Niagara was probably so successful because of their devotion in raising the necessary money. Mr. Lawlor feels that the trip was so enjoyable that he would like to let the band travel outside of our country again, in addition to the tour he plans in Missouri the band director also believes that these trips and competitions motivate the band members and give each individual incentive. This year the student body of Middletown South finds that this is clearly evident.

Follow the sequence of the trip through our pictures.

# MARCHING BAND

The Marching Band under the direction of Mr. Joseph Lawlor has entertained students and the community at football games, community parades and at band festivals. Our young band, started only 5 years ago, has grown to 72 band members and 39 members in the band front. In just this short time Mr. Lawlor has taken our band to National and International competitions in Washington, D.C., and Niagra Falls, Canada. Last year at Niagra Falls out of 38 bands we placed 13. Mr. Lawlor looks forward to our bands continued success and growth.

Here we come . . .

Ready, set . . .

Sounds of the horns

Tapping of the drums

Cathy Pradick concentrates

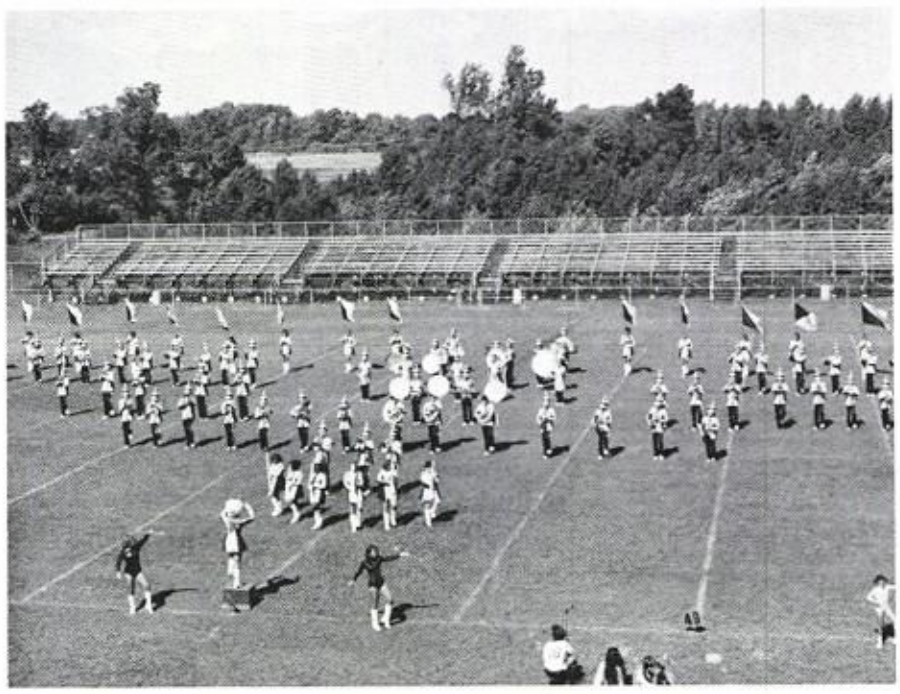
Mr. Lawlor stretching his legs

9th Graders Are a Great Contribution to the Band

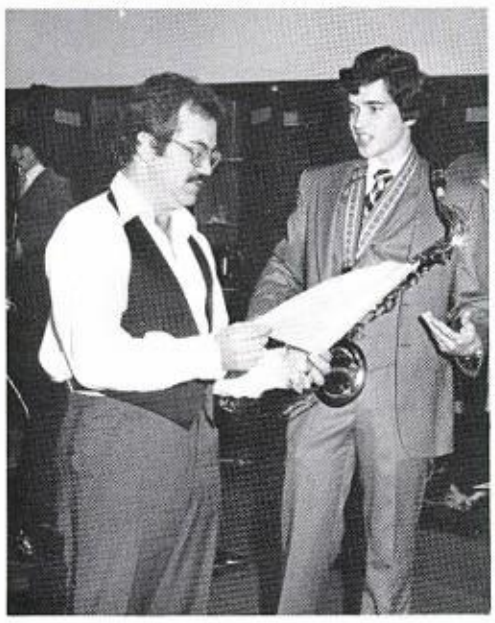


Our proud band!

# Concert Band Makes Beautiful Music

The Concert Band is made up of 55 members, with over half being sophomores. This gives the band great potential for the future. The band president is Bill Santanello, vice president is Jeff Hale, and the treasurers are Brenda Miner and Pam Pavacik.

Most of the Concert Band are members of the Marching Band and have performed in Niagara Falls, Canada and Wall Township Marching Band Festival. Three members have made the Central Jersey Regent Band: Brenda Miner, Gregory Timpone, and Julie Weinberg.



Mr. Lawlor gives last minute instructions.

# FOOTBALL 1980

The 1980 Varsity Football season was characterized by a "strong offensive line and an explosive backfield", says Coach Rich Mosca. The defense played strong, but somehow gave up the big play. Injuries also plagued the team, with a few top players out for the season, and some of the important starters missed the first few games.

On the whole, though, South scored an average of 19.1 points per game, their strong comeback in the Thanksgiving game against North prevented North from achieving a tie for the championship on the A North Division in the playoffs. In this division, South was first in the Total Points scored category, with 172 points in nine games.

The final season record was 3-5, it was made possible by the individual efforts of some 5 players, Mike Ippolito on defensive tackle was chosen as 1st team Scholar Athlete. Joe Rada (center), Marty Wenzel (back), John Smack (tackle), and Steve Brown (linebacker) were named to the All-County teams and All-Shore teams by the Daily Register and the Newark Star Ledger. Marty Wenzel ranked 4th in the shore region in rushing with 886 yards in 148 attempts and 5th in scoring with 86 points.

Prospects for next season look promising, the return of a solid backfield, on the offense, and some key defensive players will promise some exciting football. The Juniors Varsity team completed the season with a 5-3-1 record while the sophomore team was 5-0 for the year. Some good young talent is making its way into the South football program.

Coach Furey and Coach Woods

Getting ready for the game

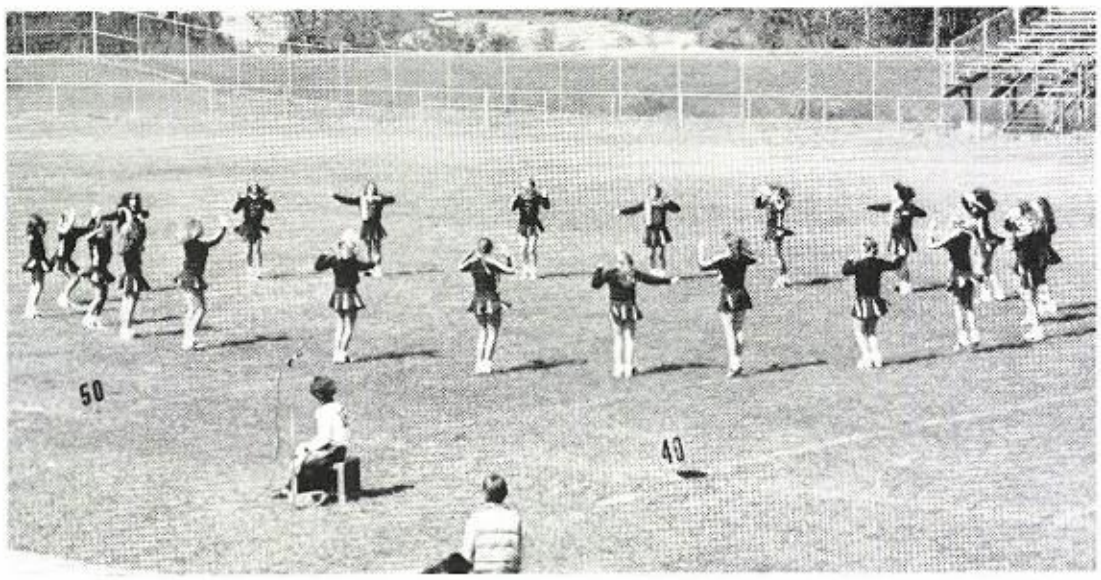
# ENTHUSIASM = A+

We're not ready yet!

When asked to describe the cheerleaders, Ms. Gage's first comment was that they are a "warm group of hard working individuals." She feels that what makes or breaks a good cheering squad is enthusiasm and school spirit, in this category our cheerleaders deserve an "A+."

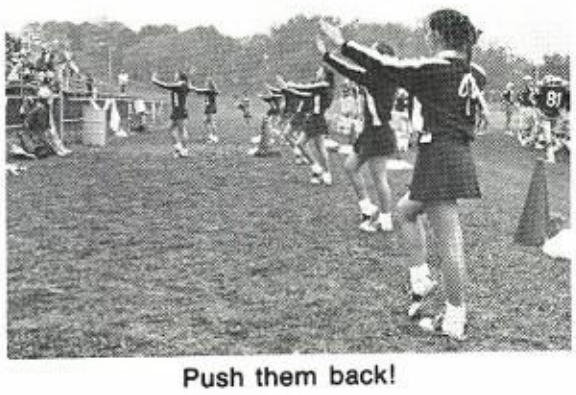
Just being enthusiastic isn't enough to be a cheerleader — it takes a lot of work to be great! Coordination is a key — knowing how to do splits and cartwheels at tryouts is a start. The way to achieve greatness is a lot of practice. Not only can you see the cheerleaders practicing after school in the halls but Cathy Shenko and Sherri Nicola went to cheerleading camp to learn more. Janis Mattershead and Lynn Meislohn take what they have learned and help coach Pop Warner cheerleaders.

These are all, definately, girls who give of themselves.

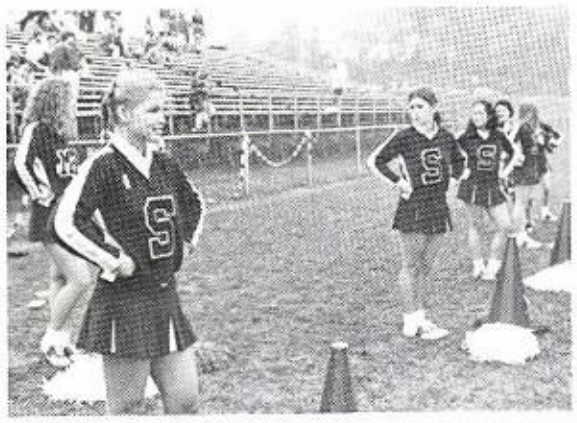


Mike Brennan is impressed with this cheer!

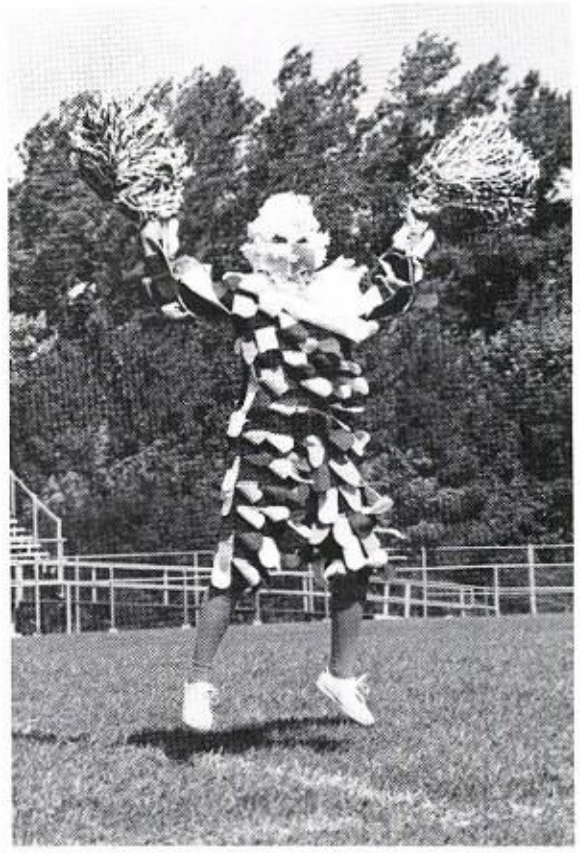
Victory!



Push them back!



What's next?



YEAHHHH!

We did it!

Touch down!

VARSITY. Standing: Maureen Spendley, Patti Bachman, Bari Morse, Kathy Tierrey. Kneeling: Chris Silva, Janis Mottershead, Sheri Nicola, Cheryl Smock. Front: Kathy Shenko, Sheryce Persson.

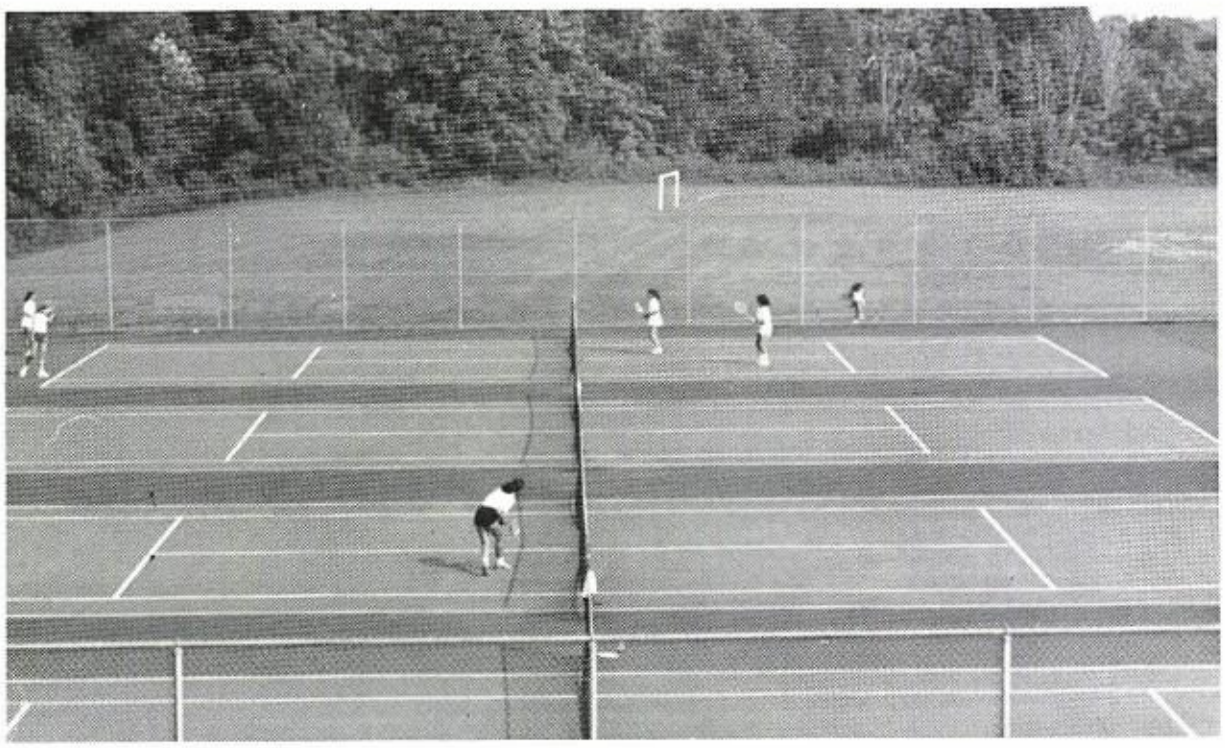
# South's Best Yet!

Standing L-R: Coach J. Eckert, Karen Pisteiz, Kristen Sneed, Judy Belerschmitt, Chris Rehwinkle. Kneeling: Carolyn Bick, Erin Dorian, Kathy Morris, Karen Kowvel, Nicole Fulcher. Sitting: Erica Peitler, Melanie Russell, Tara Dorian, Dawn McCullouch, Judy Gambuzza



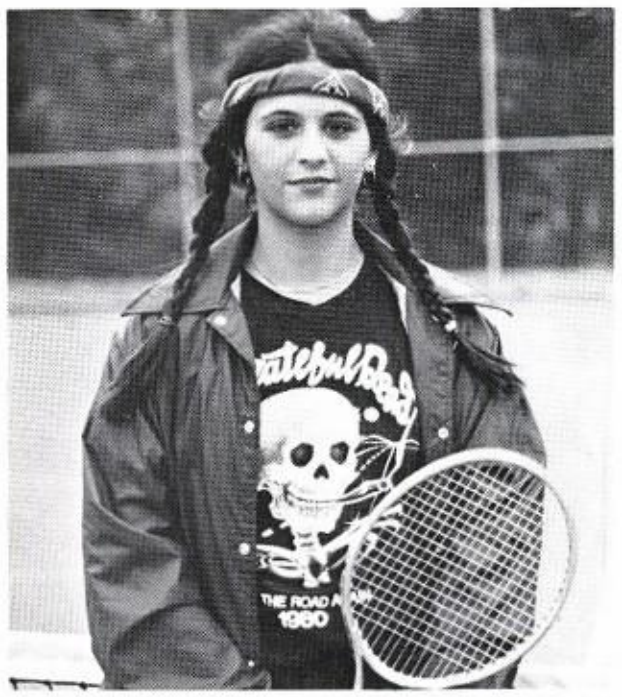
Home Court

Mr. Eckert talking to a parent.

This year's girls' tennis team had a winning season. Their overall record was 10-5, their State tournament record was 1-1, and their Shore Conference record was 7-5. Only once before was the team's record as high as this.

South's M.V.P. was Judy Beiershmitt, also the team captain. Her 3 year record was South's best ever 38-10. She was also a member of the 1978 Shore Conference Champs.

This team is a relatively young team. Next year Mr. Eckert will have 6 letter winners returning. He looks forward to another winning season next year because of the young members.



Captain Judy Beiershmitt

# FIELD HOCKEY '80

First time in Souths history

Shore Conference Champions

Together the team gets psyched while they warm up.

Karen, Susie, and Lisa get ready for the game.

Captains, Jane and Nancy prepare the stradegy for the games.

The Girls' Varsity Field Hockey team enjoyed such a successful season that no one could single out the recipient of the M.V.P. award. As a result, the entire team received the award as a whole. The team won the Shore Conference Championship by a score of 15 wins and no losses, the Central Jersey Championship, and competed in the state Semi-Finals, but lost to Toms River

The Team, composed of nine seniors and three juniors was rated as high on second in the Shore and twelfth in the state by the Asbury Park Press and the Newark Star Ledger. Important individual achievements include the elections of Jane Zarouni and Jan Cummins by these newspapers to their "All Shore" teams. Jane Zarouni set the school record for goals by scoring 26, and she along with Nancy Schoepf and Carol Dunn were four-year letter winners. Goalie Lauren Bruckner had 10 shut out games, Cheri Hall scored 9 goals and assisted on 6, Bev Renelt scored 7 goals and assisted on 4.

Coaches Pam Tanis and Pat Smith are confident that the 1980 season record of 15-2 can be reached again next year. Future teams will be encouraged again next year. The "feeder" programs at Thompson and Bayshore Jr. Highs and the Fresham team will help make the Varsity and J.V. teams more experienced. Also, summer field hockey camps will help improve and develop the girls' playing skills for the fall.

Jan and Tammy line up for inspection.

South's defense backs up the offense line.

Bev and Nancy fight for possession of the ball.

## CENTRAL JERSEY GROUP IV CHAMPIONS

Standing — P. Smith, (assistant coach), S. Baumgarten (Mgr.), P. Moore, J. Oswkoki, J. Nahory, S. Covert, T. Grewe, N. Fisher, K. Turner, C. Ames, C. Hall, B. Milkowski, L. Bruckner, P. Tanis (head coach). Kneeling — S. Steinman, S. Halpin, K. Fey, M. Howard, V. Pheiffer, G. Donica, C. Dunn, B. Renelt, M. Fiorchi, J. O'Neill, M. Movihill. Sitting — N. Schoepf, T. Fey, J. Zarouni, N. Camarote, L. Holwerta, L. Kunkle, J. Jan, J. Cummins.

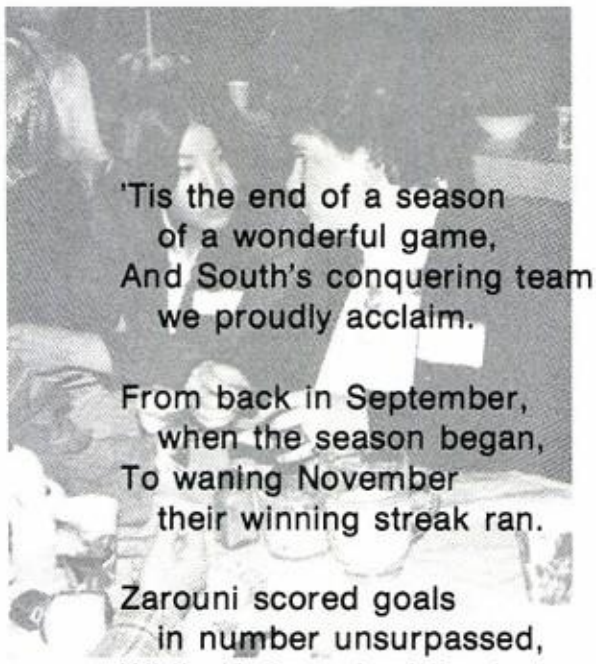
Goalie Lauren Bruckner holds the school record for the most shutouts in a season.

Nancy Fisher sets up for a scoop.

Jane Zarouni at the opening bully!

# Ode to the Hockey Team

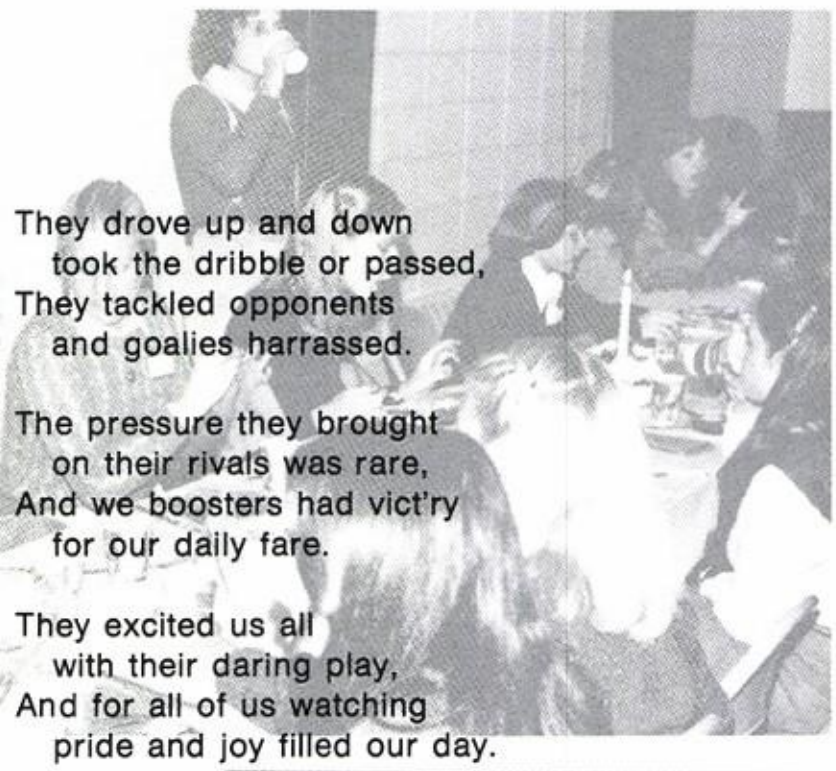
Harold Turner



'Tis the end of a season
of a wonderful game,
And South's conquering team
we proudly acclaim.

From back in September,
when the season began,
To waning November
their winning streak ran.

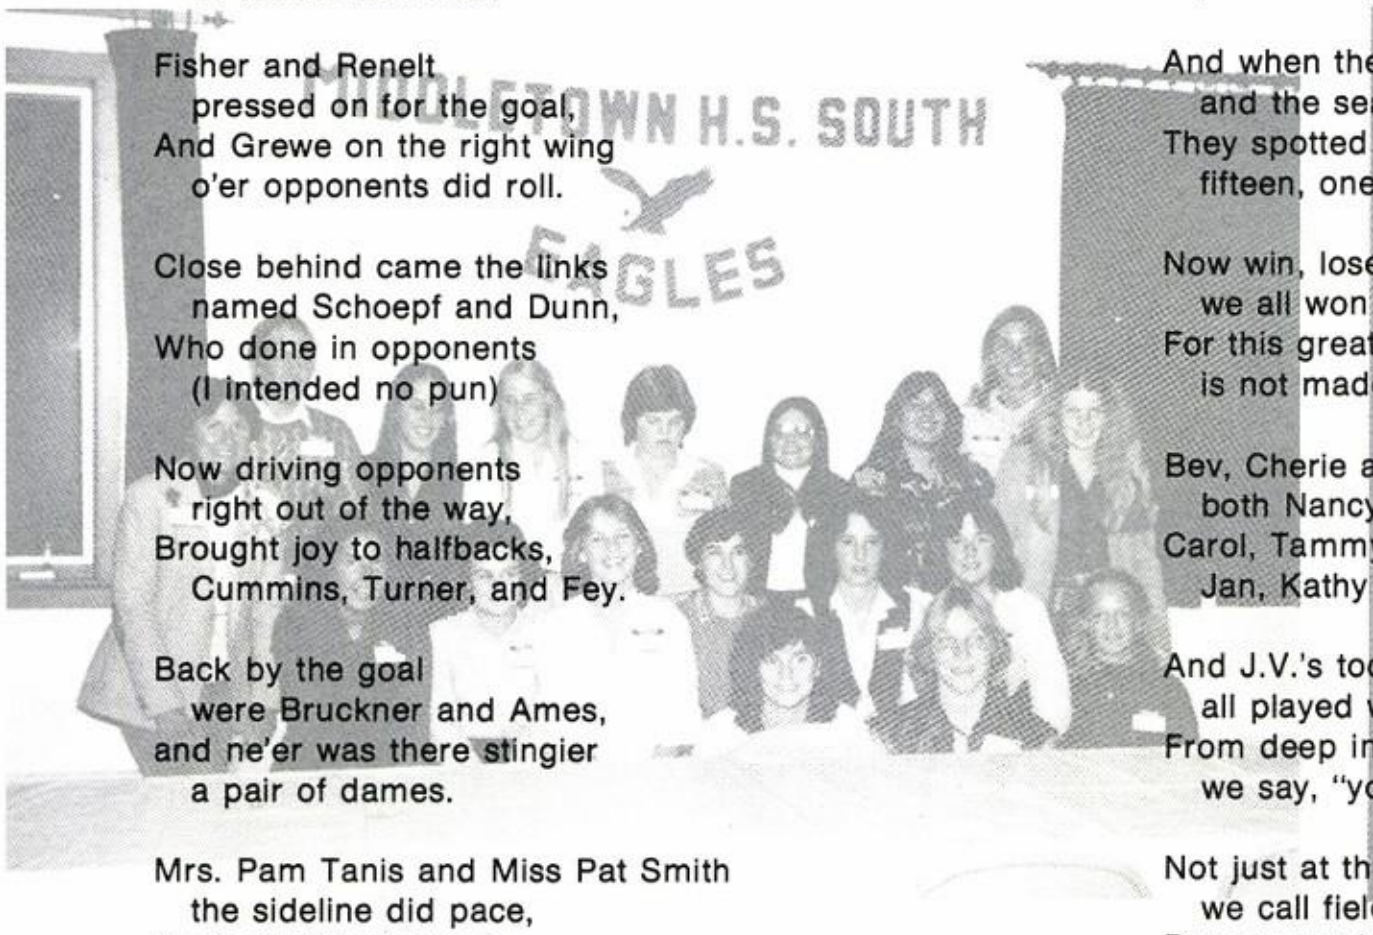
Zarouni scored goals
in number unsurpassed,
While Hall on the left wing
as feeder was cast.



They drove up and down
took the dribble or passed,
They tackled opponents
and goalies harrassed.

The pressure they brought
on their rivals was rare,
And we boosters had vict'ry
for our daily fare.

They excited us all
with their daring play,
And for all of us watching
pride and joy filled our day.



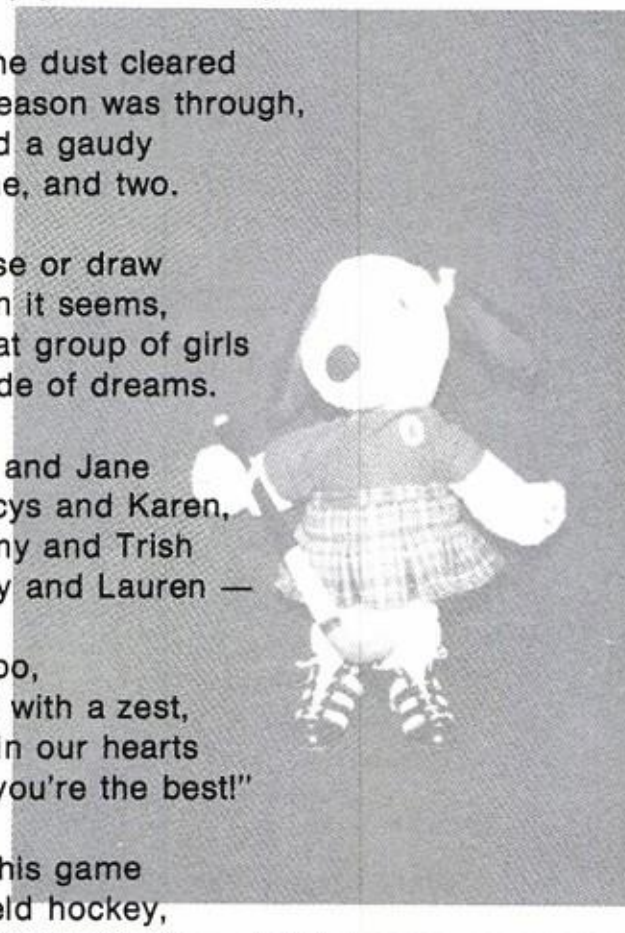
Fisher and Renelt
pressed on for the goal,
And Grewe on the right wing
o'er opponents did roll.

Close behind came the links
named Schoepf and Dunn,
Who done in opponents
(I intended no pun)

Now driving opponents
right out of the way,
Brought joy to halfbacks,
Cummins, Turner, and Fey.

Back by the goal
were Bruckner and Ames,
and ne'er was there stingier
a pair of dames.

Mrs. Pam Tanis and Miss Pat Smith
the sideline did pace,
Each anxiety masked
by a smiling face.



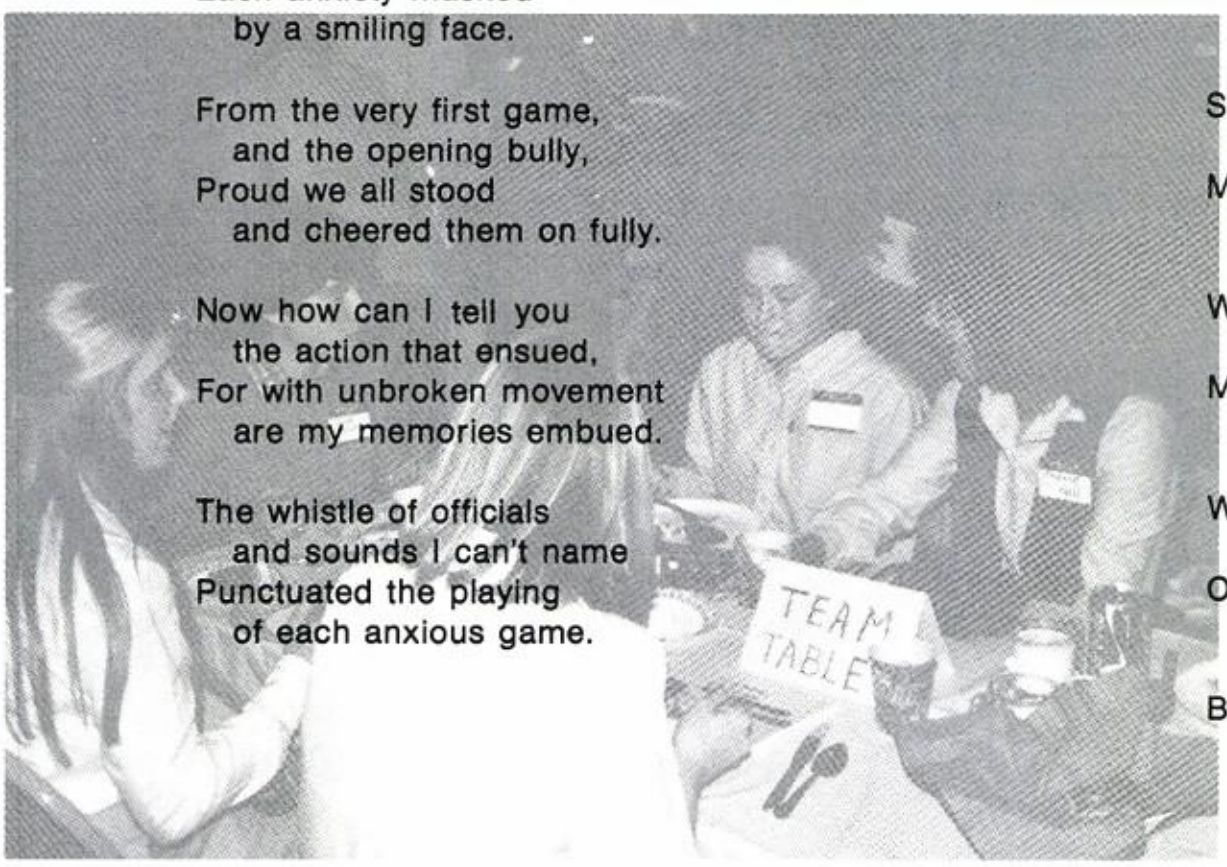
And when the dust cleared
and the season was through,
They spotted a gaudy
fifteen, one, and two.

Now win, lose or draw
we all won it seems,
For this great group of girls
is not made of dreams.

Bev, Cherie and Jane
both Nancys and Karen,
Carol, Tammy and Trish
Jan, Kathy and Lauren —

And J.V.'s too,
all played with a zest,
From deep in our hearts
we say, "you're the best!"

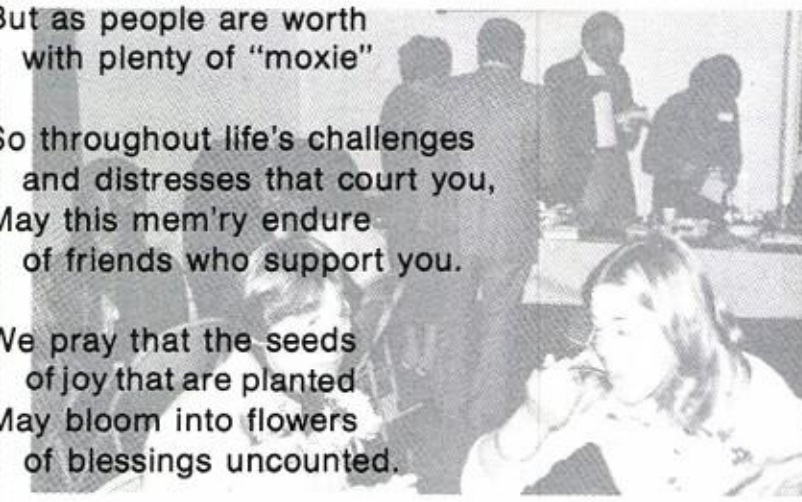
Not just at this game
we call field hockey,
But as people are worth
with plenty of "moxie"



From the very first game,
and the opening bully,
Proud we all stood
and cheered them on fully.

Now how can I tell you
the action that ensued,
For with unbroken movement
are my memories embued.

The whistle of officials
and sounds I can't name
Punctuated the playing
of each anxious game.

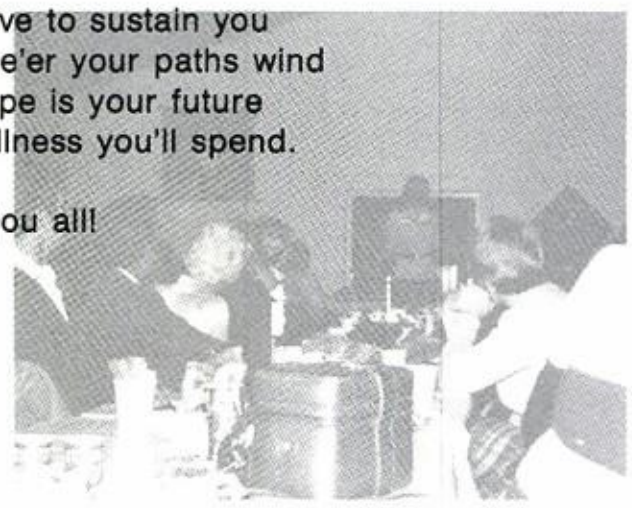


So throughout life's challenges
and distresses that court you,
May this mem'ry endure
of friends who support you.

We pray that the seeds
of joy that are planted
May bloom into flowers
of blessings uncounted.

With love to sustain you
where'er your paths wind
Our hope is your future
in fullness you'll spend.

Bless you all!



# GIRLS' GYMNASTICS

1980 Girls Gymnastics Team

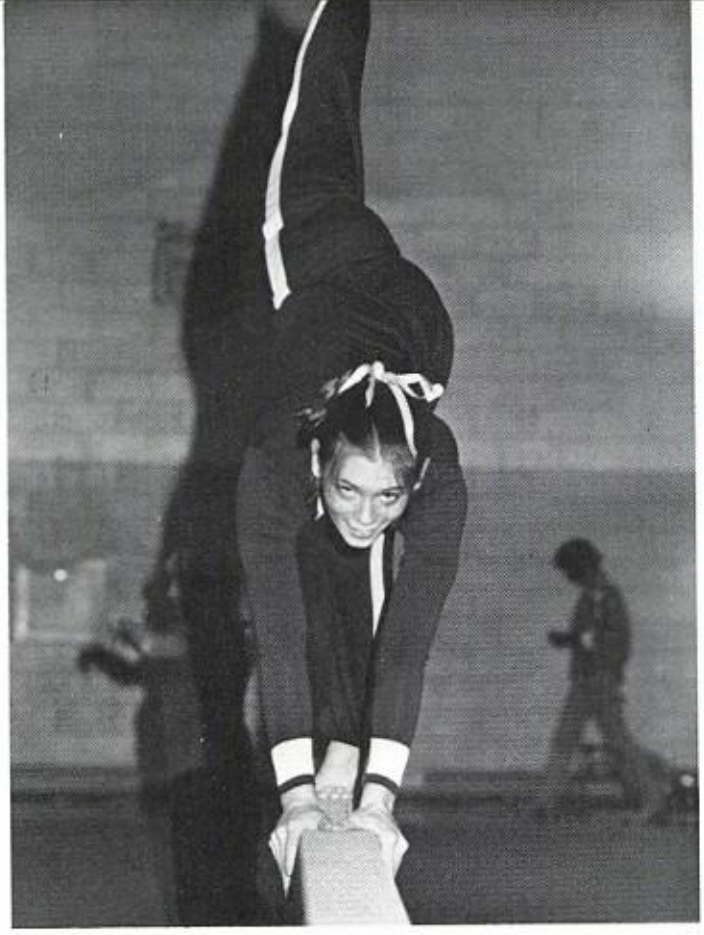
Preparations before the meet

A Pep Talk

Gymnastics is a sport that requires a tremendous amount of individual effort and discipline. This hard working group of girls were able to place high in their conference and make it to the Shore Conference finals. Cindy Moran placed 9th in vaulting and Jenny Obre placed 7th on the balance beam in the finals. In the Shore Conference; Jenny Obre placed 2nd in the floor competition, 4th place on the balance beam, 4th all around competition, Cindy Moran placed 6th in vaulting. The team won it's division for the second year in a row — their only loss was R.B.C. Our proud team placed 3rd in the State Sectionals.

Cindy Moran was the Captain and will be a great loss to the team when she graduates. Though on the whole the teams outlook for next year is another winning season. With some talented freshmen being added to the team along with seniors — Theresa Saloni, Rita Libratore, Megan Fleming and Jennifer Obre the team plans to keep on winning!

Cindy Moran on
he balance beam



Cindy Moran at

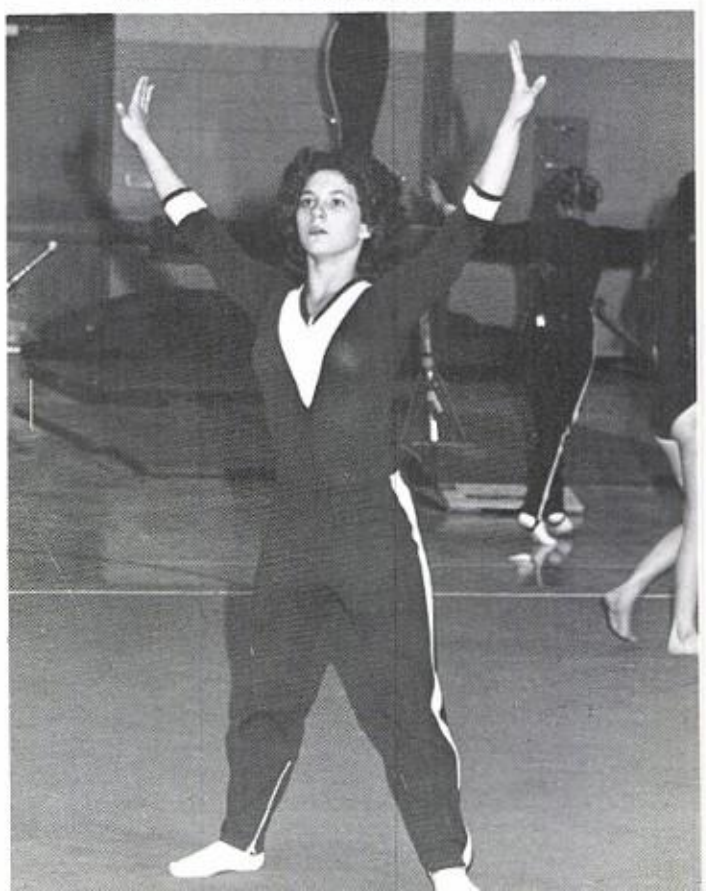
A graceful split demonstrated

Keep your head high

A lovely end to a great performance



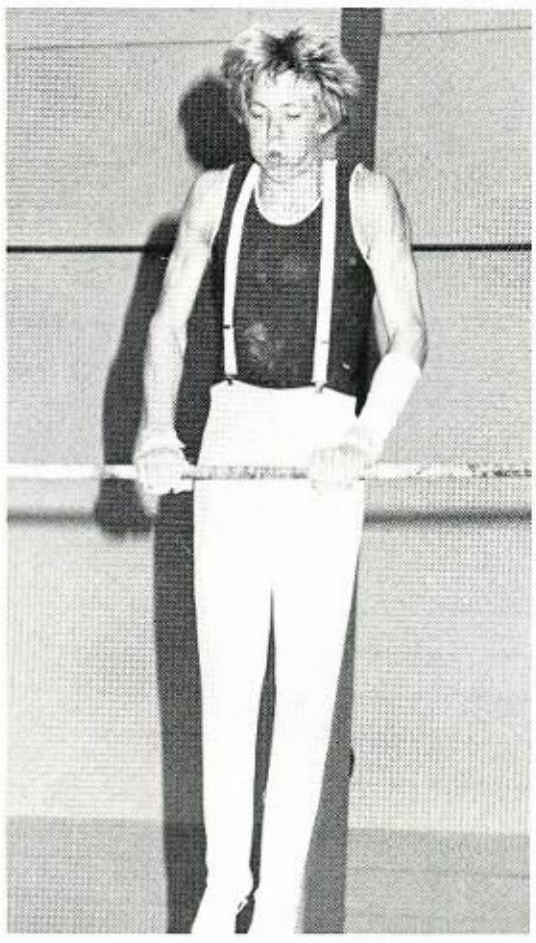
# Twelve Records Set

Standing: Jeff Haigney, Dave Lavata, Scott McCrae, Eric Peits, Larry Stamm, Mr. Hanes.

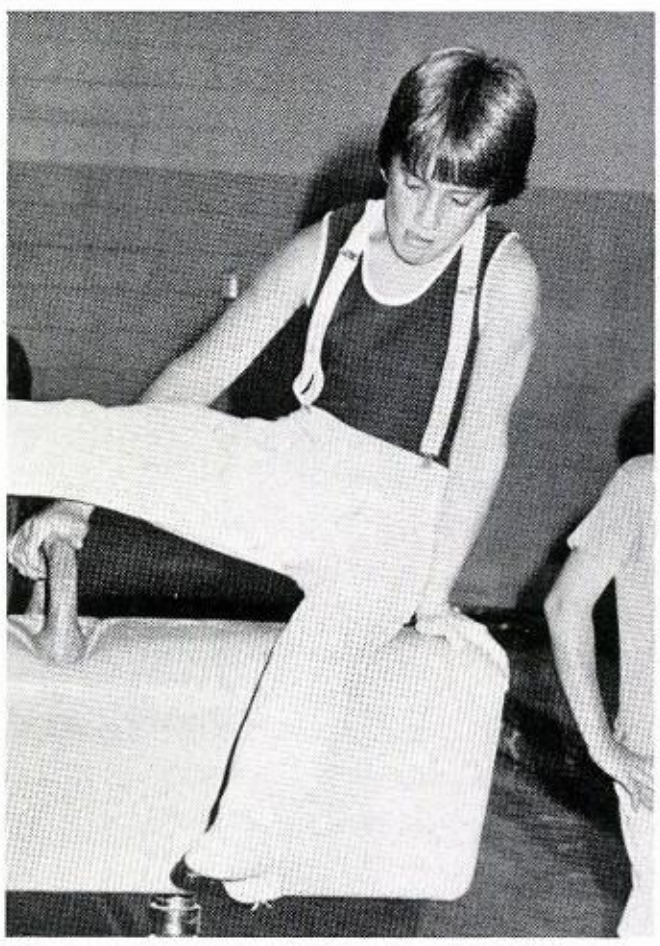
Kneeling: Alex Krisinski, Dave Libatore, Dave Kenney, Dave Makley, Timmy Meyers, Rob Morin.

The youth of the boy's gymnastics team worked to its advantage this year, as only one of the twelve members was a graduated senior. Senior Scott McCrae was expected to win five medals in the State Sectional meet, but could not participate because of an injury. As captain of the team for the past 2 years, he was ranked as one of the top all-around gymnast in the shore conference, and earned four varsity letters.

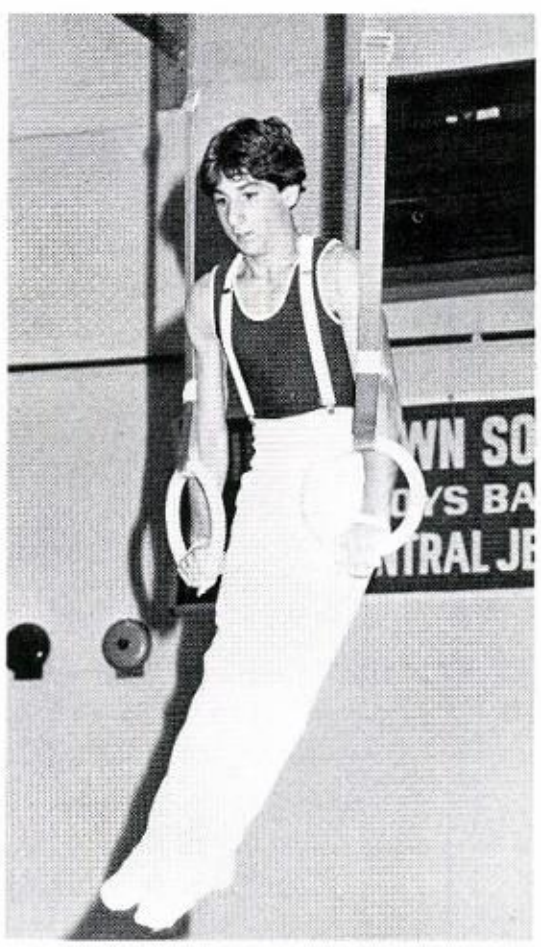
The boys compete in the floor exercise, Pommel Horse, still rings, Vaulting, Parrallel Bars, Horizontal Bar, and the All-Around Event, which includes all six. The team achieved a 3-9 record this year, but managed to break four Varsity and eight Freshmen school records: most points scored in a season and in a career, horizontal bar, All-Around by Scott McCrae, and Freshman records: most points, floor exercise, All-Around by Dave Lovato; Ring and High Bar record set by Bob Morin; Vaulting record set by Tim Myers, and the Side-Horse by Dave Libertatore. Dave Lovato was the first 9th grader to serve as co-captain, and will undoubtably be influential on the team in the coming years. With such a young team, the season record will improve as maturity in performance is seen in the coming years.



Intense pressure is exerted upon Scott McCrae the team captain.

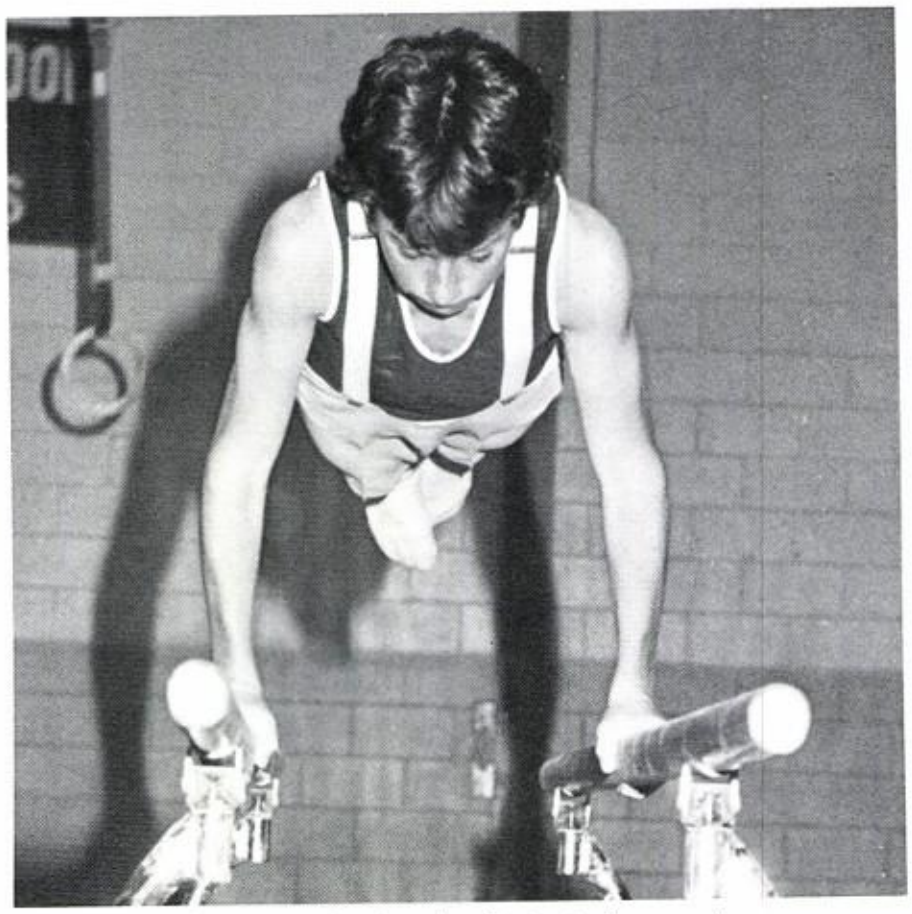


Strength and skill is a must in gymnastics.

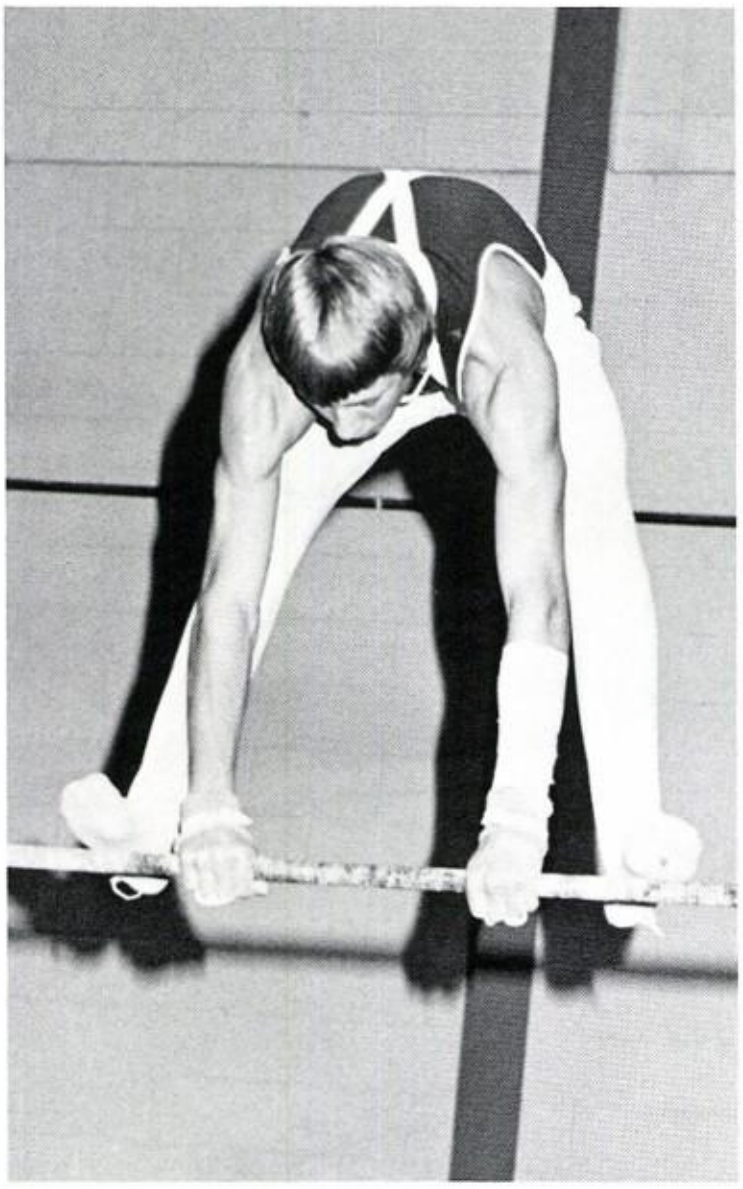


Rob Morin is a prominent figure on the gymnastics team.

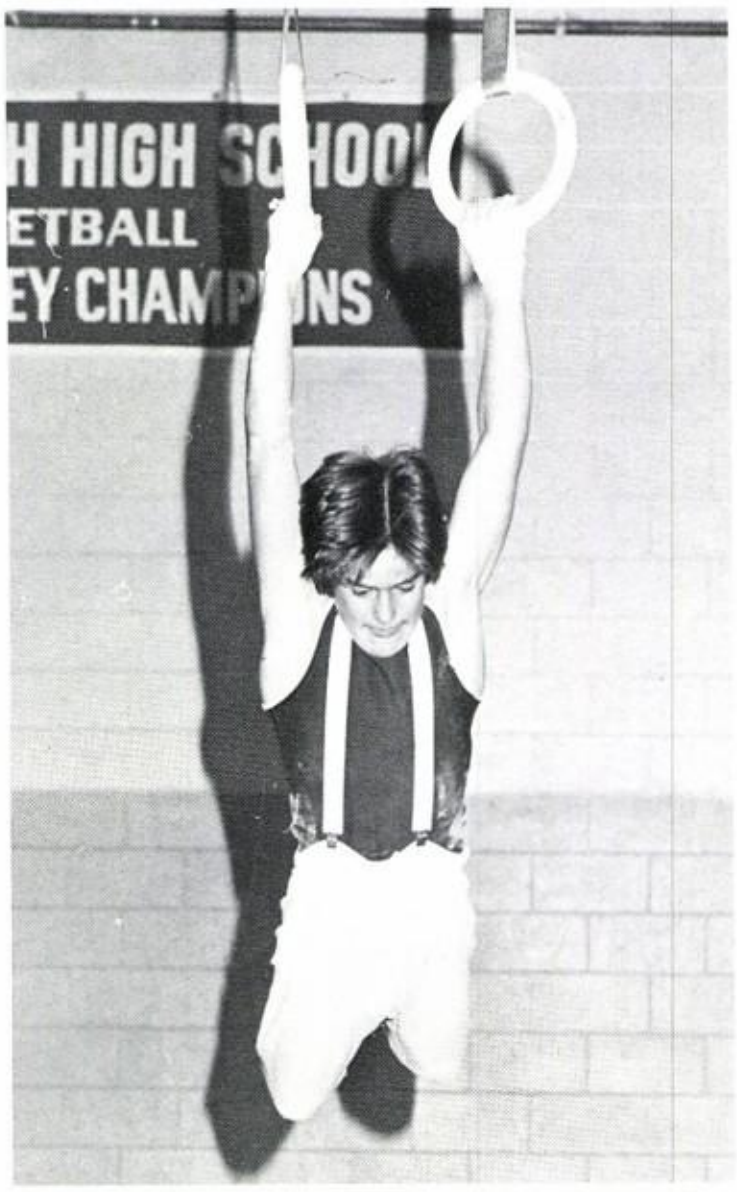
Go for it!



Concentration is a key factor to the sport.



Scott McCrae finishes up an excellent performance.



Hang on Friday's coming!

# Pecchio Makes All-Stars

VARSITY TEAM top L-R Mr. Sessa Coach, Frank Coda, Jeff Henry, Dave Peru, Mack Carter, Kent Herring, Pete Jeffreys, Rob Porter, Kurt Einloff, Sean Connoly, not pictured Paul Crooks, Stuart Shalman Bottom L-R Bruce Mackie, Renaldo Pecchio, Harry Blanding, Mike Brennan, George McKulla, Rich Lee, Debbie Poole.

The South Varsity Soccer Team ended the season with an 8-11 record, the best ever for this sport. The squad was defeated by Manasquan in the finals of the Monmouth County Tournament, and didn't get a shot at the state competition. But, aside from this, the Junior Varsity Soccer Team enjoyed the first winning season of 10-9-1. This is probably due to the young players of Lincroft and Middletown Youth Soccer, and our AFS exchange student from Brazil, Renaldo Pecchio. The best soccer player in South's history, Pecchio led the team with 21 goals, and became a First Team All-Star member.

Coach Knodel remarked that the team showed a vast improvement over last year's squad, and that more night games would help student spirit at the games. Below Frank Coda bringing ball up.

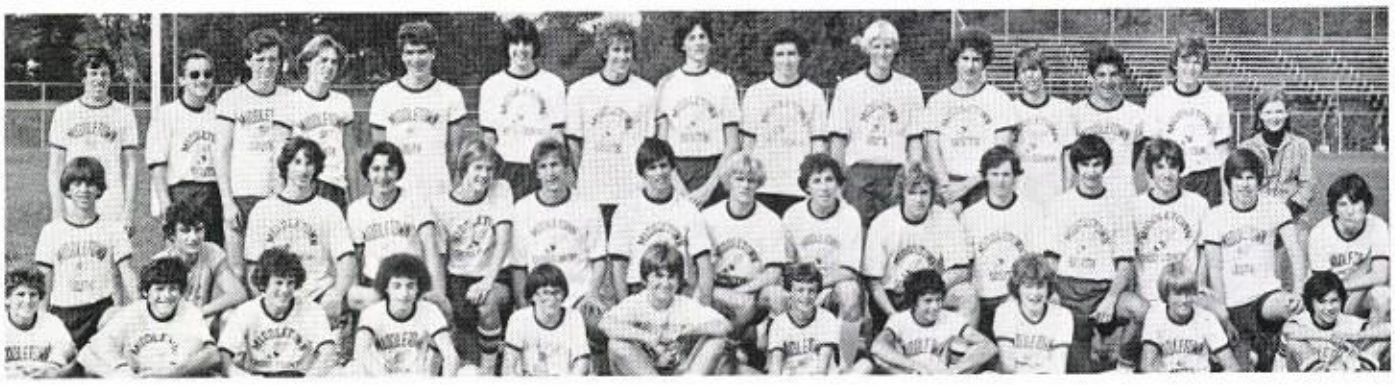
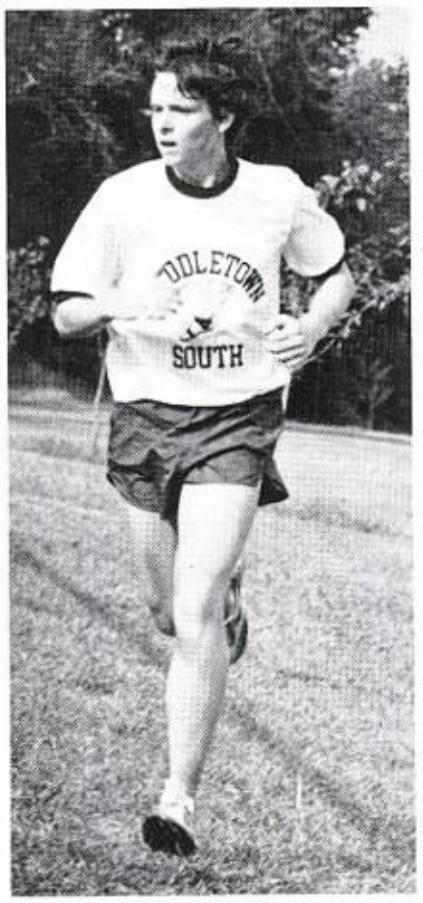
# Next Year: #1!

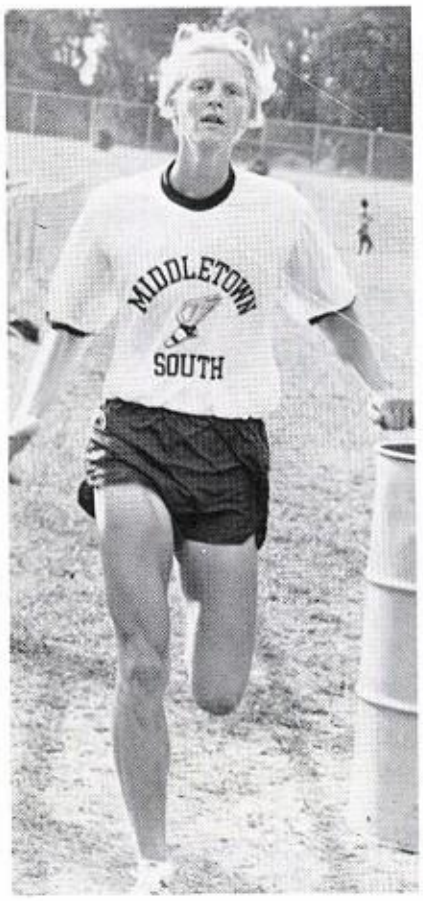


Dave Carney

John Bush



Pat Williams

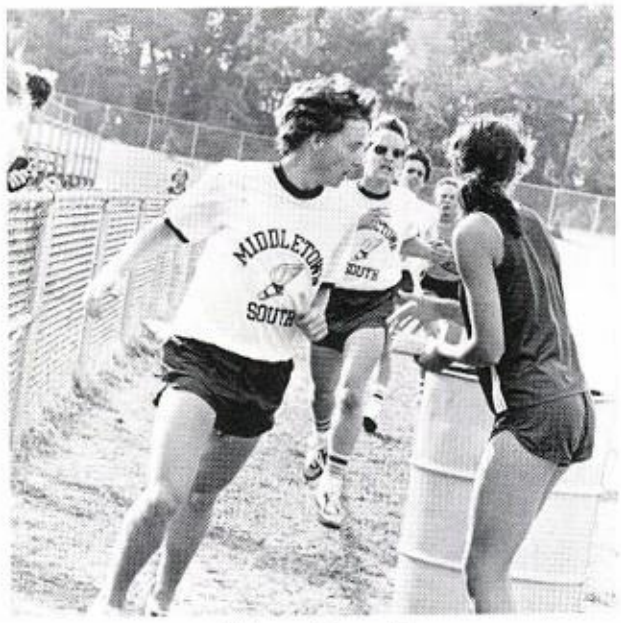


Hal Lescinsky

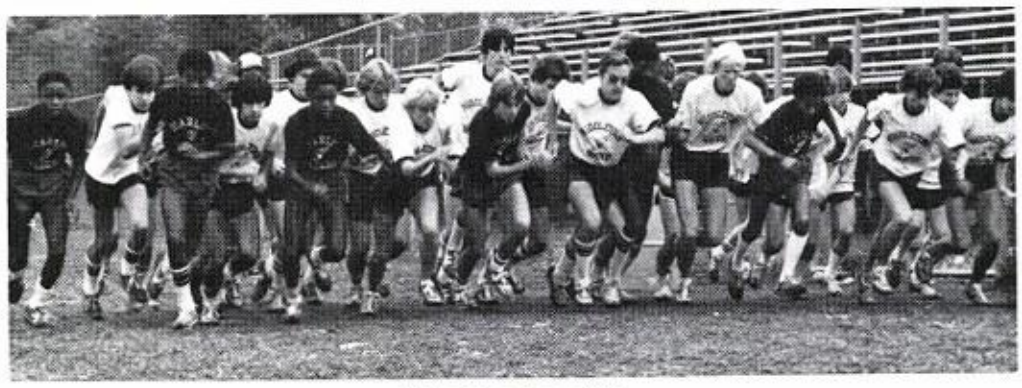
Last year the Middletown South Cross Country Team tried for first place in the A-North Conference. This year, with hard work and dedication, tied for the first place title, and next year hopes to win it altogether. Coach Louis Mazzie has a career win record of 102, eight of these coming from this year's varsity season, with only three losses. The team this year, led by Seniors John Bush, Dave Carney, Hal Lescinsky and Pat Williams put in over 500 grueling miles. Bush became the first South runner to win a medal in the Shore Conference Overall Championship by placing eleventh out of 212 boys. Dave Carney showed the most running improvement since his performance last year.

Many top runners will be lost at graduation, but the squad next year will feature Anthony Eagone, Kevin Geagan, and four sophomore letter-winners. With this running talent and continuing hard work, the boys cross country team and Coach Mazzie may achieve their goal.

Joe Rosendale



"Hurry, Hurry!"



"And they're off!"

# Spirit Reflected in Fine Season

Standing L-R — Tammi Millikan, Rosie Robles, Roberta Millstein, Chris Forys, Ronalyn Rumsey, Wendy Whitbeck. Kneeling — Kelly Sheets, Katie Shore, Debbie Meger, Carolyn Bodnar, Tammi Rossi. Sitting — Carol Frazier, Janice Sullivan, Phyllis Gunn, Jill Jennings.

Janice Sullivan all alone.

Chris Forys and Katie Snore keep the pace.

Hang in there Wendy!

Ready, Set, . . .

Tammi Rossi prepares for the race.

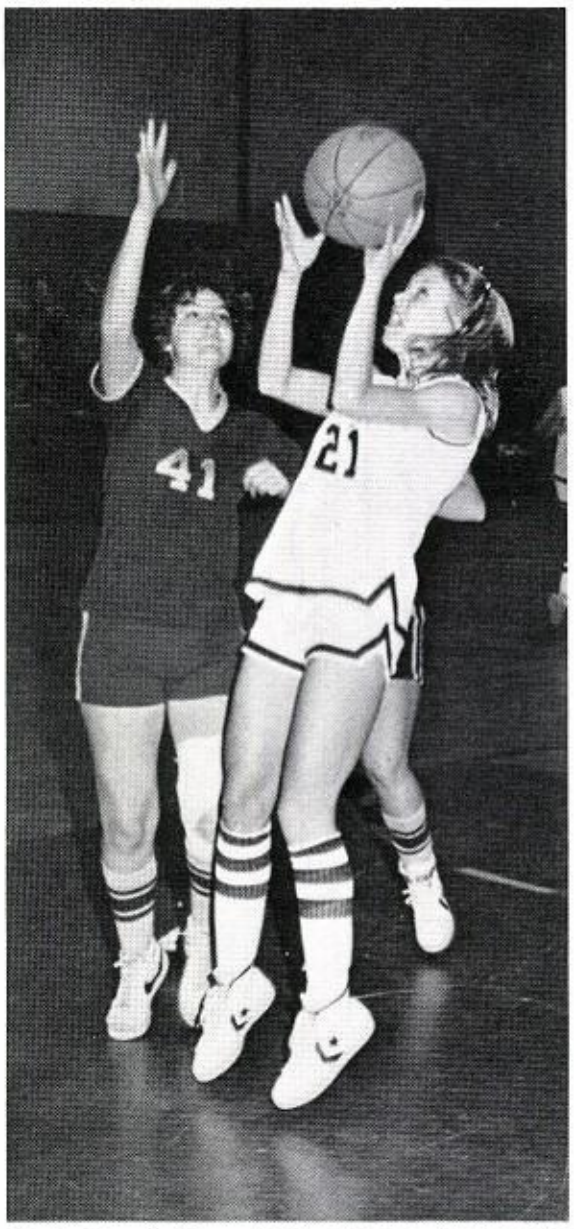
The Girls Cross Country Squad ended the season with a 6-4 record, the best ever for this team at South. The team was led in every race by the captain, Senior Phyllis Gunn, and Senior Tami Rossi, who came out for the sport for the first time this year. Many graduated runners will be missed next year, but the freshmen and sophomore letter-winners will return to the squad in the spring, especially Rosie Robles and Debbie Mager. The girls record for 1980 shows the spirit and hard work that the girls will put forth for a successful season in 1981.

The most valuable member of the Girls Cross Country team was Phyllis Gunn. This was a well deserved award for Phyllis is one of the most dedicated runners in our school.

# GIRLS' BASKETBALL

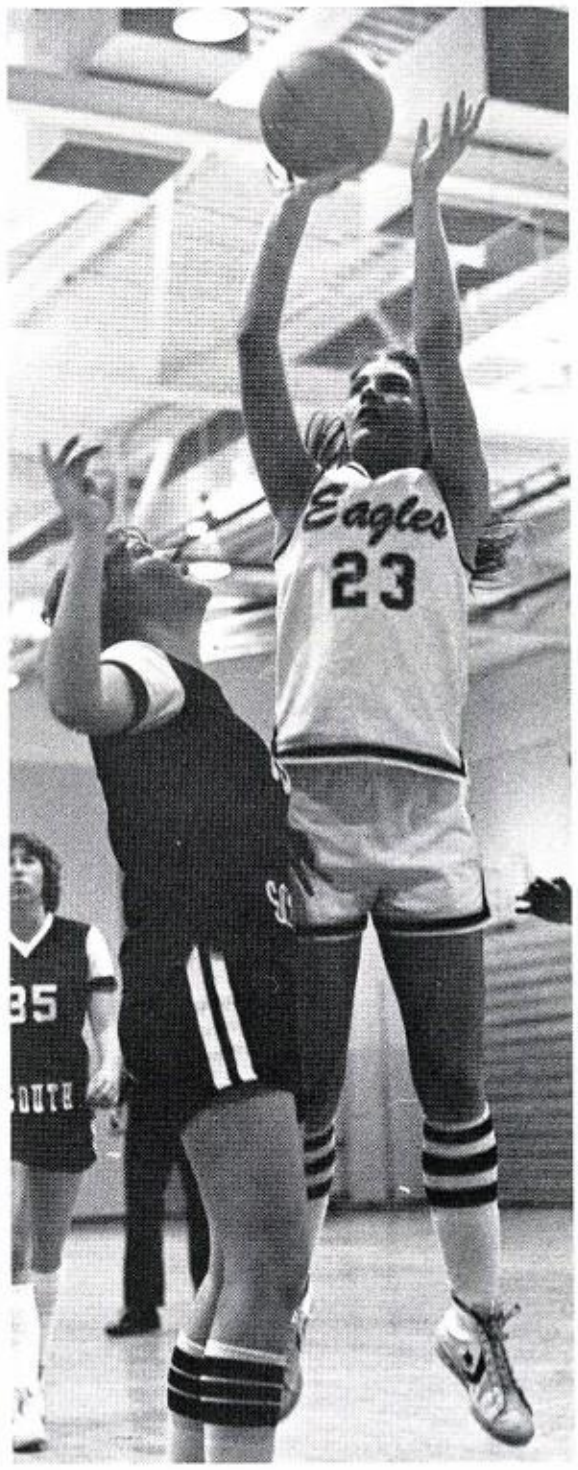
Standing — Coach M. Gwaley, Caroll Severinson, Stacey Matulewitz, Wendy Whitbeck, Sheila Walk, Michelle Monroe, Karen Turner, Trish Devine, C. Ruggeri, Coach J. Ahern. Kneeling — Joanne Yunge, Donna McHugh, Jan Cummins, D. Poole, P. McEvilly, L. Carroll

Capt. Jan "Tater" Cummins, was the key offensively and defensively the teams success. Here she drives to score.

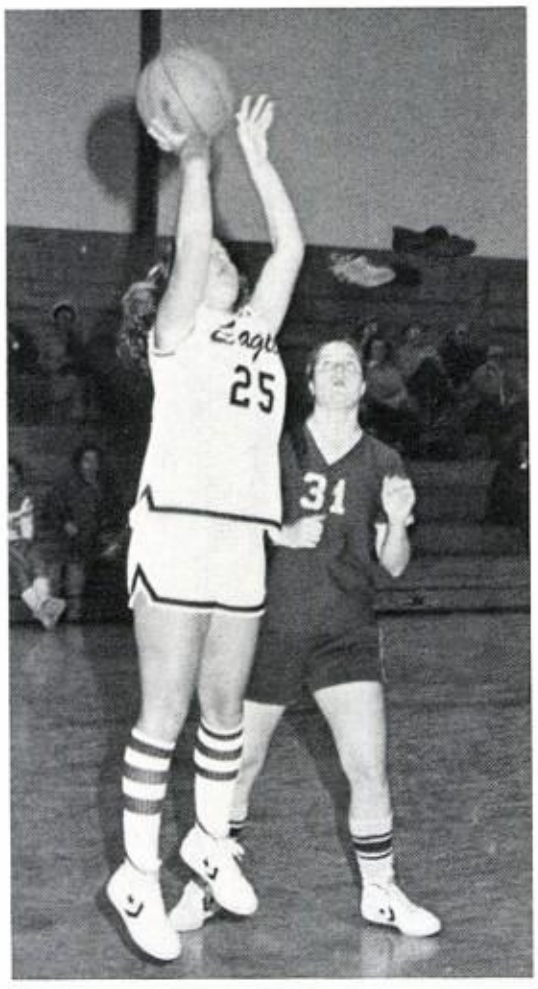


Capt. Caroll "Sever" Severinsen the team's most consistent player shoots the short jumper.

Capt. Michelle "Shelley" Monroe, the team's offensive weapon, towers over her opponent.

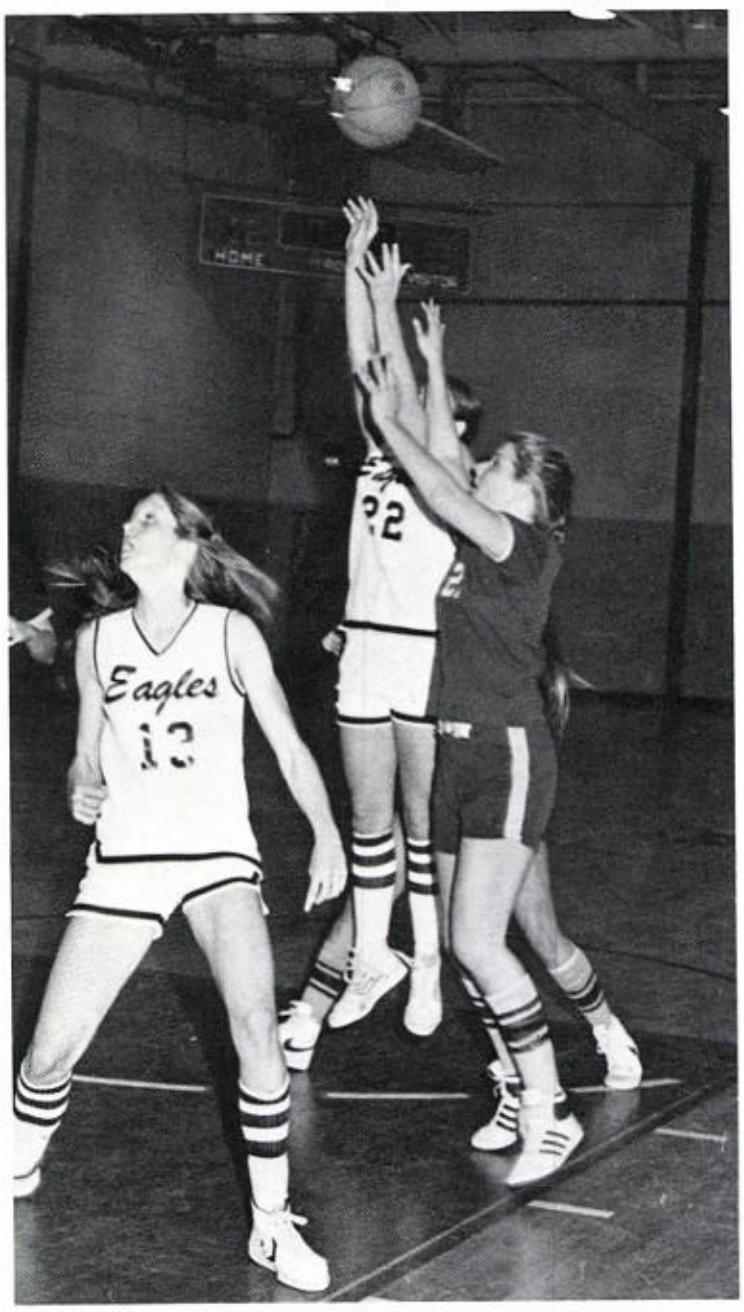


Donna "Frenchy" McHugh is known for her shot because it hits "nothing but the net."



Sheila "Bones" Walk, a versatile player, sinks her jumper.

Chris "Lobster" Rugger, known for her defensive and offensive work under the boards, shoots a "chippy."



This year's Girl's Basketball Team played another winning season with a record of 22 wins and 5 losses. Their shore conference A division North record was 12-0. Winning though is not something new to this team, over the last 3 years out of 77 games these amazing girls won 63. Besides a winning record they also won titles — A North Shore Conference Champs and Bayshore Christmas Tournament Champs — averaging 56.4 points per game.

The title of M.V.P. was shared by Jan Cummins and Michele Monroe. Jan's record was 9.0 pts. per game, 3.0 steals per game and 6.0 assists per game working with Michele whose record was 16.0 pts. per game, 10.0 reboufs per game, and a 54% shooting average. The other top players were Sheila Walk best all-around player 9.0 pts. per game, Chrisruggeri strong rebounder 54% shooting average, Donna McHugh 73% average from foul line, Debbie Poole best defensive player and Caroll Severinsen a very consistent player.

Coach Ahern felt that the reasons for the success of his team was that he worked with, "an outstanding group of Senior athletes, well disciplined and experienced group, very talented." In general he felt they were, "great people to work with."

When asked about his outlook for next year Coach Ahern observed a "good group of young talent coming from a very successful J.V. program (17-4) and East Brunswick Tournament Champs)." The only problem he foresees "will be a lack of experience at the varsity level."

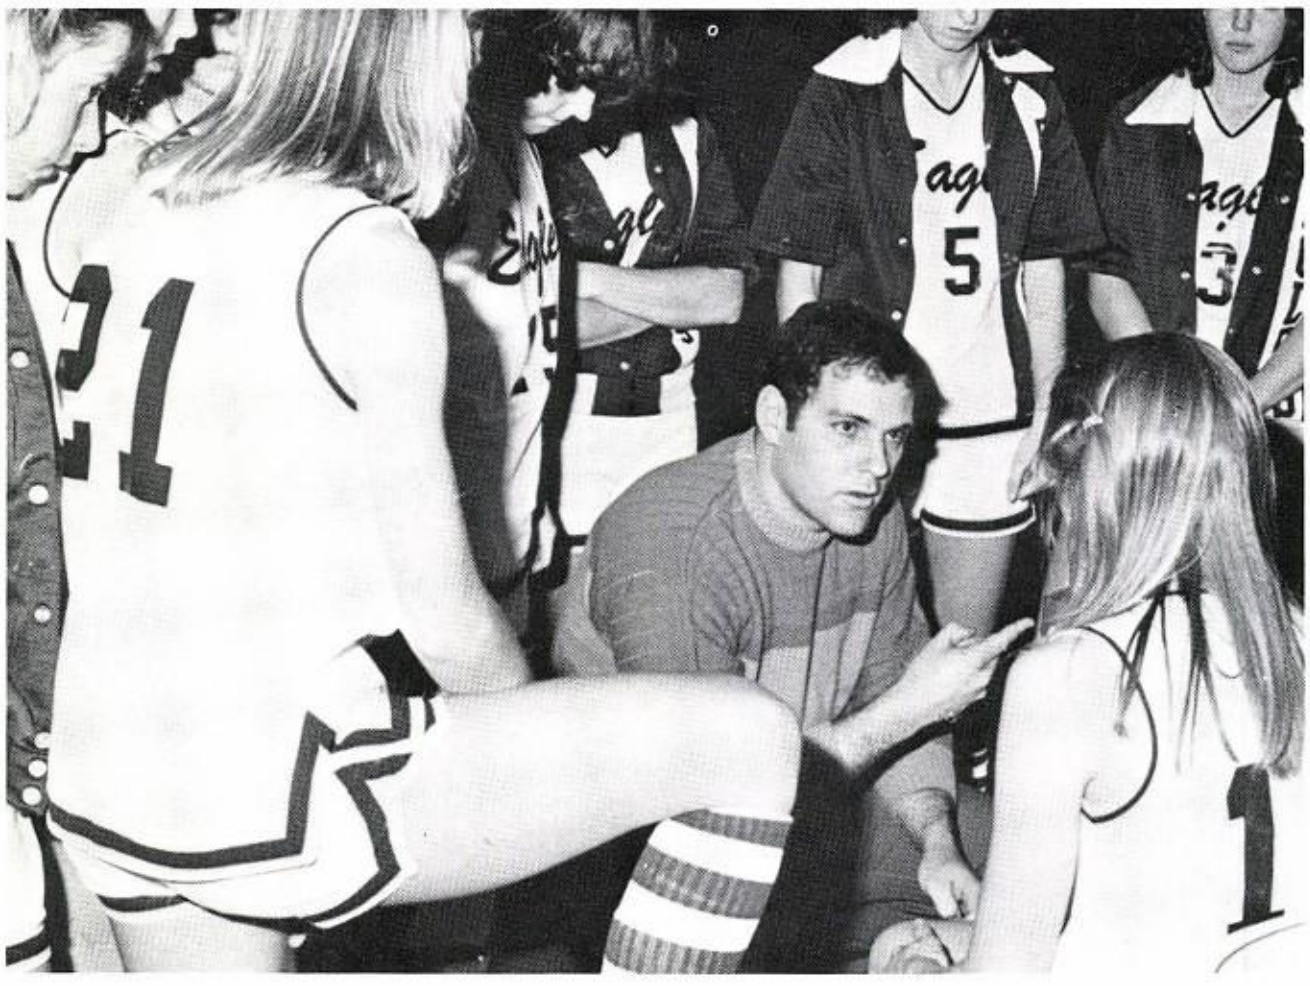
Michelle Monroe wins the jump for South.

"Debbie-do" Poole, a defensive threat handles the ball.

Peggy "Teeth" McEvilly drives to the hoop.

When Karen "K.T." Turner entered the games, she was a key factor in the defense.

During a time out Coach Ahern points out mistakes and prepares a new plan of action.



J.V. Girls Basketball team

Karen Kouvel with a lay up.

Stacey Matulawicz winning a jump ball.

Time out with Mr. Gwaley.

Kim Fey — Shooting

Trish Devine going up for a rebound, onlooker Sue Strenmertz.

# BOYS' BASKETBALL

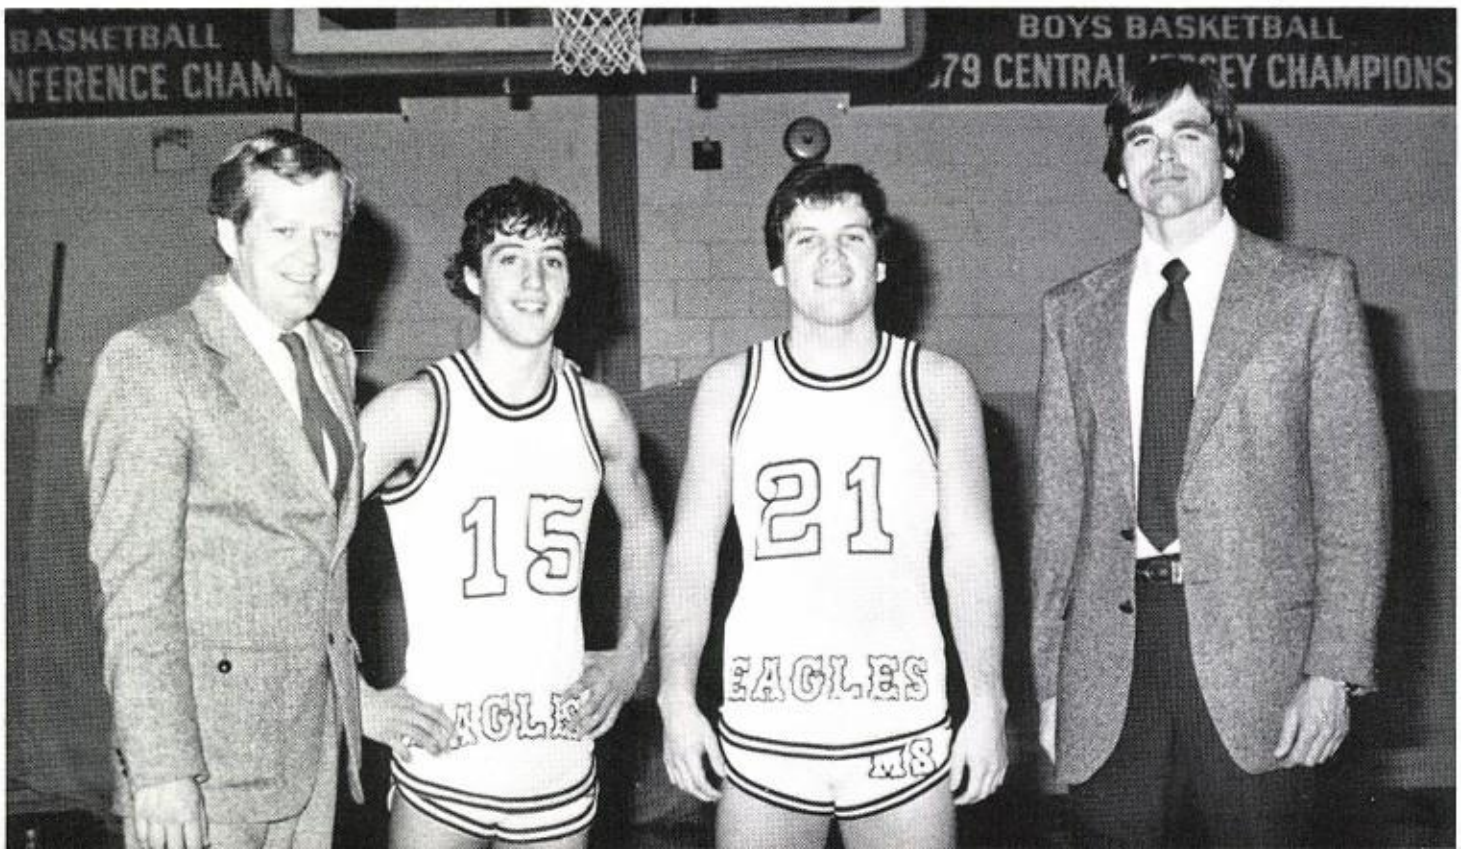
The 1980-81 Boys' Varsity Basketball Team

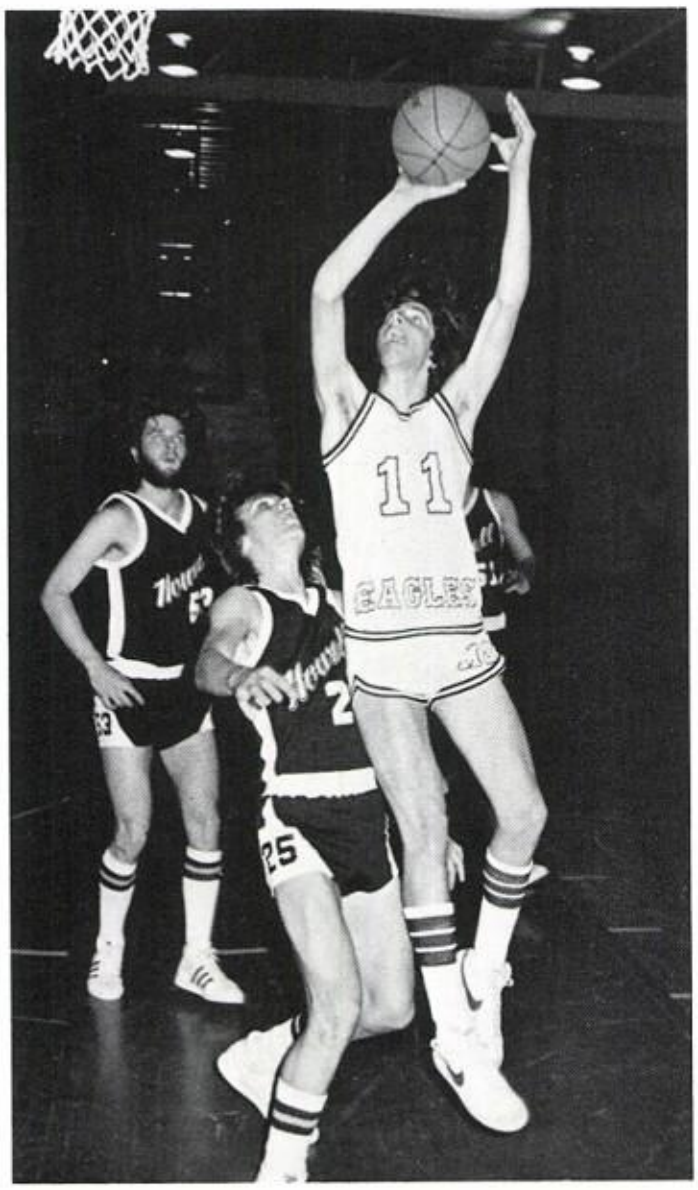
This year's Boy's Basketball Team won a record of 19-7. Over the year under the leadership of co-captains Jim Murray and Dave Lynch, and the encouragement of Coach Houston, the team won the Bayshore Christmas Tournament and came in 2nd in the Shore Conference A North division, losing to State Champs Neptune.

Winning games and titles are only accomplished through hard work and discipline. John Johnson and Dave Lynch won honorable mention in 3 major newspapers; the Asbury Park Press, Red Bank Register and the Star Ledger. Jim Murray our M.V.P. made 1st team All-Shore in the Register, Asbury Park Press, Star Ledger and the Daily News. Jim's leadership on the court was strongly felt during his 3 year career started at M.H.S.S. The team's starters were Jim Murray, John Johnson, Dave Lynch, Justin Kalac (all seniors) and Paul Ford Jr. Despite the lack of height, this team worked together to carry on the winning tradition at South.

When asked about his anticipations for next year Coach Houston said, "No Comment." He felt that it was too early to make an accurate survey of next year's team. He only hopes that the boys who come out for next year's team are willing to work as hard as his winning teams have in the past.

Coaches Pat Houston and Rich Kelly along with Seniors Captains, Jim Murray and Dave Lynch.

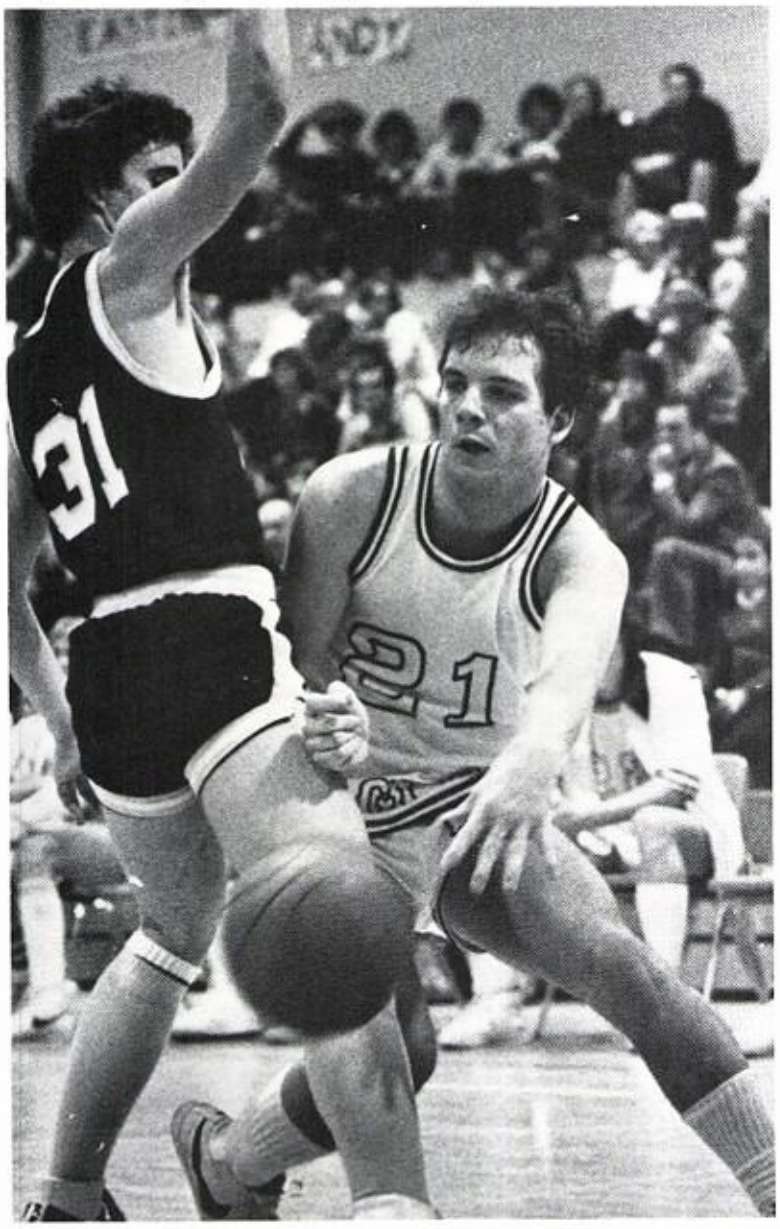




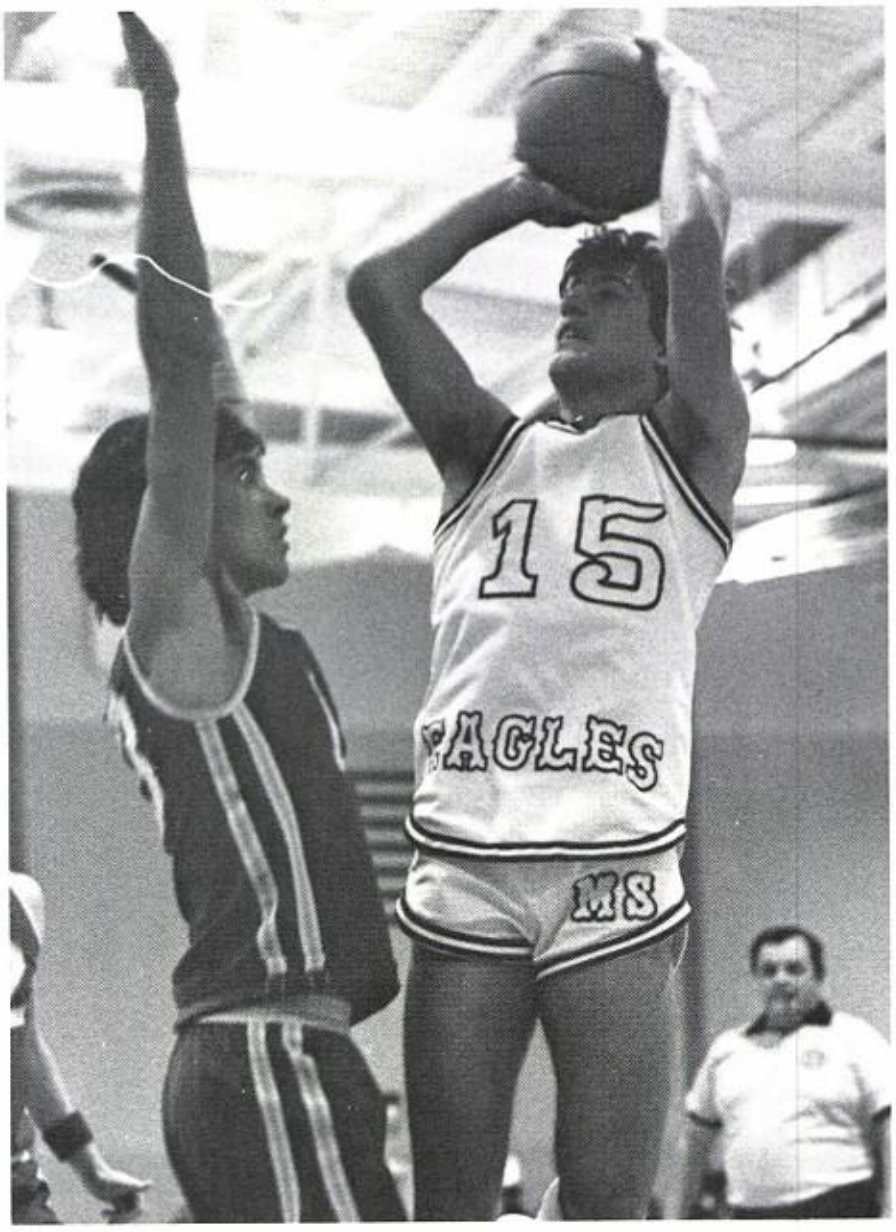
Senior Mike Zepernick drives to the basket for another 2 points.

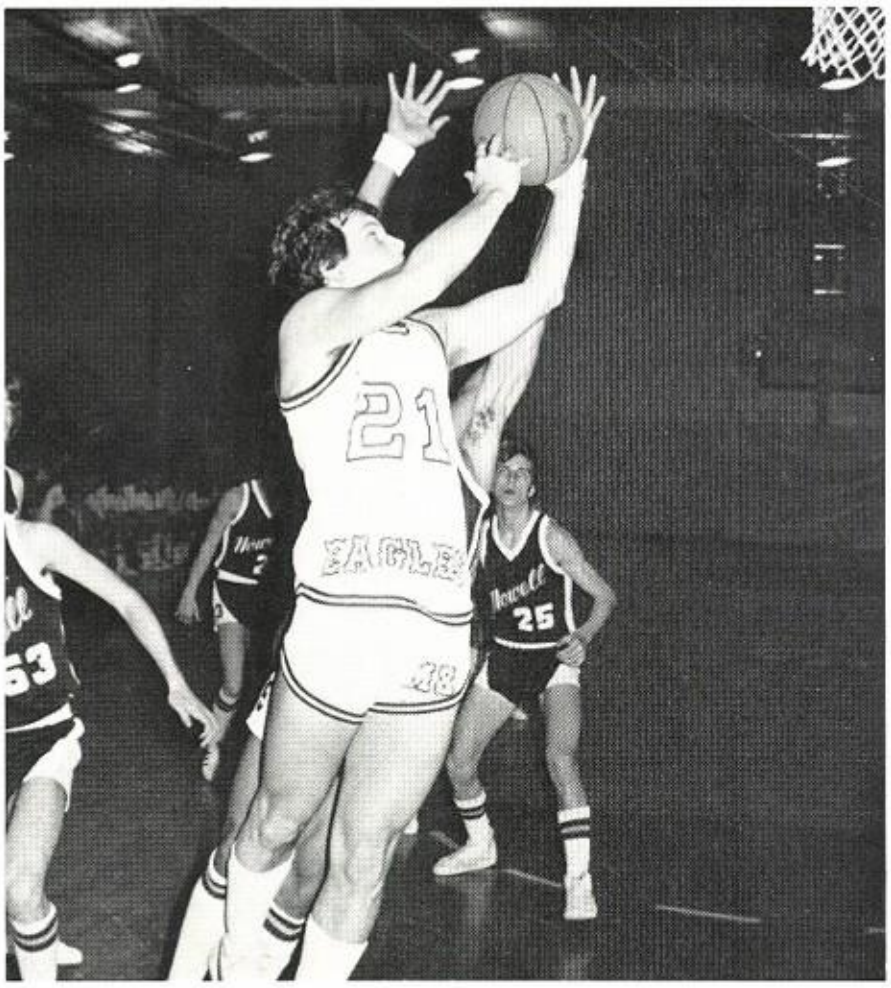
Justin Kalac with flying one-hander.

Captain Dave Lynch shows good timing on a pass to the inside.

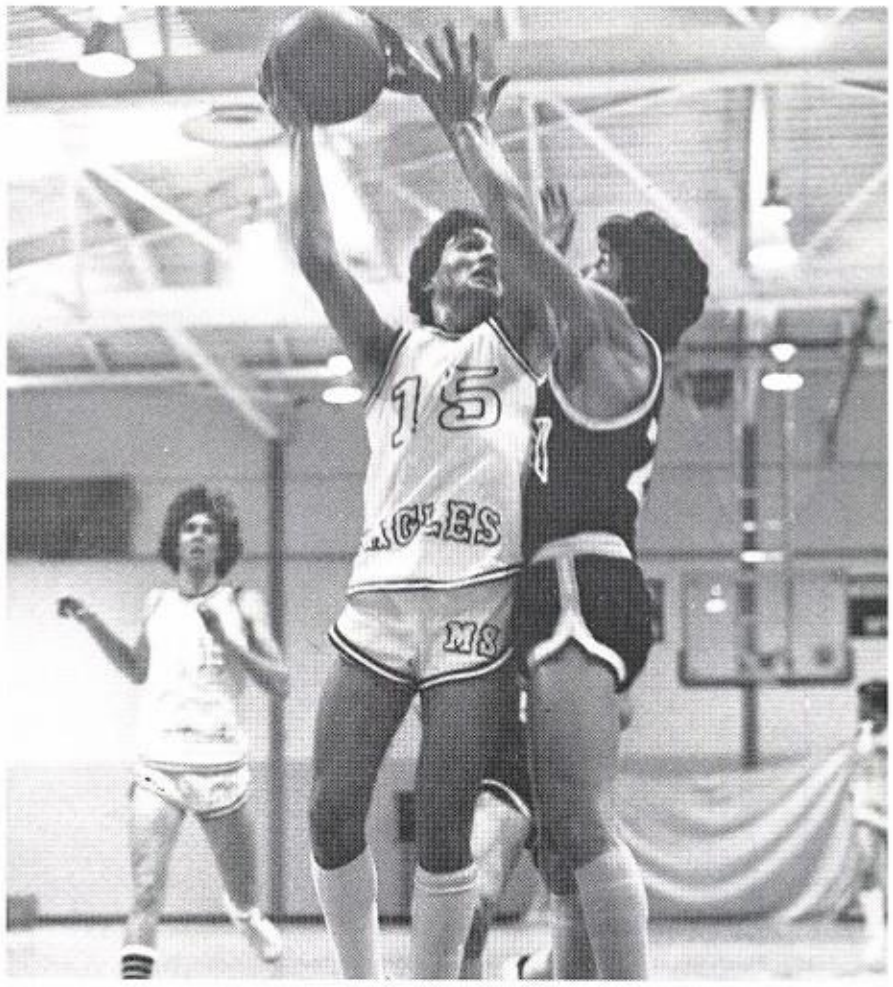


Jim Murray, who is known for good ballhandling and a good shot, shows us here as he hits a jumper.





Dave Lynch takes-off underneath for a lay-up.

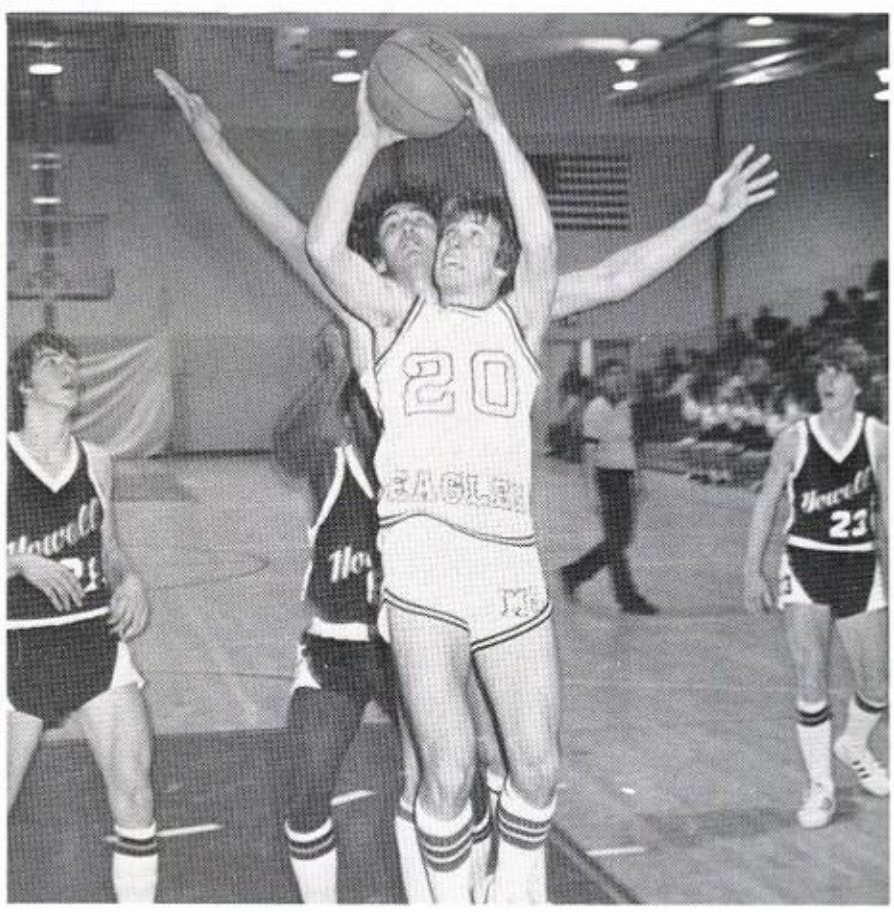


Jim Murray out jump his defender to sink the shot.

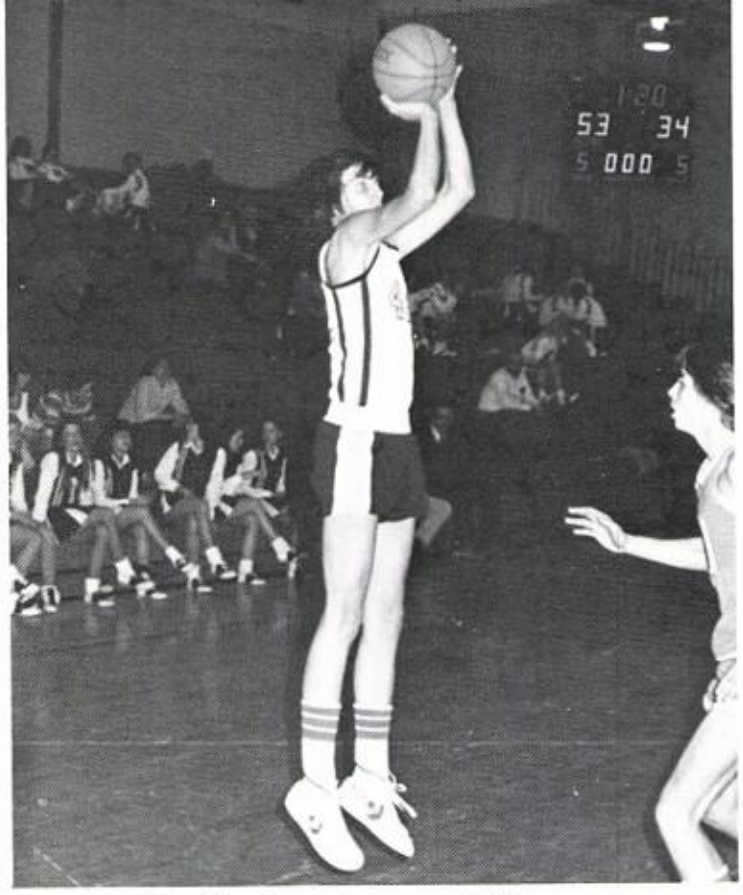
Captain Jim Murray gets the tram ready for another night of good basketball.

Coach Pat Houston and others look on in deep concentration.

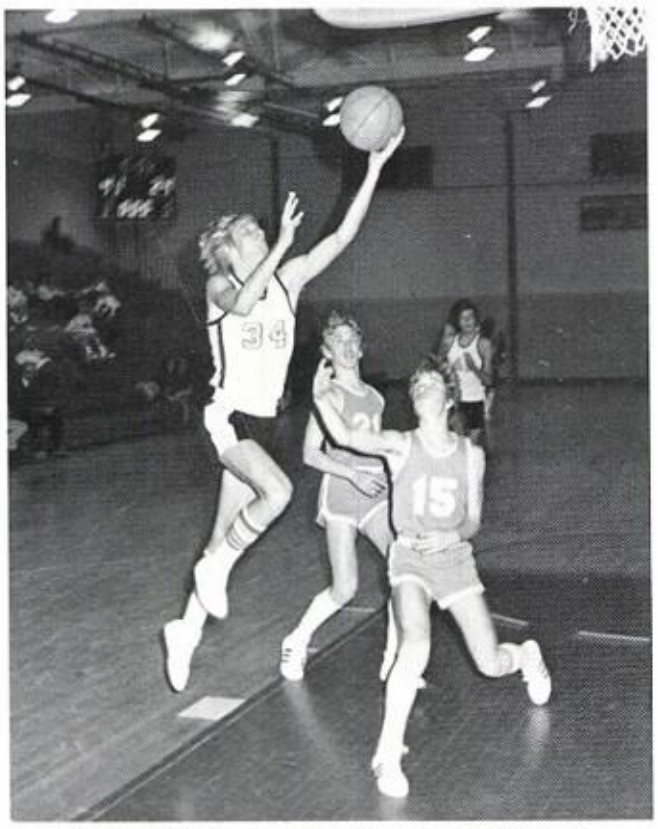
Justin Kalac successfully goes past 3 Howell defenders for an easy basket.



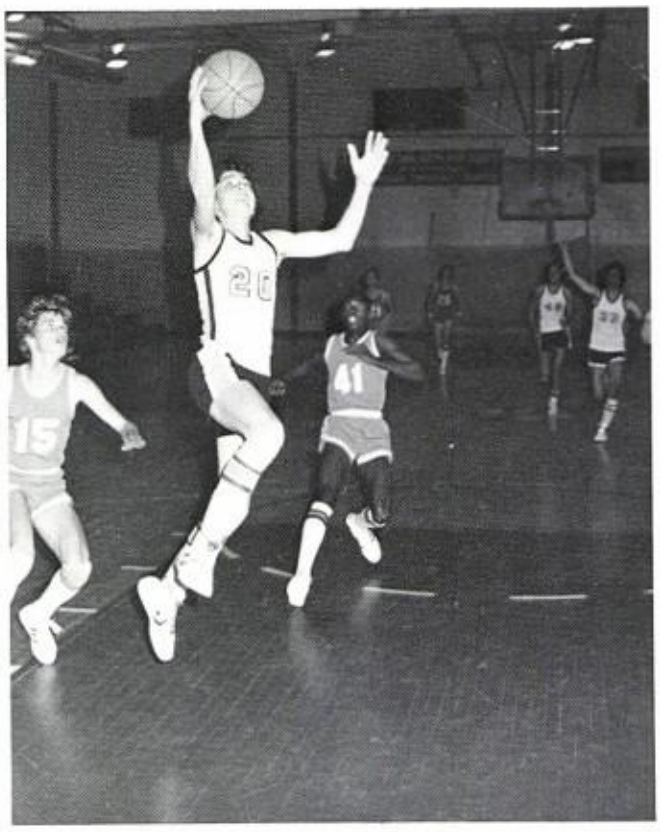
1980-81 Boys' J.V. Basketball Team.



Tim Murphy puts up a quick jumper.

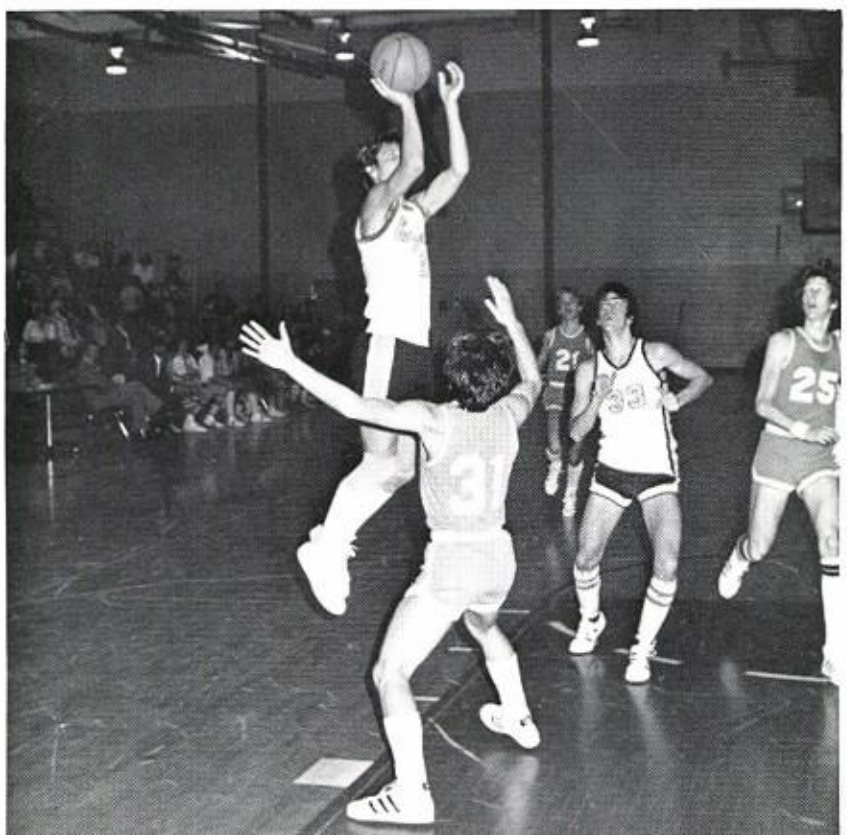


Frank Butch moves in for an easy lay-up.

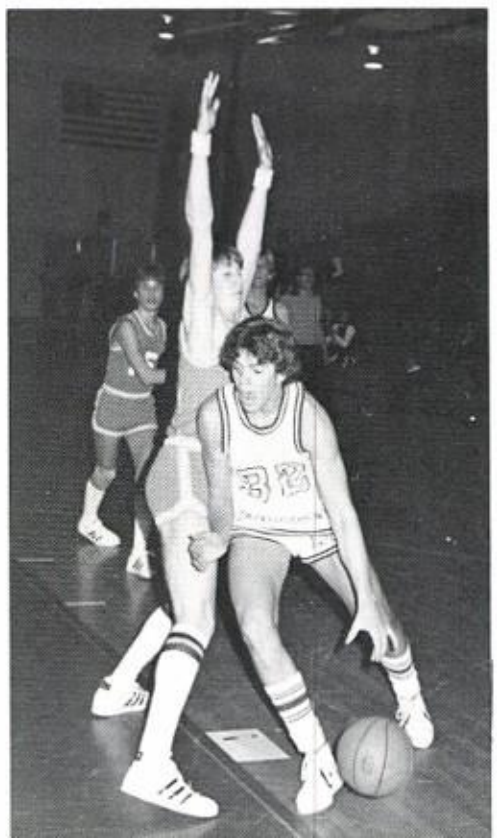


Kevin Geagan takes off for 2.

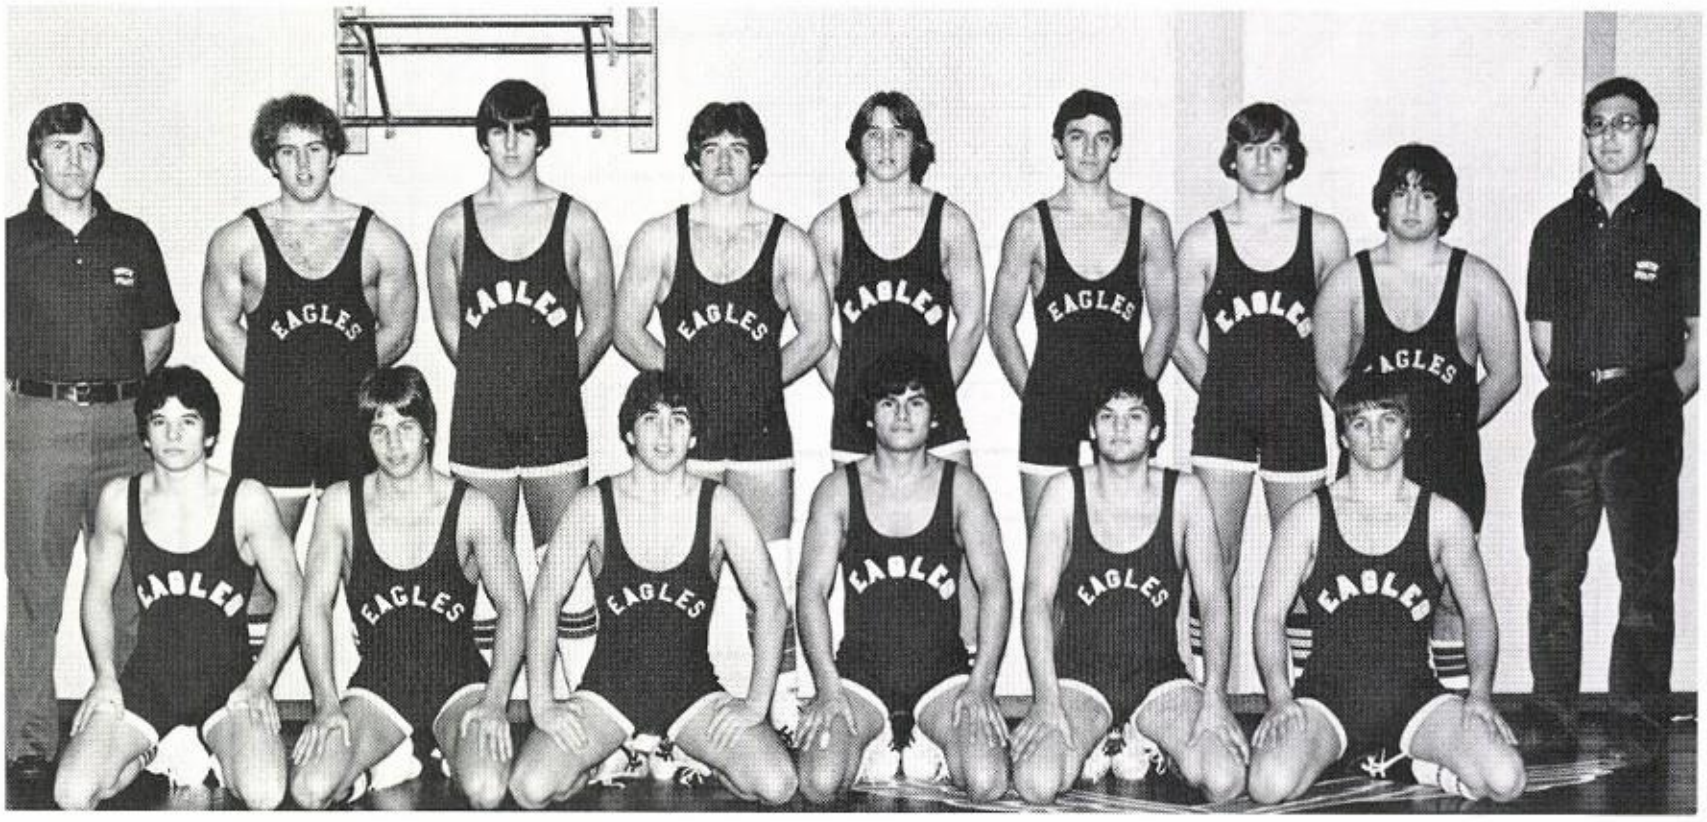
Kurt Einloth shows good jumping ability, on this one hand jumper.



Mike Siegfried has complete control of the ball as he moves towards the basket.



# WRESTLING



Standing: Coach Bechtel, Kevin Carroll, Kevin Hanson, Bob Thornberry, Chris Warnock, Phil Krichilski, Mike Ryder, Dave Chirico, Coach Englehart. Kneeling: Dave Card, Dan Ilvil, Scott Nadler, Lou Martinez, George Greminger, Dave Hinds

This year's wrestling schedule was one of the toughest in the shore. Six of the top ten ranked teams including Jackson, Neptune, Long Branch, and Manalapan wrestled MHSS. This though never affected our Eagle team. Our hard working team kept trying and won impressive victories over Raritan and Marlboro.

The starting varsity team consisted mostly of sophomores and juniors which will strengthen our team for next year. This year's graduating seniors and Brendon Walsh 101, Ken Hinds 122, Jim Loftis 129, Chris Warnock 170, George Greminger 148, Dave Chirica 170, and Kevin Carroll 184.

Outstanding performances were led this year by co-captain Jim Susolak and Ken Hinds with added strength by sophomore Doug Kirk.

The outlook for next year's wrestling team is very high and it is hoped they will perform over a 500 season.

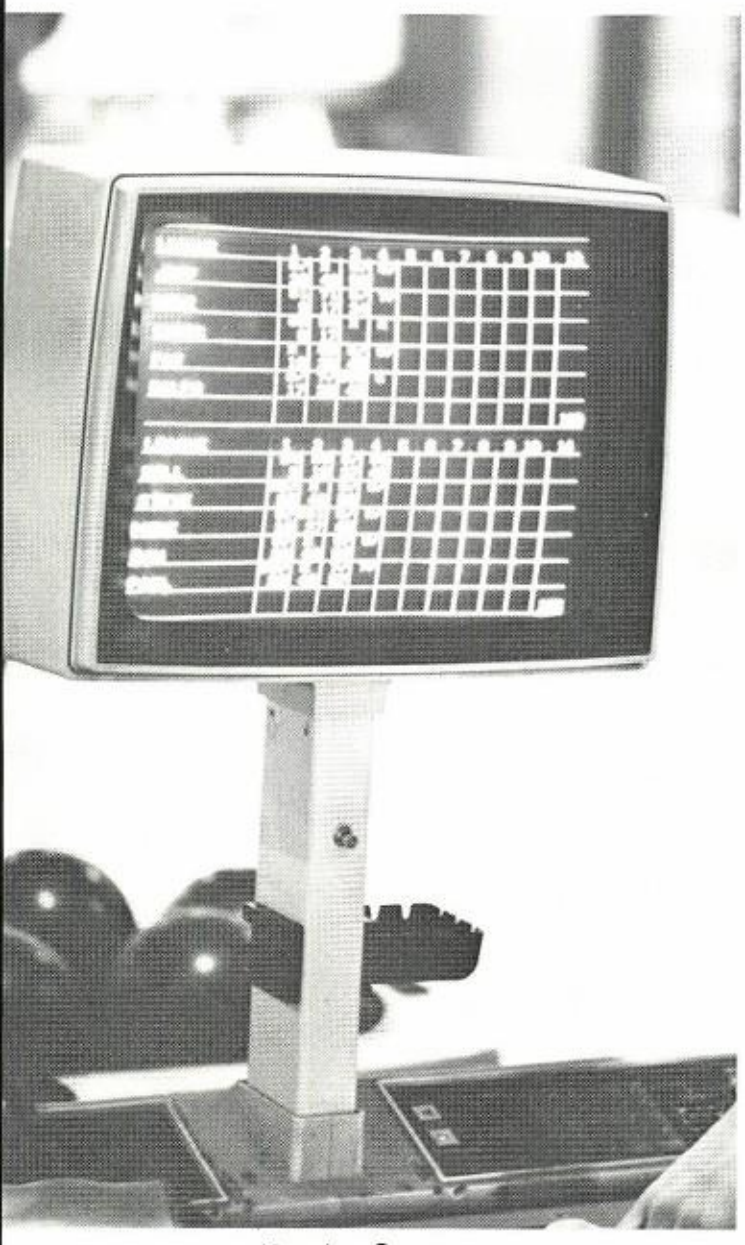
# BOWLING



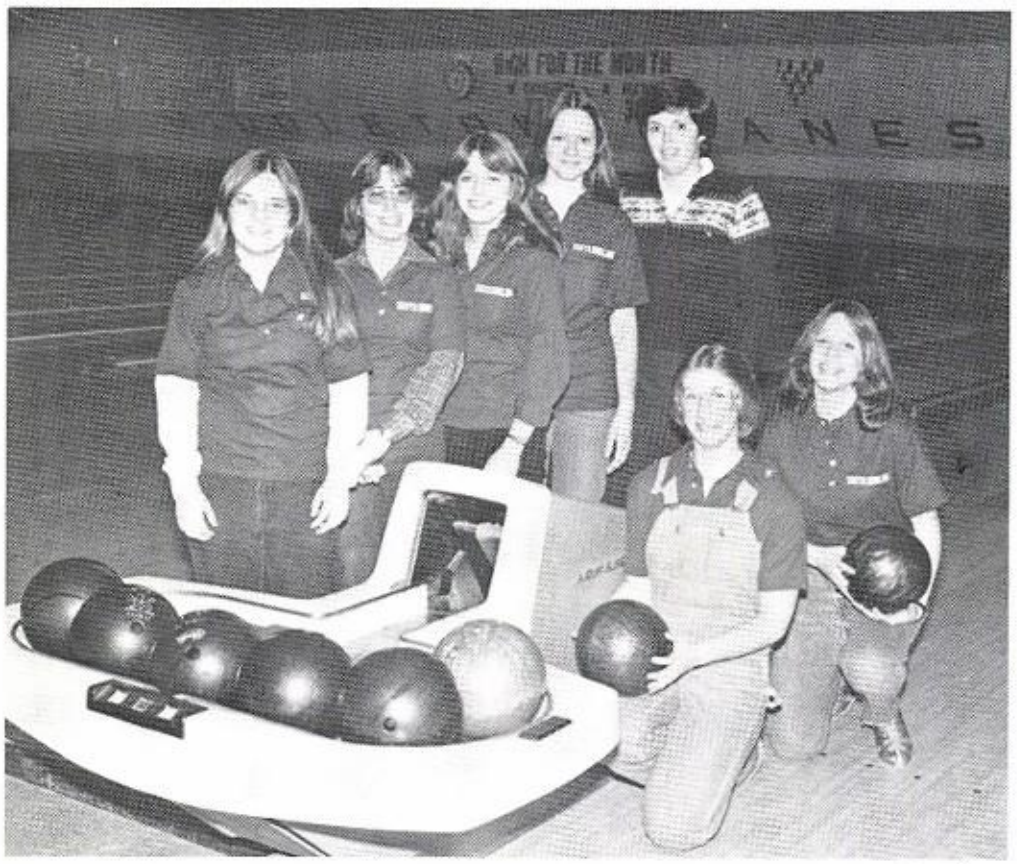
Keeping Score

Ghostly Images

Both the Boys and Girls Bowling Teams performed very well this year. Under the direction of Miss Hughes and Miss Halpin the teams were able to place well in the state.

Miss Hughes feels the girls worked well together and had tremendous team spirit. Unfortunately a majority of the members are Seniors and will be graduating.

Miss Halpin is very proud of her boys team. She feels the team thrives on competition coming from behind first place Keandburg, the Eagles rolled higher and higher series each week. The team ended up as one of the top three in the Shore Conference. Bill Anderson had the highest average (190) in the conference while Dom Farro had the highest series 716 in the conference. Next year looks to be even better being most of the teammates are Sophomores and Juniors. The team spirit is supportive and encouraging.



Carol Dunn, Colleen Shay, Fabbi Hak, Alyce Krajkowrich, Miss Hughes. Kneeling: Co-Captains Karen Krunecki, Jodi Goldman.

# SWIMMING IS FUN

This year's Boys and Girls Swimming and Diving Teams again held their own in the meets they competed in. The girls' final record was 10-1 and the boys' final record was 4-7. The dedication of these people is evident in the problems they have overcome. Practicing at 6:00 in the morning at the local Y before school has to be the major problem of the team. They hope for more pool time.

Both the girl's team and boy's team had outstanding students, Karen Keller and Nancy Fischer each earned over 180 pts. Along with Karen and Nancy, Kim Weber, Kim Bowlby and Beth Falvo all scored over 100 pts. for the team. Jenny Obre was a great undefeated diver. Hal Lescinsky broke the record in the 500 free style while Stuart White broke 100 free style record twice. The relay team of Karen Keller, Nancy Fischer, Kim Bowlby and Beth Falvo went to the state competition and placed 8th. They also won freestyle relay and set a new shore conference record.

The outlook for next year is bright. Acquiring Kristin Pascale should win the girls division.

# SOUTH'S FINEST SEASON EVER

1980 Middletown High School South Baseball Team — North Division Champs.

John Johnson prepares to connect for another South base hit.

John Kolacki delivers a pitch while getting ready for the big game.

Middletown South's Dave Lynch keeps a close eye on Raritan's pitcher.

Second baseman Ken Sasso fields a ground ball and delivers to first for another South put out.

The Varsity Baseball team completed an outstanding season on June 14. A brilliantly-played 2-0 victory over Freehold Township in the Championship game of the Monmouth College Invitational Tournament capped South's finest season ever. In addition to the Monmouth title the Eagles captured their 2nd consecutive Shore Conference "A" North Championship. The Eagles were named the Top Team in the Shore area and finished in the top five in the state.

The Eagles set many school records along the way to their triumphant conclusion: 22 victories, 5 homeruns in a single game, 9 wins by a single pitcher (Mike Haberman), 18 strikeouts by pitcher John Kolacki (Long Branch game), 41 hits, and 36 RBI set by Dave Lynch, who ended the season with a 454 batting average.

The team was led by Seniors Jeff Kunkel, John Kolacki, Lou DeMarco, Mike Haberman, Jack Simons, and John Givens, and Juniors John Johnson, Kenny Sasso, and Dave Lynch. There was an outstanding group of boys waiting in the wings who contributed greatly to the team's success — Mike Ippolito, Scott Duncan, Demetrius Digeninaro, John Diodato, and Jeff Bavarro.

The season was complete when 3 south players were included in the top 30 players in the state. Catcher John Johnson, and MVP pitcher-shortstop Jeff Kunkel were named to the All State Third team and in the Group Four category they were named First Team. Kunkel, Johnson and Lynch were also chosen on the first team All Shore while Ken Sasso received Honorable Mention.

In another first, John Kolacki became South's first Professional Athlete. Drafted by the Houston Astro's John signed a contract and reported to the Astro's Sarasota Farm team.

The outlook for the 1980-1981 season can be nothing if not optimistic. Coach Woods looks forward to a great season with several returning stars and budding new talent. With a little luck, this season's record may be even more successful.

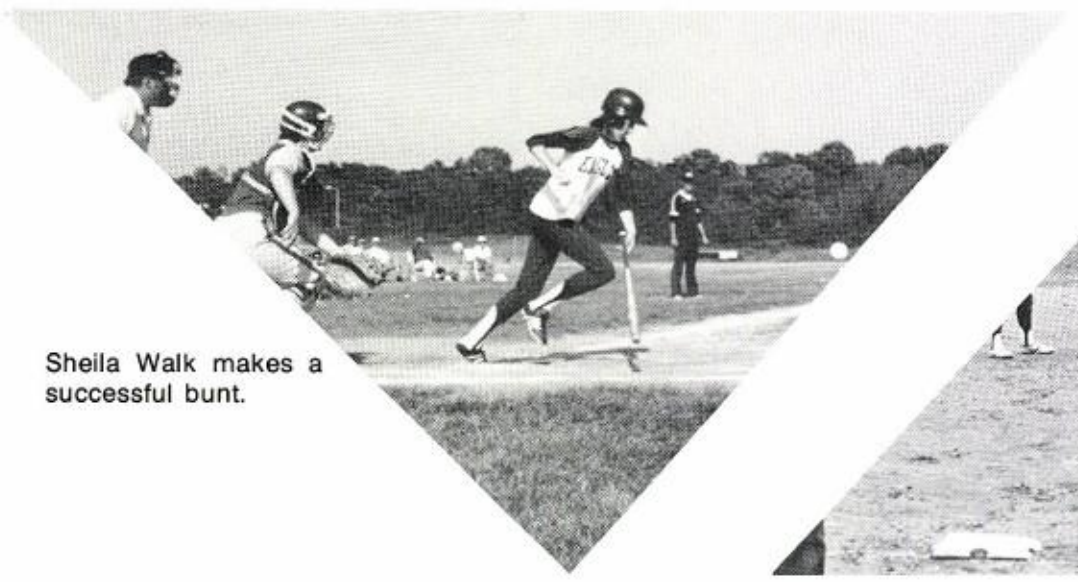
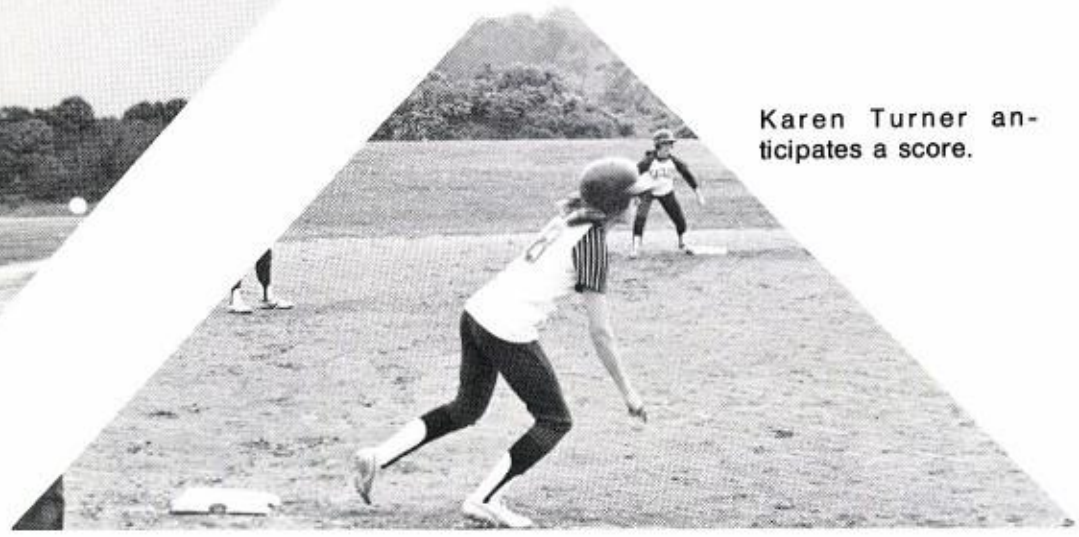
# SOUTH SOFTBALL: A BALANCED TEAM

STANDING (L-R): Donna Garr, Karen Krynicki, Patti Camarote, Chris Ruggeri, Karen Turner, Sheila Walk, "Dolly" Maxson, Lori Grillon, Lauren Bruckner, Linda Pfeffer (mgr), M. McDermott (coach). KNEELING (L-R): Nancy Schoepf, Tammy Fey, Eleanor McGlyn, Katie Di Sciullo, Chris Meahan.



Sheila Walk makes a successful bunt.



Karen Turner anticipates a score.

The 1980 Girls' Softball Team finished with a winning 19-5 record. In the Regional Conferences Games, they earned the "A" North Division Championship with a record of 8-2. The team was ranked as impressive third in the entire Jersey Shore area.

The record of the team was made possible by teamwork and further enhanced by players, both in the field and at bat. The second baseman, Katie Di Sciullo, ended the season with a batting average of .506 and earned positions on the All State Second Team and the All Shore First Team. Darlene Maxson held a pitching record of 11-3, and was the team's RBI leader. She also made the All Shore First Team and the All "A" Division First Team. First base guard Eleanor McGlyn, left-fielder Patti Camarote, and pitcher Tammy Fey were elected rounding out the all "A" Division First Team.

Statewide, the M.H.S.S. team ranked in the top 20 several times during the past season. Mr. McDermott hopes to surpass that record in the coming year. Although some valuable players have graduated, rookies from last year will replace them, and the team will continue to have excellent fielders. Since the team is not dependent on only a handful of players, a united effort by a balanced team can insure a successful 1981 season.

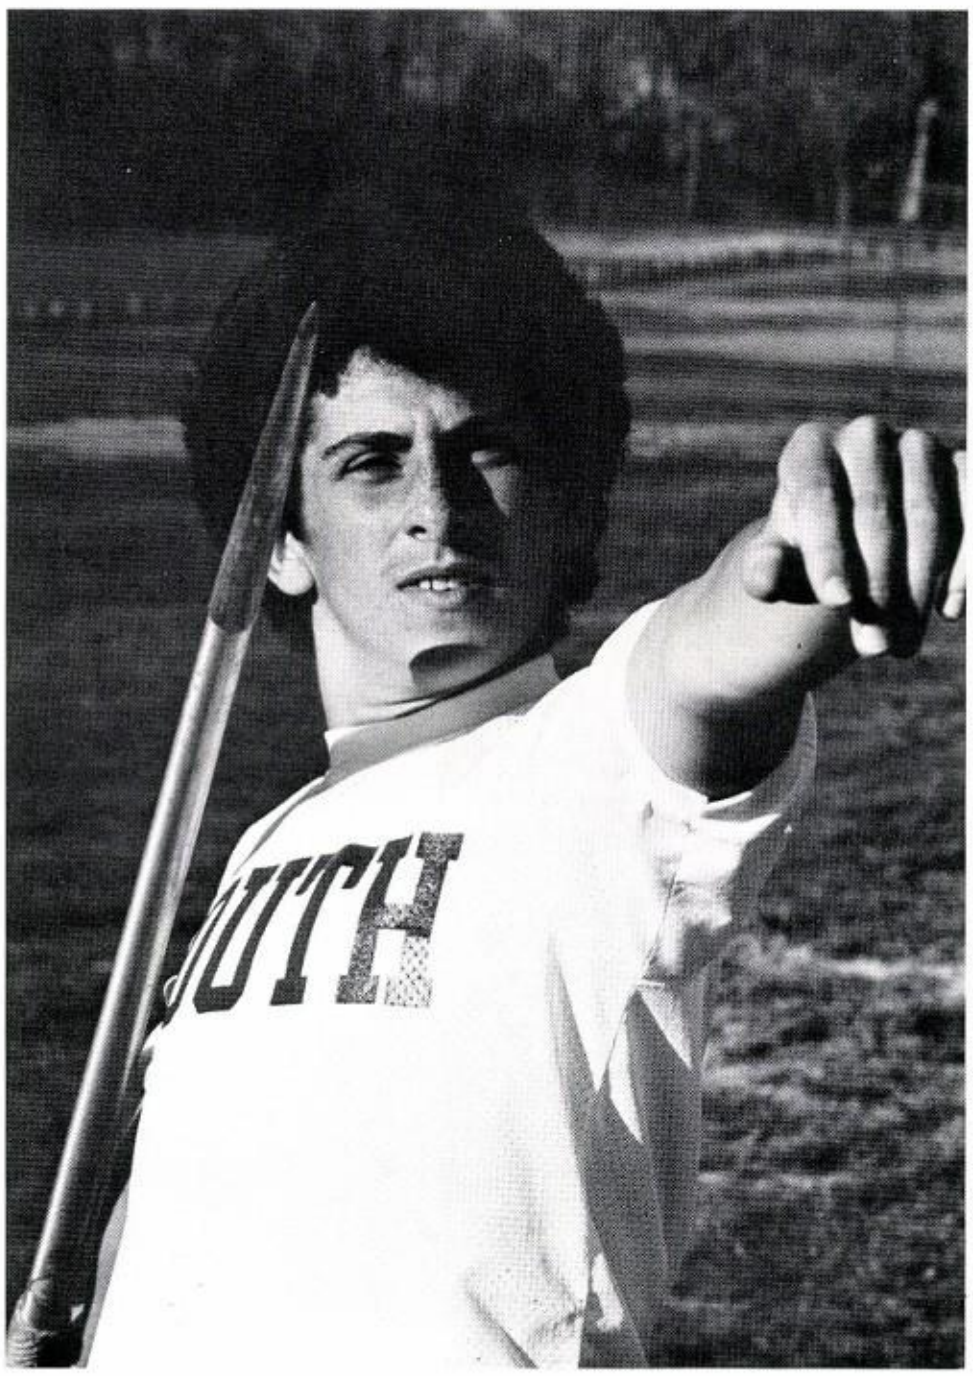
# BOYS' TRACK REACHES HURDLES

The 1981 Boys' Track season is expected to be far better than the 1980 season record of 3 wins, 6 losses. A trackless south and a lack of student support of the team have contributed to the team setback. "On the whole, the team is very motivated", says coach McEney, with 13 returning lettermen including Seniors David Carney, Brad Peterson, David Wilson, Darren Mueller, John Bush, John Smack, and Kevin Carrol. Other returnees from last year squad, including many sophmores will contribute to improving the team record.



Eric Bernstein getting ready to throw the javelin.

# SHORE CONFERENCE CHAMPS

STANDING FROM L TO R: Miss Fisher, C. Forys, J. Adams, L. Kennedy, T. Rossi, Sheri Nichola, K. French, K. Shenko, D. Maeghar, K. Toth, S. Ham, A. Medler, C. Fulshaw, M. Halpin, M. Monroe, N. Martin, J. Young, K. Dawson, A. Costine, Mrs. Adbbot, Mr. Hanes, K. Walchak, L. Kurtz, A. Kaszuba, A. Brown, J. Oneill, R. Liberatore, W. Whitbeck, C. Perry, P. Gunn, B. Cleary, Mazzie, M. Walker, B. Renelt, R. Robles, D. Poole, J. Sullivan, P. Gillen, J. Zarouni, S. Green, J. Jennings, L. Michaels, C. Frazer, B. Morse, J. Obre.

Laura Kennedy soars in the long jump.

A year has made a big difference in the performance of the Girls Track team for 1980. This year their record was 7-2 and they became A-North Conference Champions. Their coach Louis R. Mazzie, Jr., describes them as "a fine group of young ladies who stuck with a tough team program and deserve full credit for their great season."

The team's strong point is its balance of good sprinters, distance runners, field events, specialists, and jumpers. Every member of the team has contributed to the first real girl's track championship for a Middletown high school.

Outstanding performances by Rita Liberatore, Jenny Obre, and Sue O'Neill in the Monmouth County Hurdles, Allison Brown and Patti Gillen at the Monmouth-Ocean City Race, and Michele Monroe in the high jump make this girls welcome-back candidates for this year's effort. The honor of MVP was shared by Patti Gillen and Debbie Poole, who participated in the pentathalon event. Graduated Senior Kathi Dawson set South's javelin-throwing distance record at 111 feet and 1 inch, setting the stage for greater achievements this year. The lack of a track facility at South involved playing even "Home" games "Away" and this was somewhat discouraging to the coach and the team members. But, the team continued to work as a unit, avoiding serious injury and enjoying their wonderful winning season.

Cathy French, "Ugh!"

# A Winning '80 Golf Season

Standing L-R Mike Pavacik, Tim Dickens, Steve Krynicki, Coach Dave Abdella, Trip Bowlby, Dan Noble

Mr. Abdella felt the 1980 season was the best season he ever had. With the team familiar with their home in Navesink River the team efforts flourished as never before. This enthusiasm helped the team to be Shore Conference Champs.

The hope for the 1981 season now lies with the experience of Tim Dickens, due to the fact that most of the other varsity team mates have graduated. Even with this set back Mr. Abdella still looks forward to another winning season. The talent that is in M.H.S.S. this year, he feels, looks very promising.

# GRADUATION 1980

As defined by Macmillan's Dictionary, to graduate means to receive an academic diploma or degree signifying the completion of a course of study. Graduation on the high school level signifies the completion of twelve years of study. To some this will be the end of formal education and joining the work force; to others it will be the beginning of college or a trade school career. Whichever road is taken, Graduation night will be the same for all. As seen through these pictures, it's a time of friends, family, happiness, reflection, and a little sadness or loneliness — because we're leaving the security of our known lives for the uncertain.
